**DEFENDANT CDW LLC'S TRIAL WITNESS LIST**

Defendant CDW LLC (“CDW”), pursuant to the Court’s Docket Control Order entered in this case, files this Trial Witness List for identification of trial witnesses. The designations of whether a witness “will be called to testify at trial” or “may be called to testify at trial, or who may be presented by deposition testimony” are based on information currently available to CDW and may change based on events between the time of this filing and the time at which these witnesses may be called. CDW further reserves the right to call any other witness deposed by Eolas, identified on Eolas’s witness list, identified on any other defendant’s witness list, or necessitated by the Court’s claim constructions. CDW further reserves the right to call any witnesses necessary to authenticate materials CDW relies upon at trial where the authenticity or date of the materials are disputed by Eolas. CDW also reserves the right to object on any ground to the admissibility of the trial testimony of the witnesses on any party’s witness list and further reserves its right to move for the exclusion of such testimony.
