ORDER

Defendants' Joint Motion to Amend Docket Control Orders (Docket No. 222, Civil Action No. 6:09cv269 ("Softlayer") and Docket No. 142, Civil Action No. 6:09cv549 ("Red Hat")) is before the Court. Having considered the parties' submissions, the Court **GRANTS** in part and **DENIES** in part Defendants' motion.

As the *Softlayer* Defendants are in no way prejudiced by the deadlines under the current Docket Control Order (Docket No. 174, *Softlayer*), including the *Markman* hearing scheduled for October 7, 2010, the Court **DENIES** the motion as to the *Softlayer* Defendants.

However, in light of Bedrock's Amended Answer and Third Party Complaint (Docket No. 30, *Red Hat*), filed on March 26, 2010 and asserting crossclaims against fourteen additional defendants, the Court **GRANTS** the motion as to the *Red Hat* Defendants.

The Court hereby continues the *Markman* hearing in the *Red Hat* action to **March 10, 2011 at 9:30 a.m.** The Court **ORDERS** the parties in the *Red Hat* action to meet and confer and submit an agreed Amended Docket Control Order with a revised schedule of deadlines by **July 6, 2010.**

So ORDERED and SIGNED this 29th day of June, 2010.

LEONARD DAVIS

UNITED STATES DISTRICT JUDGE
