CASE NO. 6:09-cv-269-LED

Jury Trial Demanded

JOINT STIPULATION ORDER

Plaintiff, Bedrock Computer Technologies LLC, and Defendants SoftLayer Technologies, Inc., Google Inc., Yahoo! Inc., MySpace, Inc., Amazon.com Inc., Match.com, Inc. and AOL Inc. (collectively the “Parties”), filed their Joint Motion For Entry of Stipulation of the Parties. The Court, having reviewed the Joint Motion, and being well-advised, finds that the motion should be GRANTED. It is therefore

ORDERED that

(1) The Parties will address the question of invalidity of the '120 patent under a presumption of validity and under the preponderance of evidence standard. The Parties will not mention the clear and convincing evidence standard regarding invalidity. The Parties will not mention that the presumption of validity does not apply. The Parties will not mention to the jury that the law on invalidity has changed over time.

(2) No Party may use this Stipulation at trial or admit this Stipulation into evidence.

SO ORDERED.

So ORDERED and SIGNED this 23rd day of March, 2011.

JOHN D. LOVE
UNITED STATES MAGISTRATE JUDGE
