JOINT MOTION TO DISMISS

NOW COMES the Plaintiff Klausner Technologies, Inc. and Defendant Citrix Systems, Inc., and respectfully move the Court to dismiss this cause of action between them, and in support thereof would respectfully show the Court as follows:

All matters in controversy between Klausner Technologies, Inc. and Citrix Systems, Inc. have been settled and compromised, and these parties therefore jointly move to dismiss all causes of action asserted or which could have been asserted in this suit, with prejudice to the right to pursue any such claims in the future, provided, however, if Citrix is sued for infringement of the patents-in-suit -i.e. U.S. Patent Nos. 5,572,576 and 5,283, 818 – Citrix may

challenge infringement as well as the scope, ownership, inventorship, validity and unenforceability of the patents.

These parties further move that all costs of court be assessed against the party who incurred them.

WHEREFORE, PREMISES CONSIDERED, these parties jointly pray that this action be dismissed with prejudice between them, with all costs of court being assessed against the party who incurred them.
