Subject: 18 documents with Header [Confidential Privileged Documents Subject to Protective Order are attached]

Nick,

Attached is a chart of the documents and header information that I have been able to locate this weekend. I have attached the header information to the previously produced documents in 18 pdf files below. These documents are all subject to the Court's protective order. The remainder of the privileged documents, with a few exceptions, were produced from the Author's email so there will be no header information. I will follow up on the exceptions Monday. If you have any questions please feel free to call. In addition to my cell number you are also free to call me at home - that number is 281-331-8859.
