**GOOGLE INC.’S AND YOUTUBE, LLC’S NOTICE OF ESTIMATED TRIAL TIME**

Defendants Google Inc. (“Google”) and YouTube, L.L.C. (“YouTube”) hereby submit their notice of estimated time for jury selection and for trial in this matter. Google and YouTube propose the following times per side in a trial of Google and YouTube alone: one (1) hour for voir dire, one (1) hour for opening statements, eighteen (18) hours for direct and cross examinations, and one (1) hour for closing arguments. Should the Court combine Google and YouTube with other defendants for voir dire and trial, Google and YouTube respectfully submit that additional time will be required for the combined defendants depending on a number of factors including the total number of defendants, accused products, and asserted claims that will be tried in any such combined trial. Google and YouTube reserve their rights to amend this submission in response to the Court’s rulings regarding trial organization.
