

entirety of the team of lawyers working on this case is located in the firm's Dallas office. As such, the weather hindered the ability of the team to coordinate with each other and the staff to adequately respond to all issues raised by Defendants.

In light of these circumstances, Bedrock hereby moves for an extension of Bedrock's time to respond to Defendants' Objections to Report and Recommendation of United States Magistrate Judge. Specifically, Bedrock requests an extension of time up to and including February 14, 2011. In light of the fact that Defendants will also be receiving Bedrock's response to Defendants' Motion for Reconsideration and Objections to Memorandum Opinion & Order on Claim Construction on that day, Defendants will not be prejudiced by such an extension. This request is not made for the purposes of delay but is made in the interests of justice.
