EXHIBIT I

you not to answer, you still have to answer the 10:07:59 question. But they're usually used for court later on 10:08:00 to decide what should be in the record and what should 10:08:04 not be in the record if only the transcript is used at 10:08:06 trial.

10:08:09
You understand you are under oath?
10:08:10
A. Yes, I do. 10:08:12
Q. Is there any reason you can't give your best 10:08:13 testimony today?

10:08:16
A. No.

10:08:18
Q. Are you on any medication or any other -- 10:08:19
A. No. I'm recovering from a cough, so I 10:08:20 apologize.

10:08:22
Q. We can work with that. 10:08:23

What did you do prepare for your deposition 10:08:24
today?
10:08:26
A. I met with my attorney.

10:08:27
Q. When?

10:08:28
A. Last week. 10:08:30
Q. How long did you meet with your attorney? 10:08:31

MR. KAO: So just instruct you, don't reveal 10:08:34 any attorney-client communications or the substance. 10:08:37 You can tell him roughly. 10:08:41

THE DEPONENT: I think it was an hour or two. 10:08:45
Q. (By Mr. Wolff) Okay. And before you met 10:08:47

Page 14
(Whereupon, Exhibit 1 was marked for 10:09:38 identification.) 10:09:38
Q. (By Mr. Wolff) Do you recognize what's been 10:09:48 marked as Exhibit 1? 10:09:49
A. Do I recognize what?

10:09:52
Q. What's been marked as Exhibit 1?

10:09:53
A. Yes.
10:09:55
Q. And how is it that you recognize it?

10:09:56
A. I received it. 10:09:58
Q. Okay. And did you collect documents using 10:10:00
this subpoena as a guide?
10:10:02
A. Yes. 10:10:05

Collect documents? I mean -- 10:10:07
Q. Yes. 10:10:09
A. -- I uncovered them from my garage. 10:10:09
Q. Okay. All right. And is your address 10:10:12
correct on Exhibit 1? 10:10:15
A. One moment. Yes. 10:10:21
Q. And what is your date of birth? 10:10:28
A. 8-14-63.

10:10:30
Q. You did collect quite a bit of materials, $\quad \mathbf{1 0 : 1 0 : 4 0}$ electronic information. You said you found that in 10:10:43 your garage?

10:10:45
A. Yes.
10:10:46
Q. Where was it that you found it in your 10:10:47

Page 16
garage? Did you have a box of old material or multiple 10:10:49 boxes? 10:10:52
A. Yes. I have many boxes of material. 10:10:53
Q. Okay. And you turned all that over to the -- 10:10:55
what, I can't remember, FedEx Kinko's? 10:11:00
A. That's right.
10:11:03
Q. And then you were -- were you provided a copy 10:11:05
of those materials by FedEx Kinko's -- 10:11:07
A. Yes.
10:11:12
Q. -- after you...
10:11:12

And did you look through the materials that 10:11:12
you got from FedEx Kinko's, and did they appear to be 10:11:14 all the materials that you turned over to them? 10:11:17
A. Yes. I actually didn't look very closely at 10:11:19
the copies that I received from them. I had already $10: 11: 21$ looked at the originals. 10:11:23
Q. Okay. And the materials that you collected, 10:11:24 were those materials that had been in your possession 10:11:25 since the date on the documents and materials? 10:11:27
A. Yes.
10:11:32
Q. And how far back did those materials go? 10:11:33
A. The ones I turned over to you, they go back 10:11:36
to -- well, actually, there was a few from my time at 10:11:39
UCLA, which predated my time at U.C. San Francisco. I 10:11:44
believe those go back to 1990 or even '91. 10:11:49 Page 17

| A. Yes. |  |  |
| :--- | :--- | :--- |
| Q. And were they technical articles, like CNET | 10:25:22 |  |
| 10:25 |  |  |
| articles? | 10:25:25 |  |
| A. Yes. | $10: 25: 26$ |  |
| Q. Okay. And were there interviews of Mr. Doyle 10:25:26 |  |  |

A. Yes. 0.25.32
Q. And did you think at that time I might be an 10:25:32
inventor on this patent? 10:25:35
A. Yes. 10:25:36
Q. Did you seek counsel of anything? $\quad 10: 25: 37$
A. No. 10:25:39

MR. KAO: Let's take another break with my 10:25:44 client. 10:25:47

MR. WOLFF: Okay. 10:25:48
THE VIDEOGRAPHER: We are off the record at 10:25:49
10:25 a.m. 10:25:51
(Recess taken.) 10:25:52

THE VIDEOGRAPHER: We are back on the record 10:30:27 at 10:30 a.m.

10:30:28
You may proceed.
10:30:30
MR. KAO: I'm going to reserve a little bit 10:30:34
of time. I might ask a couple of questions at the end 10:30:35
of this deposition.
10:30:37
Page 28

MR. WOLFF: Okay.
10:30:40
MR. KAO: Try to plan for that. 10:30:40
MR. WOLFF: So if we -- yeah. Certainly, 10:30:42
it's going to be a long day --
10:30:42
MR. KAO: Sure.
10:30:45
MR. WOLFF: -- if we're taking breaks every 10:30:45
few minutes.
10:30:46
MR. KAO: Sure.
10:30:47
MR. WOLFF: So it would be nice if we could 10:30:47 take a break about every hour or so, but I appreciate 10:30:48 that sometimes you will have some conferences and -- $10: 30: 50$ MR. KAO: Sure. 10:30:52

MR. WOLFF: -- you need to caucus with your 10:30:53 client.

$$
10: 30: 56
$$

Q. (By Mr. Wolff) Before the break I was asking 10:30:56 you whether you had followed the litigation with $\quad$ 10:30:58 Microsoft, and you indicated that you had. 10:31:01

I had asked if you thought at that time that 10:31:03 you might be an inventor on the patent or patents, $\quad 10: 31: 06$ whatever it was you knew about at the time. 10:31:10

Do you have any -- and I think you indicated 10:31:14 yes, you thought you were; is that correct? 10:31:16
A. Yes.
10:31:18
Q. Do you need to change that testimony?
10:31:18
A. No. 10:31:21

Page 29

| Q. Do you have any agreement with Eolas or with 10:31:26 | Q. And you have a BA in computer science? 10:35:45 |
| :---: | :---: |
| the McKool Smith law firm right now? 10:31:2 | A. |
| A. No. 10:31:3 | Q. And you received that in 1987? 10:35:50 |
| Q. Are there still discussions between you and 10:31:3 | A. Yes, I did. 10:35:53 |
| Eolas or Eolas' lawyers about your inventorship claim? 10:31:35 <br> A. I don't understand. 10:31:42 | Q. And you took some additional certification or 10:35:54 training classes relating to computer science 10:35:57 |
| Q. Are you still having discussions since you 10:31:43 | techniques? 10:36:00 |
| last spoke or last talked with anybody from Eolas was 10:31: | A. Yes. 10:36:01 |
| when? 10:31 | Q. And those would be listed under your 10:36:02 |
| A. Nothing. We have no scheduled meetings 10:31:5 | education? 10:36:0 |
| planned. | A. Sorry. 10:36:1 |
| Q. So the last thing that was sent would have 10:31:5 | MR. KAO: Objection. Document speaks for 10:36:14 |
| been your e-mail to Mr. Doyle around September 2nd. 10:31:59 | itself. 10:36:17 |
| A. Yes. 10:32:03 | THE DEPONENT: Yes. 10:36:19 |
| Q. Do you know whether your counsel has had any 10:32:04 conversations with Eolas since that time? 10:32:06 | Q. (By Mr. Wolff) Your work history, are the 10:36:19 dates generally accurate with your work history in 10:36:23 |
| A. No. 10:32:10 | Exhibit 2? 10:36:2 |
| Q. You don't know that he has one way or the 10:32:11 | A. I believe so. 10:36:34 |
| other, or you know that he hasn | Q. And you worked at UCLA from 1989 to 1992? 10:36:36 |
| A. He has not informed me of any conversations | A. Yes. 10:36:44 |
| that he has had with them | Q. As well as another period between 1997-- 10:36:50 |
| M | 1987 and 1988? 10:36 |
| what's bee | A. No. 10:37:0 |
| (W | Q. I'm sorry. U.C. Santa Cruz. 10:37:08 |
| identification.) 10:32:26 | A. That's right. 10:37:11 |
| Page 30 | Page 32 |
| Q. (By Mr. Wolff) Do you recognize what has | Q. 1987 to $1988.10: 37: 12$ |
| been marked as Exhibit 2? 10:32:43 | hen you worked for UCLA, what was the nature 10:37:16 |
| A. No. 10:32:50 | of the work you were doing? 10:37:1 |
| Q. This a document bearing Bates Nos. CM001044 10:32:54 | A. I could just read the description. 10:37:21 |
| through CM001046. 10:32:58 | Q. Is the description accurate? 10:37:22 |
| MR. KAO: Take your time to review the 10:33:0 | A. Yes, of course. 10:37:24 |
| document as needed. 10:33:05 | Q. Were you setting up Web servers on the UCLA 10:37:27 |
| THE DEPONENT: I will need a few minutes. 10:33:06 | Website? 10:37:33 |
| $\text { Q. (By Mr. Wolff) Actually, I'm not so } \quad 10: 33$ | A. I don't believe there was a Web server in 10:37:35 |
| interested in the first page, mostly the second page 10:33:20 | existence at that time. Well, I'm sorry, the CERN 10:37:3 |
| with your -- with your resume on it. 10:33:2 | server may have been in existence. I -- so no. 10:37:41 |
| But take your time, review whatever it is you 10:33:25 | Q. Did you attend any conferences between 1989 10:37:45 |
| think you need to familiarize yourself with the 10:33:31 | and 1992? 10:37:49 |
| material. 10:33:34 | A. I must have. I don't recall specific 10:37:56 |
| Do you recognize Exhibit 2? 10:35:28 | conferences. 10:37:59 |
| A. Yes. 10:35:30 | Q. Did you attend any SIGGRAPH conferences? 10:38:01 |
| Q. Does it appear to be -- mostly, I'm referring 10:35:31 | A. No. 10:38:05 |
| to the second page that begins -- is this a resume on 10:35:33 | Q. How about any USENIX conferences? 10:38:06 |
| the second page? 10:35:35 | A. No. 10:38:11 |
| A. Do I recognize it? 10:35:38 | Q. How about Computer Graphics and Applications? 10:38:11 |
| Q. Yes. 10:35:39 | A. Say again, please. 10:38:15 |
| A. Yes. 10:35:40 | Q. Computer Graphics and Applications, IEEE CGA? 10:38:16 |
| Q. And does this appear to be your resume that 10:35:40 | A. It's possible. 10:38:23 |
| starts on the second page of Exhibit 2? 10:35:42 | Q. Why do you say it's possible? 10:38:24 |
| A. Yes. 10:35:44 | A. Because I would have done that in the course 10:38:25 |

Page 34
A. I don't know. 10:39:39
Q. What kind of things did you use the

10:39:44
workstations for? 10:39:46
A. To assist me in administering to communicate 10:39:53 my job and to play, to educate myself. 10:39:58
Q. How did you educate yourself on the 10:40:04 workstations? 10:40:06
A. I explored the freely available software on 10:40:07 the Internet. Installed things that were interesting 10:40:12 or seemed useful. I played with things that were 10:40:17 interesting. 10:40:26
Q. All right. Did you install software on the 10:40:27 NeXt computer?

10:40:30
A. Yes.

10:40:30
Q. What sort of software did you install on 10:40:31 there? 10:40:34
A. I believe I installed Mathematica. I 10:40:38 installed the WorldWideWeb browser. 10:40:43
Q. Tim Berners-Lee's browser? 10:40:52
A. Yes. Uh-huh.

10:40:57
I believe there were other packages. I'm not 10:40:58 entirely sure.

10:41:00
Q. And where did you get the other packages? 10:41:01
A. Off the Internet. 10:41:03
Q. You went into FTP sites and downloaded them 10:41:04
and installed them?
10:41:06
A. Yes.
10:41:08
Q. Do you recall a package called MediaView? 10:41:09
A. No, I don't.

10:41:11
Q. Okay. But you would have installed them $\quad$ 10:41:12
on -- whatever it is you found on the Internet, you 10:41:16
would have installed them on the various workstations $10: 41: 18$ that would have been available to you personally. 10:41:21
A. Yes.
10:41:23
Q. What can you tell me about when you first $10: 41: 28$
learned of Adobe? 10:41:33
MR. KAO: Objection. 10:41:37
THE DEPONENT: Adobe Corporation? 10:41:38
Q. (By Mr. Wolff) Yes.
10:41:40
MR. KAO: You can answer.
10:41:41

THE DEPONENT: I don't know. You know, it 10:41:47
seems like it's been with me all my life. I don't -- I 10:41:52
don't honestly know the first time I heard of Adobe 10:41:55
Corporation.
10:41:59
Q. (By Mr. Wolff) Would you have been at UCLA? 10:41:59
A. I would think so, yes. 10:42:01
Q. So before you joined UCSF. 10:42:03
A. Yes. 10:42:07
Q. And you joined UCSF on what date? 10:42:07 Page 36
A. I believe I received notice from David Martin 10:42:12
in December of 1992. I interviewed, I think, in 10:42:14
November of $1992 . \quad$ 10:42:18
Q. And then you came on around January -- 10:42:19
A. My start --
10:42:21
Q. -- or February?
10:42:22
A. I'm sorry.
10:42:23

My start date was February 1st -- $\quad 10: 42: 24$
Q. Okay.
10:42:26
A. -- 1993.
10:42:27
Q. Okay. So before you went to UCSF you were 10:42:28
aware of Adobe. 10:42:31
Do you know what products you were aware of? 10:42:34
A. PostScript. I think that may have been it. $10: 42: 36$ PostScript. 10:42:43
Q. Had you ever used a product called PageMaker? 10:42:46
A. I'm trying to remember the first time I heard 10:42:51
of PageMaker. I think it was -- I had not heard of it 10:42:54
at that point. 10:42:59
Q. Do you remember a company called Aldus?

10:42:59
A. Yes. I remember the name.
10:43:03
Q. What were some of the -- the products that 10:43:06

Aldus made? 10:43:08
A. Was it PageMaker or -- I don't know. I am 10:43:11
reminded by your question that perhaps Adobe acquired 10:43:16
Page 37

1993

    Q. How about MacroMind?
    
    10:44:37
    A. No. 10:44:39
Q. Did you ever hear of a Macromedia or
MacroMind product called Director?
A. Yes. ..... 10:44:47
Q. When did you first hear of Director? 10:44:48
A. I don't know. I think it would have been ..... 10:44:54later than asking.10:44:59
Q. You don't recall any -- knowing anything 10:44:59about it prior to 1993?
10:45:02

$$
\text { A. No. It was not my -- it was a tool for } 10: 45: 03
$$

$$
\text { graphic designers I think that -- and I was not a } \quad \text { 10:45:10 }
$$

$$
\text { graphic designers. } \quad 10: 45: 14
$$

MR. WOLFF: I will have the reporter mark as 10:45:15 the next exhibit, 3 , a document that we extracted out 10:45:17 of the materials that you sent to us. 10:45:21
(Whereupon, Exhibit 3 was marked for 10:45:22 identification.) 10:45:23
Q. (By Mr. Wolff) Now, you produced, I think, 10:45:40 some tarballs or something of your mail that you had 10:45:42 from UCSF?

10:45:47
A. Yes.
10:45:49
Q. And in those tarballs were some -- I think

10:45:49
Page 39
they are called the "Inboxes" or "Inboxes." 10:45:52

## Do you know?

10:45:56
A. There's I think a folder called "Inbox." 10:46:02
Q. And the inbox that you had in the tarballs 10:46:05
that you produced, they were your e-mails from your 10:46:07 time at either UCSF or prior to that time that was in 10:46:12 archive from UCLA; is that right? 10:46:15
A. Yes.
10:46:18
Q. Okay. Do you recognize what's been marked as 10:46:19

Exhibit 3? 10:46:21
A. I haven't had a chance to examine it yet. 10:46:22 No, I don't recognize it. 10:47:12
Q. Do you think it would be an e-mail that you 10:47:13
would have had a record of? 10:47:15
A. Yes. It was sent to a mailing list that I 10:47:17
was a member of at that time. 10:47:21
Q. And what was that mailing list? 10:47:23
A. ISSG.

10:47:24
Q. And what does that stand for? $\quad 10: 47: 24$
A. Innovative Software and Systems Group. 10:47:25
Q. And where was that group? 10:47:29
A. That was the group I belonged to at U.C San 10:47:30

Francisco Library and Center for Knowledge Management. 10:47:33
Q. And who is D.C. Martin?

10:47:37
A. He was my manager at U.C. San Francisco. 10:47:40

Page 40
Q. Is D.C. Martin his alias or his e-mail 10:47:41
address?
10:47:43
A. Yes.

10:47:45
Q. And who is Doyle?

10:47:46
A. Mike Doyle was the director of -- he was 10:47:49
my -- he was David Martin's boss. 10:47:53
Q. Were they both members of the ISSG mailing $10: 47: 55$

## list.

10:47:58
A. Yes.

10:47:58
MR. WOLFF: I'll have the reporter mark as $10: 48: 12$
next exhibit, Exhibit 4, a document with Bates Label 10:48:14
CM001394 through CM001396.
10:48:17
(Whereupon, Exhibit 4 was marked for 10:48:21
identification.) 10:48:23
Q. (By Mr. Wolff) Do you recognize what's been 10:48:43 marked as Exhibit 4?

10:48:45
A. Not particularly.

10:48:56
Q. Do you recognize or recall that this was part 10:48:58
of the paper materials that you turned over to the copy 10:49:00 center?

10:49:02
A. It -- it does seem -- it looks familiar. 10:49:03
Q. Do you see that at the top, where it says, 10:49:06
"Acrobat Exchange leaps over file-format hurdles"? 10:49:09
A. Yes.
10:49:14
Q. Do you recall looking into the Adobe Acrobat 10:49:14

Page 41

| $\begin{array}{cc}\text { product and the file-format issues in 1993? } & \mathbf{1 0 : 4 9 : 2 0} \\ \text { A. I don't understand part of your question. } & 10: 49: 24\end{array}$ <br> Q. Were you looking at Adobe Acrobat in 1993? 10:49:27 <br> A. Yes. 10:49:32 <br> Q. Why were you looking at Adobe Acrobat? <br> 10:49:32 <br> A. To fulfill my duty at U.C. San Francisco 10:49:36 <br> and -- which was to provide information systems for the 10:49:41 university community. $10: 49: 46$ <br> Q. And how did Acrobat fit into that? <br> A. One of the unique characteristics of Acrobat, 10:49:55 <br> which we were -- I thought particularly was interesting 10:49:58 was that it allowed for consistent display between a $10: 50: 01$ screen and print format. You see the same thing on the 10:50:11 screen as in print. 10:50:16 <br> Q. Is Exhibit 4 something you would have 10:50:18 received from a public source? 10:50:20 <br> A. It's clearly a -- yes. 10:50:26 <br> Q. And what was the source? 10:50:29 <br> A. I don't recall. 10:50:31 <br> Q. Was it MacWEEK? <br> A. It could have been. I don't know. <br> Q. If you turn to the top of the second page, do 10:50:41 you see where it says, "MacWEEK" -- 10:50:48 <br> A. Yes. 10:50:50 <br> Q. -- "07.12.93"? <br> 10:50:50 <br> Page <br> A. Yes. 10:50:53 <br> Q. Do you recognize what that indicates? <br> 10:50:54 <br> A. Yes. 10:50:57 <br> Q. What does it tell you? 10:50:57 <br> A. It was published in MacWEEK on that date. 10:50:59 <br> Q. And what was MacWEEK? <br> 10:51:02 <br> A. Industry periodical. 10:51:03 <br> Q. And did you subscribe to it at that time? 10:51:06 <br> A. No. 10:51:09 <br> Q. How was it that you came across this article; 10:51:09 do you know? 10:51:12 <br> A. No, I don't. I -- I don't know. 10:51:14 <br> Q. Do you know why you saved it? 10:51:15 <br> A. No. I may have picked it up at a trade show. 10:51:31 <br> Q. Were you attempting to become a beta tester $10: 51: 44$ for Acrobat in the 1993 time period? <br> A. Yes. <br> 10:51:53 <br> Q. What were the circumstances of your beta <br> 10:51:53 testing? 10:51:55 <br> A. I'm -- I -- after meeting with an Adobe $10: 52: 05$ representative at a trade show that I attended with 10:52:14 David Martin, I followed up with an e-mail requesting 10:52:17 to be a beta tester. Because we thought it might be a 10:52:21 useful tool in our work at U.C. San Francisco. 10:52:26 <br> MR. WOLFF: We will mark as the next exhibit, 10:52:30 Page 43 | 5, a document with the Bates Labels CM001391 through 10:52:31 CM001393. <br> (Whereupon, Exhibit 5 was marked for 10:52:39 identification.) <br> Q. (By Mr. Wolff) Do you recognize what's been 10:53:02 marked as Exhibit 5? 10:53:03 <br> A. Yes. 10:53:05 <br> Q. Is this your handwriting on the top of <br> A. No. 10:53:08 <br> Q. Whose handwriting is that? <br> A. I don't recall. I don't recognize... 10:53:12 <br> Q. Do you know why you saved what's been marked 10:53:1才 as Exhibit 5? 10:53:19 <br> A. Because it described Acrobat and we were interested in using it. 10:53:28 <br> Q. Do you recall who John Dawes is? <br> 10:53:33 <br> A. No. I believe he was the person at the trade $10: 53: 46$ show I talked to. 10:53:47 <br> Q. Would he be the person you sent the e-mail 10:53:48 to? 10:53:51 <br> A. I don't recall the name. Yes, I would guess 10:53:51 so. 10:53:53 <br> Q. Were you interested in getting your hands on 10:53:53 a copy of Acrobat at that time? 10:53:55 <br> A. Yes. 10:53:57 <br> Q. Do you recall what Acrobat's relationship or $10: 54: 03$ the PDF file format's relationship was to the $10: 54: 05$ PostScript file format? 10:54:09 <br> A. What the relationship was? 10:54:15 <br> Q. Yes. <br> 10:54:16 <br> A. PDF was a follow-on to PostScript with $10: 54: 25$ enhancements. 10:54:28 <br> Q. Anything else? 10:54:29 <br> A. No. I don't understand what you are looking 10:54:31 for. 10:54:34 <br> Q. You don't recall anything else -- <br> 10:54:34 <br> MR. KAO: Can you -- <br> Q. (By Mr. Wolff) -- about the PDF file format? 10:54:37 <br> MR. KAO: Would you mind repeating the 10:54:40 <br> question, regarding relationship. <br> 10:54:42 <br> (Record read as follows: $10: 54: 42$ <br> "QUESTION: Do you recall what <br> 10:54:03 Acrobat's relationship or the PDF <br> 10:54:04 <br> file format's relationship was to the <br> 10:54:07 PostScript file format?") <br> 10:54:09 MR. KAO: Thank you. <br> 10:54:46 <br> Q. (By Mr. Wolff) Same answer? <br> 10:55:10 <br> 10:55:17 <br> Q. Do you receive -- do you recall receiving any 10:55:18 |
| :---: | :---: |

technical literature from Adobe about the Acrobat file 10:55:18 format?

10:55:24
A. Other than this?

10:55:25
Q. Yes.

10:55:26
A. No.

10:55:30
Q. Do you recall receiving a book on the Acrobat 10:55:32
file format?
10:55:34
A. No.

10:55:40
MR. WOLFF: I'm going to grab a copy of the $10: 55: 42$ book real quick. Let's stay on the record. 10:55:43
Q. (By Mr. Wolff) I will just show you a book. 10:56:01 I won't enter it as an exhibit. 10:56:02

This is a book entitled "Portable Document 10:56:03 Format Reference Manual by Adobe Systems, 10:56:04 Incorporated." 10:56:08

Just take a look at that and see if -- you 10:56:09 don't have to look at the tabs or anything like that, 10:56:11 just see if you recognize the book or having ever 10:56:13 printed out a -- a PDF copy of that book. 10:56:16
A. I don't believe so.
10:56:21

MR. WOLFF: This was bearing document Bates 10:56:23 Label ADBE0195521

10:56:25
Mark as the next exhibit a copy of some pages 10:56:36
from the Portable Document Format reference manual. 10:56:39
(Whereupon, Exhibit 6 was marked for 10:56:43 Page 46
identification.)
10:56:43
Q. (By Mr. Wolff) Now, this is just some select 10:57:20 pages from the manual, Exhibit 6 is. 10:57:21

If you just flip through them real quick and 10:57:24 tell me whether or not you recall ever looking at any 10:57:27 of these pages in the reference manual. $\quad 10: 57: 29$
A. To be honest, I don't need to look at this to 10:57:47 know that I didn't see it. 10:57:50
Q. Okay. Easy enough. You can put it down. 10:57:52

MR. WOLFF: I will mark as Exhibit 7 another 10:58:06 document we received from you. 10:58:08 (Whereupon, Exhibit 7 was marked for 10:58:08 identification.) 10:58:09
Q. (By Mr. Wolff) Do you recognize what's been 10:58:34 marked as Exhibit 7? 10:58:36
A. Yes. 10:58:37
Q. How is it that you recognize it? 10:58:39
A. I remember sending it.

10:58:41
Q. This is your e-mail address at the top where 10:58:45 it says, "From"?

10:58:48
A. Yes.

10:58:49
Q. And jdawes@adobe.com, does it refresh your 10:58:50 recollection as to who it was you sent the message to 10:58:55 before? 10:58:58
A. Of course.

10:58:59

| Q. And who was that? | $\mathbf{1 0 : 5 9 : 0 0}$ |
| :--- | :---: |
| A. J. Dawes. | $10: 59: 01$ |
| Q. John Dawes? | $\mathbf{1 0 : 5 9 : 0 2}$ |
| A. John Dawes, yes. | $10: 59: 03$ |

Q. And you recall meeting him at a conference; 10:59:04 is that correct?

10:59:07
A. Not specifically. I know that I met someone 10:59:08 and used that as a means to follow up. 10:59:12
Q. And what was the purpose of sending what's 10:59:13 been marked as Exhibit 7?

10:59:15
A. I believe it is clear in the document itself. 10:59:19

The purpose was to obtain or become a beta site for 10:59:22
Acrobat so that we could leverage it in our work at 10:59:30
U.C. San Francisco. 10:59:35
Q. Do you recall whether you ultimately became a 10:59:35
beta site at UCSF? 10:59:38
A. I do recall.

10:59:40
Q. And when was that?

10:59:41
A. No, we did not become one.

10:59:42
Q. You did not?

10:59:44
A. Not while I was there. I don't believe I 10:59:44
ever received a response. 10:59:50
MR. WOLFF: Marked as the next exhibit 10:59:53
another document we received from you, dated May 17th, 10:59:55
1993.

10:59:59
Page 48
(Whereupon, Exhibit 8 was marked for 10:59:58 identification.) 10:59:59
Q. (By Mr. Wolff) Do you recognize what has 11:00:20 been marked as Exhibit 8?

11:00:22
A. Yes, I do.
11:00:23
Q. What is it?
11:00:24
A. Excuse me?
11:00:25
Q. What is it?
11:00:26
A. It's the response to the prior document. 11:00:26
Q. And you don't recall whether you actually 11:00:28 became a beta site at UCSF.

11:00:30
A. Yes.
11:00:35
Q. Were you trying to encourage the UCSF to 11:00:40 become a beta site for Acrobat?

11:00:44
A. Yes.
11:00:47
Q. Who was it that you worked with to try to do 11:00:48 that? 11:00:51
A. I think this is the extent of my efforts, so 11:00:57
it would have been John Dawes. 11:01:01
Q. Anyone at UCSF also working on this? 11:01:02
A. David Martin. 11:01:05

MR. WOLFF: Marked as the next exhibit, 9, an 11:01:06
e-mail dated June 2nd, 1993.
11:01:10
(Whereupon, Exhibit 9 was marked for 11:01:14
identification.) 11:01:14

| Q. (By Mr. Wolff) Do you recognize Exhibit 9? 11:01:24 | Acrobat? 11:03:41 |
| :---: | :---: |
| A. Yes. 11:01:26 | A. Apparently. 11:03:42 |
| Q. How do you recognize it? 11:01:27 | Q. It refreshes your recollection, right? 11:03:44 |
| A. It has my name on it. 11:01:29 | MR. BUDWIN: Objection. Form. 11:03:48 |
| Q. Does it have your e-mail address, too? 11:01:31 | ou can answer. 11:03:49 |
| A. Yes. 11:01:34 | DEPONENT: Yes. 11:03:51 |
| Q. Do you believe it's a document from June 2nd, 11:01:34 | Q. (By Mr. Wolff) And why were you continuing 11:03:51 |
| 1993? 11:01:37 | to ask Mr. Martin about the Acrobat beta agreement? |
| A. Yes. 11:01:38 | A. As I recall, he liked to keep some things to 11:04:04 |
| Q. And were you sending it to David Martin? 11:01:39 | himself. He kind of wanted to be the business guy, you 11:04:08 |
| A. Yes. 11:01:41 | know. I was preoccupied with the technical details, 11:04:16 |
| Q. And you were copying Mark. Who was Mark? 11:01 | the things that I was working on. 11:04:19 |
| A. Mark Sullivan. 11:01:44 | So that was part -- that was his 11:04:21 |
| Q. And what did he do? 11:01:46 | responsibility. So I was following up with him about 11:04:24 |
| A. He was a colleague in our group. 11:01:47 | 11:04:27 |
| Q. What did he work on? 11:01:51 | Q. Now, in Exhibit 9 you copied Mark Sullivan, 11:04:27 |
| A. WAIS indexing. The WritePages beta test 11:01:52 | but in Exhibit 10 you copied David Martin -- I'm 11:04:31 |
| program. Piece of software. 11:02:04 | sorry -- you copied Michael Doyle. 11:04:34 |
| Q. What was the purpose of your sending Exhibit 11:02:10 | Why did you copy Mr. Doyle in Exhibit 10? 11:04:38 |
| 9 to David Martin? 11:02:12 | A. I don't know. I think there must have been a 11:04:47 |
| A. To follow up to see whether he had received 11:02: | conversation or I had some reason to copy him. 11:04:49 |
| any communications that I had not been copied on. 11:02:19 | Q. A conversation with Mr. Doyle? 11:04:53 |
| Q. It says, "What is the status of the Adobe 11:02:23 | A. Yeah, it must have come up in a meeting or -- 11:04:55 |
| Acrobat beta agreement?" 11:02:26 | I don't know specifically. 11:04:57 |
| A. Yes. 11:02:28 | Q. Was Mr. Doyle Mr. Martin's supervisor? 11:05:01 |
| Page 50 | Page 52 |
| Q. Were you aware of a beta agreement at that | A. Yes. 11:05:04 |
| time? | Q. He was running the group that you were in, 11:05:04 |
| A. No. 11:02:3 | right? 11:05:08 |
| Q. You don't recall having received a beta 11:02:32 | A. He became director on June 1st. 11:05:08 |
| agreement from Adobe? 11:02:35 | MR. WOLFF: I will mark as the next exhibit, 11:05:30 |
| A. No. 11:02:37 | 11, a document from June 21st, 1993, again, that we 11:05:31 |
| Q. But you were trying to get a copy of it? 11:02:37 | received from you. 11:05:35 |
| A. I wanted to know if David had received any 11:02:40 | Whereupon, Exhibit 11 was marked for 11:05:35 |
| communications in response to these earlier e-mails. 11:02:4 | identification.) 11:05:36 |
| . WOLFF: We will mark as the next exhibit 11:02:52 | Q. (By Mr. Wolff) Do you recognize what's been 11:05 |
| a document from June 18th, $1993.11: 02: 54$ | marked as Exhibit 11? 11:05:49 |
| ereupon, Exhibit 10 was marked for 11:02:56 | A. Yes. 11:05:50 |
| identification.) 11:02:57 | Q. And how is it that you recognize it? 11:05:50 |
| Q. (By Mr. Wolff) So this is a couple weeks 11:03:16 | A. I see my name and David's name. 11:05:52 |
| after -- $\mathbf{1 6}$ days after the first message, and it's 11:03:17 | Q. Why does it say "Christopher.McRae"? 11:05:56 |
| another message from you to David Martin; is that 11:03:20 | A. I don't know. A -- I assume the network 11:06:00 |
| correct? 11:03:23 | administrator was playing with the mail system over 11:06:05 |
| A. Yes. 11:03:24 | time. 11:06:09 |
| Q. And you're copying Mr. Doyle? 11:03:24 | Q. Okay. And so this is a message where 11:06:09 |
| A. Yes. 11:03:30 | Mr. Martin is sending you a response. 11:06:13 |
| Q. And you say here, "What is the status of the 11:03:31 | Do you believe that is in response to what 11:06:15 |
| Adobe beta agreement for Acrobat/PDF? Have we signed 11:03:31 | was marked as Exhibit 10? 11:06:16 |
| and returned it yet?" 11:03:36 | A. Yes. 11:06:19 |
| A. Yes. 11:03:37 | Q. Because it's got the same text from Exhibit 11:06:20 |
| Q. So were you aware of a beta agreement for 11:03:38 | 10, right? 11:06:22 |
| Page 51 | Page 53 |

A. Sure, the same subject.

11:06:24

Q. What was your reaction, if you recall, upon 11:06:32
receiving Exhibit 11?

11:06:34
A. I don't know. I imagine I shrugged. 11:06:43
Q. Shrugged because he was telling you -- asking 11:06:48 you why you asked him instead of Mike Doyle? 11:06:50
A. I don't recognize what you said in -- in this 11:06:56
e-mail.

## 11:06:58

Q. It says, "Thanks for your concern. No, Mike 11:07:00
hasn't sign it yet" -- or "Mike hasn't signed it"; is 11:07:03
that right? 11:07:07
A. Yes.

11:07:08
Q. Who is Mike?

11:07:08
A. Mike Doyle.

11:07:09
Q. And why does he say, "FYI, I will prompt Mike 11:07:10 as necessary"? 11:07:15
A. My understanding is the opposite of what you 11:07:15 had said; that he's telling me that I should be talking 11:07:17 to him and not to Mike. 11:07:21
Q. And why is that?

11:07:23
A. Because he was -- because he wanted to stick 11:07:24
to form in --
11:07:38
Q. What do you mean, "stick to form"? 11:07:39
A. -- an organizational structure. 11:07:40
Q. So Michael Doyle would have been the person 11:07:44 Page 54

Q. (By Mr. Wolff) Do you recognize what's been 11:09:08 marked as Exhibit 12? 11:09:09
A. Yes. 11:09:11
Q. How do you recognize it? 11:09:11
A. I see my name and I recall the response. I 11:09:14

Page 55
recall sending it.
11:09:17
Q. Why is it that you recall sending it? 11:09:18
A. Because I -- as I recall, I was happy that I 11:09:25 was able to respond to this public e-mail with some $\quad$ 11:09:28 information that apparently some other people didn't 11:09:34 have. It was an opportunity for me to contribute in a 11:09:37 sense.

11:09:42
Q. What was WWW-Talk?
11:09:42
A. It was a mailing list that we used to
11:09:45
collaboratively develop the WorldWideWeb. 11:09:50
Q. What do you mean, "a mailing list that we 11:09:53 used"? 11:09:56
A. Well, this is a library.ucsf.edu address. So 11:09:56 rather than subscribe to the global WWW-Talk list with 11:10:03 our personal e-mail addresses, we subscribed to this 11:10:14 alias, and then distributed e-mails internally. 11:10:17

So rather than signing up to the global list 11:10:23 with our own, we would sign up to the local list and it 11:10:25 was signed up to the global list. 11:10:28
Q. All right. And so www-talk@library.ucsf.edu 11:10:30 was a list local to UCSF, at least that alias was. 11:10:36
A. Yes.
11:10:43
Q. Would this message have been routed out to $11: 10: 44$ the larger list? 11:10:47
A. No. I think I misspoke when I said that 11:10:49 Page 56
earlier. Although Dave I assume in this case is Dave 11:10:54
Raggett. So I -- honestly, I'm confused by the "To" 11:11:00 line here.

11:11:06
Q. Could it be that messages that were sent to $11: 11: 08$ that alias were forwarded out to the rest of the group? 11:11:10

## MR. BUDWIN: Form.

11:11:15
THE DEPONENT: I would be surprised if it was 11:11:16 done that way. I don't recall that it was done that $11: 11: 18$ way. 11:11:20
Q. (By Mr. Wolff) Do you recall getting any 11:11:25 response back to your message?

11:11:26
A. I think that there was an e-mail thread. I 11:11:28
mean, I think there were some additional messages in 11:11:31 this thread. But I'm talking about on the WWW -- the 11:11:35 global WWW-Talk list.

11:11:39
Q. Who was responsible for just maintaining the $11: 11: 43$ local WWW-Talk list? 11:11:47
A. Well, our network administrator was -- his 11:11:53
name was Ben Chang, but he would have been following 11:12:02 whatever instructions David Martin was giving him in 11:12:05
this regard. 11:12:07
Q. Do you think Mr. Martin was on that list?

11:12:08
A. Yes.

11:12:11
Q. Do you think Mr. Doyle was on that list?

11:12:12
A. Yes.

11:12:14
Page 57

Q. (By Mr. Wolff) Do you recognize what's been 11:19:14 marked as Exhibit 15?

11:19:16
A. Yes.

11:19:17
Q. How do you recognize it?

11:19:19
A. By our names and the subject matter.

11:19:26
Q. By your name in the subject matter? 11:19:29
A. Our names, I said. 11:19:31
Q. Oh, and the subject matter.

11:19:32
A. And the header, yes.

11:19:33
Q. Okay. And McRae was, again, your e-mail 11:19:34 address.

11:19:38
A. Yes.

11:19:38
Q. Do you believe you received this message from 11:19:49 Mr. Martin on July 19th, 1993?

11:19:51
A. Yes.

11:19:54
Q. Do you have any idea why he was pointing out 11:19:57 Page 62

| lhat the software was catching interest in other |
| :--- |
| 11:19:57 |
| locations, too? |
| A. No. <br> 11:20:03 |
| Q. Do you recall Mr. Martin sending messages to |
| $11: 20: 03$ | the group or individuals on the WWW-Talk group about 11:20:17 the Acrobat software? 11:20:19

A. Not specifically, no. 11:20:32

MR. WOLFF: I will mark as the next exhibit a 11:20:39 document that Adobe produced in this case. It's the 11:20:41 preferred customer agreement for disclosure of Adobe 11:20:47 information, and ask you if you recognize it. 11:20:51 (Whereupon, Exhibit 16 was marked for 11:20:53 identification.) 11:20:53
Q. (By Mr. Wolff) Does Exhibit 16 refresh your 11:21:17 recollection as to whether you had ever seen the Adobe 11:21:19 agreement referred to in your earlier e-mails? 11:21:22
A. No, I never -- 11:21:25

MR. BUDWIN: Objection. Form. 11:21:26
THE DEPONENT: I never saw this, I don't 11:21:27

$$
\begin{array}{|l|}
\hline \text { believe. } \\
\hline
\end{array} 11: 21: 29
$$

MR. WOLFF: Okay. If you would like to take 11:21:29 a break, we can take a short break and then start up 11:21:39 again. 11:21:42

THE DEPONENT: Sure. 11:21:44
MR. WOLFF: Okay. 11:21:48
Page 63

THE VIDEOGRAPHER: This is the end of Disk 11:21:48
No. 1, Volume I. We are off the record at 11:21 a.m. 11:21:49
(Recess taken.) 11:21:54
THE VIDEOGRAPHER: This is the beginning of 11:29:33 Disk No. 2, Volume I. We are back on the record at 11:29:35 11:29 a.m. 11:29:38

You may proceed. 11:29:40
MR. WOLFF: I will have the reporter mark as 11:29:41
the next exhibit, 17 -- I thought I was going to have 11:29:44
her mark it, but it looks like a poor copy. 11:29:53
Well, it's actually a portion of a NeXTWORLD 11:29:57
article, and the content of the article is not so 11:30:02 important as -- as the picture. 11:30:05
(Whereupon, Exhibit 17 was marked for 11:30:06
identification.) 11:30:06
Q. (By Mr. Wolff) Did you subscribe to 11:30:28 NeXTWORLD Magazine? 11:30:30
A. No.

11:30:31
Q. Did you ever read it? 11:30:32
A. I think I probably -- I don't know. I don't 11:30:34 know.

> 11:30:39
Q. You don't know whether you did or you didn't? 11:30:39
A. No. I don't specifically remember reading a 11:30:42
copy of the NeXTWORLD. 11:30:45
Q. How did you get familiar with the operation 11:30:48 Page 64
of the NeXt computers you had at UCLA? 11:30:50
A. Direct experience, bundled documentation. 11:30:54
Q. Okay. On the last page of Exhibit 17 there's 11:30:58 a picture of Dick Phillips. 11:31:03

I have an idea of what your answer is, but do 11:31:11 you recognize Mr. Phillips? 11:31:15
A. No. 11:31:18
Q. Okay. And you said you did not attend 11:31:18

SIGGRAPH '92 in Chicago?
11:31:21

| MR. BUDWIN: Objection. Form. | 11:32:07 |
| :--- | :---: |
| MR. KAO: Vague and ambiguous. | 11:32:08 |

Q. (By Mr. Wolff) Did you avail yourself of the 11:32:08
library at UCSF or UCLA? 11:32:10
A. Yes.
11:32:12

MR. WOLFF: I can tell you the production 11:34:50 numbers. It's also in Dr. Phillips' report. 11:34:50

It's been marked as exhibits multiple times. 11:34:55
Q. (By Mr. Wolff) Do you recognize what's been 11:34:59 marked as Exhibit 18?

11:35:04
A. No.
11:35:05
Q. If you turn towards the back of the article. 11:35:06

Let's see if I can give you a page number. Sixteen 11:35:19
through 17. There are some screen captures. 11:35:24
A. Yes.
11:35:38
Q. And one, if you look on the right side 11:35:39 towards the middle, it says, "MediaView." 11:35:42
A. I see it.
11:35:45
Q. Okay. If you look at the application that's 11:35:46 shown in that screen capture where it says, 11:35:51
"MediaView," do you recognize it at all? 11:35:53
A. No.

11:35:57
Q. If you turn to the next page at the top. I 11:35:58 do appreciate that these are a little bit grainy. 11:36:03

Do you see the application shown in the left 11:36:07
top of the page?
A. Yes.

11:36:10
Q. Do you see where it says, "MediaView"? 11:36:12
A. Not really. It's not clear on the printout. 11:36:17 You are talking about this -- 11:36:27 Page 68

| Q. You don't recall -- | $\mathbf{1 1 : 3 6 : 2 8}$ |
| :--- | ---: |
| A. - this picture? | $11: 36: 28$ |
| Q. Yes, I am. | $\mathbf{1 1 : 3 6 : 3 0}$ |

You don't recall ever having reviewed Exhibit 11:36:31
18, right?
$\begin{array}{llc}\text { A. This exhibit, no. } & 11: 36: 35 \\ \text { Q. Yeah. Okay. } & \mathbf{1 1 : 3 6 : 3 7}\end{array}$
And what was your response earlier about 11:36:45
USENIX? Did you say you had attended some USENIX 11:36:51 conferences? 11:36:54
A. I believe my response was no. 11:36:55
Q. You had not. 11:36:57
Did you ever review USENIX papers? 11:36:58
A. Yes.

11:37:03
MR. WOLFF: I will have the reporter mark as 11:37:07
Exhibit 19 a USENIX paper entitled "MediaView: An 11:37:08
Editable Multimedia Publishing System Developed with an 11:37:12
Object-Oriented Toolkit" from USENIX Summer 1991. 11:37:15
(Whereupon, Exhibit 19 was marked for 11:37:18
identification.) 11:37:27
MR. WOLFF: I will give you a standing 11:37:28
request for Bates numbers, Josh. 11:37:30
MR. BUDWIN: Thank you. 11:37:34
Q. (By Mr. Wolff) Do you recognize what's been 11:37:35
marked as Exhibit 19? 11:37:43
Page 69
A. No. 11:37:44
Q. If you turn to the second page, page 2. It's 11:37:45
got a much cleaner screen shot of the MediaView system. 11:37:53
A. Yes.

11:37:57
Q. Does it refresh your recollection of ever

11:37:57
looking at or using the MediaView system? 11:37:59
A. I don't believe I ever saw it. 11:38:01
Q. What do you mean, you don't believe you ever 11:38:03 saw it?

11:38:07
A. I don't recall ever seeing MediaView. 11:38:07
Q. Do you recall being aware of MediaView? 11:38:10
A. No.

11:38:13
Q. Can you say one way or the other whether you 11:38:13 have ever looked at the MediaView system? 11:38:17
MR. BUDWIN: Form.
11:38:19

THE DEPONENT: I don't recall ever seeing it. 11:38:20
MR. WOLFF: We will mark as Exhibit 19 -- 11:38:35
MR. BUDWIN: Twenty.
11:38:40
MR. KAO: Twenty.
11:38:41
MR. WOLFF: I'm sorry. Twenty -- I'm glad 11:38:42
somebody is paying attention -- a document entitled "An 11:38:45 Interpersonal Multimedia Visualization System" by 11:38:47
Richard Phillips from the IEEE, Computer Graphics and 11:38:49 Applications Journal. 11:38:54
(Whereupon, Exhibit 20 was marked for 11:38:55
Page 70
identification.)

## 11:39:02

Q. (By Mr. Wolff) Do you recognize what's been 11:39:11 marked as Exhibit 20?

11:39:13
A. No. 11:39:14
Q. If you turn to the second page, Figure 1, 11:39:17
it's got another screen capture. It's been annotated. 11:39:20
And you referred earlier to Mathematica, 11:39:30
installing Mathematica on the NeXt machines? 11:39:33
A. Yes.

11:39:39
Q. What was Mathematica? 11:39:40
A. A system or software from -- well, for 11:39:45 research was it, or for math -- mathematicians to use 11:39:46 as a digital notebook.

11:39:49
Q. And do you recall what generally the 11:39:53 architecture was of Mathematica? Was it a client 11:39:59 server system?

11:40:02
A. I don't recall that. I recall it was 11:40:03 object-oriented in nature, but not client server. 11:40:06
Q. Could you put it on a network and have it as 11:40:10 a distributed --

11:40:12
A. Yes. 11:40:12
Q. -- server system?

## 11:40:13

A. But we did not have that version, I guess, of 11:40:14 the software installed or didn't have it set up that 11:40:16 way. It may have been in another part of our network. 11:40:19
Q. And this was at UCLA?
A. Yes.
11:40:30
Q. You didn't have NeXt boxes at UCSF, did you? 11:40:30
A. No.

11:40:39
Q. If you thumb through the pictures, let me 11:40:40
know if you -- if any refresh your recollection about 11:40:42 ever having seen the MediaView system.

11:40:45
A. No. I don't recognize any. 11:41:20

MR. WOLFF: I will have the reporter mark as 11:41:25
the next exhibit a publication from Communications of 11:41:27
the ACM from July 1991, entitled "MediaView with 11:41:29
General Multimedia Digital Publication System" by 11:41:33
Richard L. Phillips. 11:41:36
(Whereupon, Exhibit 21 was marked for 11:41:36
identification.) 11:41:37
Q. (By Mr. Wolff) Did you subscribe to the 11:41:46 Communications of the ACM?

11:41:49
A. No.
11:41:50
Q. Do you recognize what's been marked as 11:41:54

| Exhibit 21? | 11:41:56 |
| :---: | :---: |
| A. No. | $11: 41: 57$ |

Q. Thumb through the pages and turn to the third 11:42:02
page where Figures 1 through 4 are shown. 11:42:04
Do they refresh your recollection about ever 11:42:12
having seen or used the MediaView system? 11:42:14
Page 72
A. I don't recognize these pictures. 11:42:17
Q. Do you see the 3D house above Figure 4? 11:42:21
A. Yes.

11:42:24
Q. Do you see the slider bars around three sides 11:42:24
of it?
11:42:27
A. Yes. 11:42:28
Q. You don't recall looking at that before? 11:42:30
A. No. 11:42:33
Q. Can you say for certain that you've never 11:42:36
looked at the MediaView system before? 11:42:38
A. No.
11:42:41
Q. What makes you think you might have seen the $11: 42: 42$

MediaView system before? 11:42:45
MR. BUDWIN: Form.
11:42:48
THE DEPONENT: I don't think I have ever seen 11:42:50
it before.
11:42:51
Q. (By Mr. Wolff) Do you think you've ever read 11:42:52 anything about the MediaView system before? 11:42:54
A. No, I don't recall.
11:42:58

MR. WOLFF: I will mark as Exhibit 22 some 11:43:14
materials we -- we obtained from the W3C in a folder 11:43:21
called "History," dated 1992-11-03. 11:43:31
(Whereupon, Exhibit 22 was marked for 11:43:36
identification.) 11:43:20
Q. (By Mr. Wolff) Do you know --

Page 73

A. No. 11:49:04
Q. Do you think you may have seen Exhibit 24 11:49:16
before?MR. BUDWIN: Objection. Form.11:49:19THE DEPONENT: I don't recall ever seeing it 11:49:21
before.

11:49:22
Q. (By Mr. Wolff) How about the description of 11:49:23
the MediaView system; does it refresh your recollection 11:49:23as being familiar with the MediaView system in 1992 or 11:49:28
1993 time frame? 11:49:31
A. No. I don't see anything I recognize. 11:49:34
Q. Do you remember downloading any materials ..... 11:49:42
from the Purdue archive server about MediaView? ..... 11:49:43
A. No. 11:49:47
Q. You didn't or you don't recall? ..... 11:49:53
A. I don't recall. ..... 11:49:54
Q. So you might have downloaded stuff from the 11:49:54
Purdue server. ..... 11:49:57MR. KAO: Objection. 11:49:58MR. BUDWIN: Objection. Form. 11:49:59THE DEPONENT: That's two different 11:50:00questions. It's ambiguous. 11:50:03Did I download from this site or did I 11:50:05download MediaView? 11:50:08
Q. (By Mr. Wolff) Did you download anything 11:50:10Page 78
from the Purdue archive server? 11:50:11
A. I would have. ..... 11:50:14
Q. Did you download MediaView from the Purdue 11:50:15
archive server? ..... 11:50:18
A. I don't recall ever downloading MediaView ..... 11:50:20
Q. So you don't know whether you did it or you 11:50:21
don't whether you didn't do it, right? ..... 11:50:23MR. KAO: Objection.11:50:24
MR. BUDWIN: Objection. ..... 11:50:25THE DEPONENT: I don't recall. 11:50:26Q. (By Mr. Wolff) So you could have downloaded 11:50:26it, right? 11:50:27
MR. KAO: Same objections. ..... 11:50:29
MR. BUDWIN: Same objections. 11:50:31
THE DEPONENT: It was my job to download 11:50:31
software from the Internet and install it for use by 11:50:33our users. I downloaded many, many packages. 11:50:35(Whereupon, Exhibit 25 was marked for 11:50:47identification.) 11:51:05
Q. (By Mr. Wolff) Do you recognize what's been 11:51:18marked as Exhibit 25? 11:51:19
A. No. 11:51:38
Q. You don't recall anything about Exhibit 25 11:51:45
and the MediaView system? ..... 11:51:47
A. No. 11:51:49

MR. WOLFF: I will mark as the next exhibit, 11:51:58
26, an e-mail we received from you from September 8th, 11:52:00 1993.

11:52:03
(Whereupon, Exhibit 26 was marked for 11:52:04 identification.) 11:52:05
Q. (By Mr. Wolff) Do you recognize what's been 11:52:17
marked as Exhibit 26? 11:52:18
A. Yes.

11:52:19
Q. What is it? 11:52:20
A. It seems to be an e-mail from me to David 11:52:20

Martin. 11:52:24
Q. From September 8th, 1993? 11:52:26
A. Yes. That's what it says. 11:52:29
Q. You state in this message, "I know I have 11:52:33
seen this page before, but I don't know if you have. 11:52:36
At any rate, take a look at" -- and it provides a URL. 11:52:39 Then it continues, "In particular, see the MediaView 11:52:42 notes." 11:52:45

Does this refresh your recollection about 11:52:45 ever looking at the MediaView system? 11:52:48 MR. BUDWIN: Objection. Form. 11:52:50
THE DEPONENT: I don't recall ever seeing the 11:52:51 MediaView system. Apparently, I did. 11:52:53
Q. (By Mr. Wolff) Do you have any reason -- do 11:52:56
you know why you would have told Mr. Martin to go look 11:52:58 Page 80
at the MediaView system?
MR. BUDWIN: Same objections. 11:53:06
THE DEPONENT: I saw it as part of my job. 11:53:07
Q. (By Mr. Wolff) Why was it part of your job? 11:53:09
A. I -- we were crafting information systems for 11:53:11
the library, and I often found things that I thought 11:53:14 were of interest and shared them with David or others. 11:53:19
Q. And why would MediaView have been of 11:53:22 interest? 11:53:25
A. Well, I can only respond from what I have 11:53:29 seen today, that it was an information system, and 11:53:32 that's why it would have been of interest.

11:53:37
Q. It would have been of interest for particular 11:53:41 projects you were working at at UCSF? 11:53:43
A. I say, "In particular." Apparently, so. 11:53:47
Q. And why would you draw attention to MediaView 11:53:51
in your message to Mr. Martin? 11:53:53
A. I don't know why I was interested in that. 11:53:55
Q. And so you would have come across this link 11:54:00 at least by September 8th, 1993, but in this message 11:54:04 you say that you have seen this page before. 11:54:09
A. Yes.
11:54:15
Q. Do you know how far before? 11:54:18
A. I have no way of knowing when it was 11:54:23
published, but I did scan through the CERN Website when 11:54:25

I first discovered the WWW software.
11:54:35
Q. And what was the purpose of scanning through 11:54:41 the CERN Website? 11:54:43
A. To educate myself and discover whether 11:54:44 there's anything useful. 11:54:46

MR. WOLFF: We can take a break or I can go 11:54:52
to the next section. What do you want to do? 11:54:54
MR. KAO: What time is it? 11:54:57
MR. WOLFF: It's almost noon. 11:54:58
MR. KAO: Do you want to take -- should we 11:55:01
break for lunch then? 11:55:03
MR. WOLFF: We can do that. 11:55:05
THE VIDEOGRAPHER: We are off the record at 11:55:07
11:54 a.m. 11:55:09
(Recess taken.) 11:55:10
THE VIDEOGRAPHER: We are back on the record 12:44:56

| at 12:44 p.m. | $12: 44: 57$ |
| :---: | ---: |
| You may proceed. | $12: 45: 00$ |

Q. (By Mr. Wolff) Before we took a break for 12:45:01 lunch I was asking you questions about Exhibit 26. 12:45:03 This is the e-mail concerning MediaView. 12:45:06

| Do you recall that? |  |  | 12:45:09 |  |
| :--- | :---: | :---: | :---: | :---: |
| A. Yes. | 12:45:09 |  |  |  |
| Q. Do you recall whether you ever had any | 12:45:10 |  |  |  |
| follow-up discussions with Mr. Martin about the | 12:45:12 |  |  |  |
|  | Page 82 |  |  |  |

| MediaView system? | $\mathbf{1 2 : 4 5 : 1 7}$ |
| :--- | :---: |
| A. I don't recall ever having any conversations | $12: 45: 18$ |
| with him -- | $12: 45: 21$ |
| Q. Can you say -- | $\mathbf{1 2 : 4 5 : 2 1}$ |
| A. -- about MediaView. | $12: 45: 22$ |

Q. Can you say that you never had any 12:45:23 conversations with Mr. Martin about MediaView? 12:45:25

MR. BUDWIN: Objection. 12:45:30
THE DEPONENT: No. I can just say I don't 12:45:31
recall. 12:45:32
MR. WOLFF: I will mark the next exhibit as 12:45:37
No. 27. This is a document bearing Bates No. CM000762. 12:45:39
(Whereupon, Exhibit 27 was marked for 12:45:44 identification.)
12:45:45
Q. (By Mr. Wolff) Do you recognize what's been 12:45:58 marked as Exhibit 27? 12:45:59
A. Yes.

12:46:01
Q. And what is it?

12:46:01
A. A sign-up sheet from the Hypertext '93 12:46:02

Conference. 12:46:10
Q. Is this something that you maintained or is 12:46:11
it something that you ended up with a copy of? 12:46:13
A. Yeah, I don't recall how it came into my 12:46:19
possession. It's possible -- no, actually, I don't 12:46:22
recall. My name is on here as if I signed up for it, 12:46:30
Page 83
so...
12:46:33
Q. Besides where your name is listed in here -- 12:46:34
which $I$ assume it is, I didn't even check -- is your 12:46:36
penmanship or your handwriting reflected on Exhibit 27? 12:46:40
A. Yes.
12:46:45
Q. Where?
12:46:46
A. The second column about halfway down. 12:46:48
Q. Besides the -- the name. 12:46:51
A. Oh, no. I don't see anything that looks like 12:46:55
my handwriting. 12:47:01
MR. WOLFF: Okay. I will have the reporter 12:47:02
mark as the next exhibit, No. 28 a document bearing 12:47:04
Bates Labels CM000758 through $761 . \quad$ 12:47:11
(Whereupon, Exhibit 28 was marked for 12:47:15 identification.) 12:47:06
Q. (By Mr. Wolff) Do you recognize what's been 12:47:32
marked as Exhibit 28? 12:47:33
A. No. I don't recognize it. 12:47:56
Q. Does this -- looking at Exhibit 27, does this 12:47:58 appear to be notes from Hypertext '93 prepared by 12:48:02 someone that you received?

MR. BUDWIN: Objection. Form.
12:48:07

THE DEPONENT: Yes.
12:48:09
12:48:13
Q. (By Mr. Wolff) And why do you think that? 12:48:14
A. It's plausible. And I see this sheet on 12:48:16

Page 84
the -- this last sheet. 12:48:22
Q. The last sheet with the sign -- sign-up list? 12:48:27
A. Yes.

12:48:30
Q. Do you know how you came into possession of 12:48:33

Exhibit 28? 12:48:35
A. During a session at Hypertext '93. 12:48:38
Q. Are any of the checkmarks on the front of $12: 48: 50$
$\begin{array}{lr}\text { Exhibit } 28 \text { yours? } & \text { 12:48:53 } \\ \text { A. I }\end{array}$
A. I don't know. 12:49:02
Q. Could you -- could you tell if you saw the 12:49:04 original document? 12:49:07
A. Perhaps. This reproduction seems fairly 12:49:09
good. 12:49:14
Q. But you can't tell whether this was a 12:49:14
reproduction of a reproduction or a reproduction of an 12:49:16 original with pencil or pen checkmarks on it. 12:49:19
A. No, I can't.
12:49:23
Q. Okay. Are the checkmarks a format that you 12:49:24 would use?

12:49:28
A. I can't say. I have used checkmarks before. 12:49:35
Q. Fair enough.

12:49:39
MR. WOLFF: I will have the reporter mark as 12:49:58
Exhibit 29 a document bearing Bates Labels CM000874 12:50:00
through CM000875. This is a document that we received 12:50:03
from your production.
12:50:09

| Q. And then when I look at Exhibit 29, it says 12:59:39 O'Reilly was hosting this SIGWEB Conference. Strike 12:59:41 that. 12:59:46 | internally at U.C. San Francisco, I didn't circulate 01:02:25 anything. It was a U.C. San Francisco event and... 01:02:35 <br> Q. Was the public invited to the first SIGWEB 01:02:40 |
| :---: | :---: |
| This actually does not say "SIGWEB" on 12:59:46 | meeting? 01:02:45 |
| Exhibit 29, does it? 12:59:48 | A. What's the public? 01:02:45 |
| MR. KAO: The document speaks for itself. 12:59:53 | Q. Just anyone in the public that had expressed 01:02:47 |
| THE DEPONENT: I'm sorry. Is this Exhibit 12:59:55 | an interest to |
| 29? 12:59:56 | A. There was no restrictions on who could come. 01:02:51 |
| Q. (By Mr. Wolff) Yes, it is. 12:59:58 | Q. In fact, towards the back of this, on page 01:02:54 |
| So you don't have to go fishing around for 01:00 | 728, it says, "We have received about 130-plus 01:02:58 |
| this, about the middle of the page, it says, "Western 01:00:04 | responses so far." 01:03:0 |
| WorldWideWeb weaver's waggle," which I assume was a 01:00:08 | Do you see that? 01:03:02 |
| play on words to W 5 , which you attended. 01:00:11 | A. Yes, I do. 01:03:09 |
| And then beneath that, it says, in 01:00:15 | Q. What is that referring to? 01:03:10 |
| parenthesis, "Software Interest Group on distributed 01:00:1 | A. People had responded to the announcement that 01:03:14 |
| information systems, which would be SIGDIS. 01:00:20 | I sent out. 01:03:16 |
| When did you come up with the name SIGWEB or 01:00:26 when was the name SIGWEB first used? 01:00:32 | Q. So you would have sent the announcement out 01:03:17 before the meeting, obviously. 01:03:20 |
| THE DEPONENT: I couldn't tell you. I don't 01:00:37 | A. Yes. 01:03:21 |
| know exactly when we first -- at least you could 01:00:38 | Q. And would this have been a document that was 01:03:22 |
| pronounce it. WWW-SIG is not so easy to pronounce. 01:00: <br> Q. (By Mr. Wolff) Is this what ultimately 01:00:50 | given out at the meeting or before the meeting, or 01:03:23 <br> something that was posted just internally at the 01:03:26 |
| became SIGWEB? 01:00:53 |  |
| A. This -- yeah. This was the first SIGWEB 01:00:54 meeting. 01:00:58 | A. I assume that this was sent out to people and 01:03:34 they responded to it to say they were coming. It would 01:03:37 |
| Page 94 | Page 96 |
| MR. WOLFF: Okay. I will have the reporter 01:00:59 mark as the next document a document bearing Bates 01:01:10 | have been sent to the WWW-Talk mailing list. 01:03:45 <br> MR. WOLFF: I'll have the reporter mark as $01: 03: 59$ |
| Label CM000726 through 730. This is, again, a document | next exhibit, No. 31, a document bearing Bates 01:04:00 |
| that we received from you. 01:01:27 | Labels CM000950 through CM000954. 01:04:04 |
| (Whereupon, Exhibit 30 was marked for 01:01:28 | Whereupon, Exhibit 31 was marked for 01:04:12 |
| identification.) 01:01:29 | identification.) 01:04:13 |
| Q. (By Mr. Wolff) Do you recognize what's been 01:01:32 | Q. (By Mr. Wolff) Do you recognize Exhibit 31? 01:04:31 |
| marked as Exhibit 30? 01:01:34 | A. Yes. 01:04:33 |
| A. Yes. 01:01:35 | Q. How do you recognize it? 01:04:33 |
| Q. What is it? 01:01:35 | A. I wrote it. 01:04:35 |
| A. It's a description of the SIGWEB group. 01:01:42 | Q. When did you write it? 01:04:36 |
| Q. And this document uses SIGWEB -- 01:01:46 | A. October $1993 . \quad$ 01:04:43 |
| A. Yes, it does. 01:01:51 | Q. Before October 3rd, 1993? 01:04:44 |
| Q. -- as the name. 01:01:52 | A. Yes, or on. 01:04:46 |
| All right. Do you know what the date, 01:01:52 | Q. Now, you produced a cassette tape, too. 01:04:48 |
| approximately, of this document is? 01:01:53 | Would the cassette tape be you reading mostly what's 01:04:50 |
| A. I see a date on the next page. Approximately 01:01:57 | shown on Exhibit 31? 01:04:55 |
| the last quarter of $1993 . \quad 01: 01: 58$ | A. I believe so. 01:04:56 |
| Q. Would -- would this be something that was 01:02:01 | Q. Why did you prepare Exhibit 31? 01:04:58 |
| circulated before October 7th, 1993? 01:02:03 | A. To prepare for the meeting, my remarks at the 01:05:03 |
| A. Circulated? 01:02:07 | meeting. 01:05:09 |
| Q. Yes. 01:02:08 | MR. WOLFF: I will have the reporter mark as 01:05:21 |
| A. No. 01:02:16 | Exhibit 32 a document bearing Bates Labels CM000940 01:05:22 |
| Q. Why do you say that? 01:02:16 | through CM000943. 01:05:28 |
| A. Because the planning for SIGWEB took place 01:02:23 | ///// 01:05:29 |
| Page 95 | Page 97 |

| Q. Why do you think that you weren't able to 01:16:47 present on the Viola system? | Q. (By Mr. Wolff) Did you come up with the 01:19:04 EMBED tag? |
| :---: | :---: |
| A. I only had the most superficial involvement 01:16:52 | A. No. 01:19:0 |
| with it. You know, I started it up and used it a 01:16:57 | Q. Who came up with the EMBED tag? 01:19:09 |
| couple of times. 01:16:59 | A. My first knowledge of the EMBED tag came from 01:19:12 |
| Q. Did you look at pages that were coded up that 01:17:00 | the CERN documentation. There's an e-mail thread from 01:19:16 |
| the browser interpreted? 01:17:04 | Tim Berners-Lee to me on the WWW-Talk mailing list 01:19:25 |
| A. Yes. 01:17:06 | describing -- are we discussing typed Lynx. 01:19:28 |
| Q. And what do you remember about those pages? 01:17:07 | And the EMBED -- EMBED was an attribute of 01:19:31 |
| A. Different look and feel than the XMosaic 01:17:10 | the anchor tag. It was an -- I think it was labeled an 01:19:35 |
| browser that I had spent more time with. 01:17:14 | experimental component of the WorldWideWeb. 01:19:40 |
| Q. Why was the look and feel different? 01:17:20 | MR. WOLFF: I will mark as Exhibit 35 a 01:19:48 |
| A. Why was it different? 01:17:22 | document with Bates Labels CM001353 through $1355.010199: 49$ |
| Q. Yes. 01:17:23 | Whereupon, Exhibit 35 was marked for 01:19:56 |
| A. It was coded by a different person. 01:17:26 | identification.) 01:19:57 |
| Q. Are you talking visually, the way it appeared 01:17:29 | MR. WOLFF: It's a document dated 01:20:04 |
| on the page to the -- to somebody viewing a -- a page 01:17:32 | January 24th, 1994 from O'Reilly to someone at 01:20:05 |
| that was coded with the Viola markup? 01:17:36 | Stanford. |
| A. Yes. 01:17:39 | MR. BUDWIN: This is 35? 01:20:12 |
| Q. Did you look at the markup itself for the 01:17:39 | MR. WOLFF: Yes. 01:20:22 |
| Viola pages to see how they were implemented? 01:17:42 | Q. (By Mr. Wolff) Do you recognize Exhibit 35? 01:20:38 |
| A. Yes. I believe I looked at -- yes. 01:17:47 | A. Yes. 01:20:40 |
| Q. Did they use tags? 01:17:51 | Q. What is it? 01:20:40 |
| MR. BUDWIN: Form. 01:17:53 | A. An agreement between Stanford University and 01:20:43 |
| THE DEPONENT: Yes. They used HTML. 01:17:54 | O'Reilly \& Associates. 01:20:50 |
| Page 106 | Page 108 |
| Q. (By Mr. Wolff) How were the -- how were the 01:17:56 | Q. And why is it that you have a copy of this 01:20:53 |
| other objects that were included in the page marked up 01:17:58 | agreement? 01:20:55 |
| in the Viola system? 01:18:01 | A. It may be that Dale Dougherty wanted me to 01:21:02 |
| MR. BUDWIN: Same objection. 01:18:03 | sort of take a leadership role. But at one point -- 01:21:08 |
| THE DEPONENT: Well, it did have this 01:18:08 | there was an interest between Stanford University and 01:21:11 |
| scripting capability, and I did look at that to see how 01:18:09 | O'Reilly Associates doing some sort of collaboration at 01:21:15 |
| the language worked, how -- how to use it. 01:18:14 | one point. I hoped that might have something to do 01:21:18 |
| Q. (By Mr. Wolff) Do you know what sort of 01:18:18 | with me, but it fell to Pei instead. And I think 01:21:23 |
| interpreter it used? 01:18:20 | that's probably how this came to be. 01:21:27 |
| A. No. 01:18:23 | I think that Dale probably asked me for my 01:21:32 |
| Q. Do you know what scripting language it used, 01:18:25 | thoughts or feedback or -- on this. 01:21:34 |
| if any? 01:18:28 | Q. This is actually a signed letter, right? The 01:21:38 |
| A. Tk, Tcl, I think. 01:18:29 | last page has Richard Peck's signature; is that right? 01:21:44 |
| Q. Did it use any nonscripting tags or elements 01:18:34 | A. Yes. 01:21:4 |
| to call objects? 01:18:39 | Q. So they were asking your feedback after the 01:21:49 |
| R. BUDWIN: Objection. Form. 01:18:43 | letter was sent? 01:21:52 |
| E DEPONENT: I don't know. I -- I'm not 01:18:45 | A. I guess not. I guess -- I guess not. That 01:21:54 |
| sure that I understand the question. 01:18:48 | wasn't -- I guess I'm wrong about that then. Maybe he 01:21:56 |
| Q. (By Mr. Wolff) Do you know what an EMBED tag 01:18:50 | was just informing me. 01:21:59 |
| is? 01:18:52 | Q. Do you think you had discussions with Dale -- 01:22:10 |
| A. Yes. 01:18:53 | I'm sorry -- with Richard or Dale prior to 01:22:12 |
| Q. Did it use anything like an EMBED tag? 01:18:54 | January 22nd, 1994 about your involvement in the 01:22:15 |
| MR. BUDWIN: Objection. Form. 01:18:57 | Stanford Viola project? 01:22:21 |
| THE DEPONENT: I don't recall associating 01:18:57 | MR. BUDWIN: Form. 01:22:25 |
| that capability with Viola in particular. 01:18:59 | THE DEPONENT: It's possible. 01:22:2 |
| Page 107 | Page 109 |

MR. BUDWIN: Same objection.
THE DEPONENT: My conception was that they 01:38:55

01:38:57
Q. (By Mr. Wolff) And how would they be 01:38:58 interactive? 01:38:59
A. Zooming, panning, scaling. I was trying to 01:39:05 match the WritePages' functionality, actually, surpass 01:39:10

01:39:14
Q. So WritePages was a product from -- I'm 01:39:15 sorry. WritePages was a product or a project from 01:39:17 AT\&T? 01:39:20
A. It was a project intended to be a product, I 01:39:22
think, eventually. 01:39:25
Q. And how did it handle these images? 01:39:27
A. The pages of the journals were actually 01:39:30
images themselves, but the quality was not very good. 01:39:35
And, specifically, because these were medical journals, 01:39:38
the images were very important, the quality of the 01:39:42 images. 01:39:46

And so it had a facility for viewing a higher 01:39:46 resolution, higher quality image, you know, for the -- 01:39:50 for the actual figures in the journal article. 01:39:56
Q. So the journal article is electronic 01:39:59

## documents?

A. Yes.

01:40:01
01:40:02
Page 116
Q. And do they have text and multimedia objects 01:40:02 shown in the same page? 01:40:07
MR. BUDWIN: Form.
01:40:09
THE DEPONENT: It was a limited system. It 01:40:09
just had -- the pages themselves were images, and there 01:40:12
was also text that was used for searching, but it 01:40:15
wasn't actually -- the text wasn't displayed. 01:40:21
In fact, the text was not very high quality. 01:40:26
It had been captured through optical character 01:40:28
recognition. And one of the things I did was improve 01:40:31
the quality of the text by comparing the words to a 01:40:32
dictionary and correcting whatever mistakes I could 01:40:36 correct. 01:40:42
Q. (By Mr. Wolff) Okay. And then the -- the 01:40:42
images that were shown in these electronic files, were 01:40:43 those interactive in the WritePages project? 01:40:48

MR. BUDWIN: Form. 01:40:53
THE DEPONENT: Interactive in the sense 01:40:57 that -- yes, I mean you could pan around them and zoom 01:40:58 them.

01:41:03
Q. (By Mr. Wolff) Okay. And when you 01:41:04 ultimately worked on doing this with the Web browser 01:41:05 using Xv and the Web browser, did you have to add the 01:41:10 functionality to perform those interactive features, or 01:41:14 was there already a core component of the Xv software? 01:41:19 Page 117

MR. BUDWIN: Objection. Form. 01:41:24
THE DEPONENT: The Web browser would launch 01:41:27 the Xv application, an external, which would create its 01:41:31 own separate window. And once that window was 01:41:35 available, Xv provided a rich collection of features -- 01:41:38 of operations and ways to manipulate the imagine, view 01:41:44 the image. 01:41:49
Q. (By Mr. Wolff) Okay. And that was before 01:41:50 you did your work, right? Because you said it was an 01:41:52 external window.

01:41:54
A. Yes, that's right. Yes. 01:41:57
Q. And then when you did your work on this, did 01:41:58 you create it so it was all in the same page? 01:41:58
A. I wasn't able to actually implement that. 01:42:01 The project was taken from me and given to Cheong in 01:42:03 the first or second week of June, shortly after they 01:42:08 began at the university, so... 01:42:12
Q. Do you have an understanding as to why it was 01:42:14 given to Cheong? 01:42:15
A. Oh, I had some understanding then, there was 01:42:16
some justification, and I have some understanding now. 01:42:18
Q. What do you think the justification was then? 01:42:21

MR. BUDWIN: Form.
01:42:24
THE DEPONENT: Well, to be honest, I was 01:42:29
irritated. I thought it was in some ways the point of 01:42:31
why I had spent the previous four or five months. It's 01:42:36 like, oh, here's something I can really -- it was a 01:42:39 cool project, you know --

01:42:44
Q. (By Mr. Wolff) Uh-huh. 01:42:45
A. -- and I wanted to do it. 01:42:46
In fact, there was a call in one of the 01:42:48 e-mails from Tony Sanders, I think, saying, you know, 01:42:50 any volunteers for this project? Not for that exact -- 01:42:53 the same project, but something similar. 01:42:57

And why? At the time I thought that Mike 01:43:00 wanted to give the project -- the project to his guy. 01:43:07 Cheong came with Mike from the University of Chicago, I 01:43:09 think it was. It happens all the time. 01:43:13
Q. And then do you have -- what's your 01:43:18 understanding of why it was given to Cheong now? 01:43:21

MR. BUDWIN: Objection. Form. 01:43:25
THE DEPONENT: I don't know. You know, same 01:43:32 thing really. I don't really know. 01:43:33
Q. (By Mr. Wolff) After you told Mr. Doyle 01:43:42 about your idea, is it fair to say that your 01:43:49 relationship among the group deteriorated? 01:43:54

MR. BUDWIN: Objection. Form. 01:44:08
THE DEPONENT: Well, you seem to imply a 01:44:08 cause and effect. And I'm not sure that that's true. 01:44:09 My relationship did deteriorate and eventually I left 01:44:10

Page 119
the university.
01:44:12
Q. (By Mr. Wolff) You don't think it had anything to do with your sharing the idea of -01:44:13
A. The deterioration, actually, was primarily 01:44:14
01:44:16
just between my boss and I. And that was a component, 01:44:19 but not the only component. There were some other 01:44:23 things that happened as well.

01:44:25
Q. Your boss being David Martin? 01:44:26
A. That's right.

01:44:28
Q. Not Mr. Doyle.

01:44:30
A. No, not -- no.

01:44:31
Q. Why in your e-mail to him in Exhibit 36 did 01:44:35 you say, "Honesty is the best policy"? 01:44:38
A. Because when I told Mike that -- that I 01:44:46 thought -- well, Mike's response to -- to me was to 01:44:49 tell the truth at the deposition. And I thought he was 01:44:54 implying that I was intending to do something other $\quad$ 01:45:00 than that. 01:45:05

And so I was kind of offended. And so -- 01:45:06 because -- and so that's why I wrote that is because, 01:45:10 yes, I'm going to tell -- that's exactly what I intend 01:45:13 to do, is tell the truth, so... 01:45:17

MR. WOLFF: I will mark as Exhibit 37 some 01:45:21 correspondence that your counsel, I think, had with 01:45:23 lawyers from McKool Smith.

01:45:27
Page 120
(Whereupon, Exhibit 37 was marked for 01:45:29 identification.) 01:45:29
Q. (By Mr. Wolff) Now, this is a document that 01:45:52

John Campbell of McKool Smith, Eolas' counsel sent to 01:45:54 us. It's dated August 4th, 2011, 8:42 a.m. 01:46:00

And attached to it was a -- I think it was a 01:46:02
PDF file or something, with a bunch of correspondence 01:46:05
and documents that -- some of which $I$ think you had 01:46:14
produced and others which I'm not sure whether or not 01:46:16
you produced. 01:46:19
Do you recognize what's been marked as 01:46:21

## Exhibit 37? 01:46:23

A. I haven't looked at every page, yet. 01:46:25
Q. Okay. And you are not copied on the first 01:46:28
page. I'm mostly concerned about the stuff after the 01:46:31 first page.

01:46:34
A. There's a lot of stuff here, isn't there? 01:47:24

I'm sorry. What -- what is the actual 01:47:26
question?
01:47:50
Q. Do you recognize the materials? Did you put 01:47:51 these materials together that were attached -- 01:47:54
A. Yes.
01:47:56
Q. -- to Exhibit 37?
01:47:56

Okay. And what was your purpose in putting 01:47:57
these materials together? 01:47:59
Page 121
A. To communicate with Mike Doyle's team, Eolas. 01:48:01
Q. And that was that you thought you were or are 01:48:06 an inventor on the patents.

01:48:09
A. Not just that I thought, but these -- this is 01:48:13
evidence that supports my claim. 01:48:15
Q. And your claim is that you are an inventor on 01:48:16
the patent. 01:48:19
A. On the patent?

01:48:21
Q. Yes.

01:48:21
A. My name is not on the patent. 01:48:23
Q. It should be an inventor on the patent. 01:48:26
A. That's my claim.

01:48:30
Q. The first e-mail -- the first set of e-mails 01:48:31
looks like a file that maybe you named, "ucla_www.tbl"? 01:48:3
A. Yes.
01:48:39
Q. I'm sorry. Not --
01:48:39

MR. BUDWIN: Where are you? 01:48:39
MR. WOLFF: The first -- the second page of 01:48:41
Exhibit 37. I said ".tbl." It's not. It's actually 01:48:43 ucla_www_tbl. 01:48:44
Q. (By Mr. Wolff) And what was the significance 01:49:00 of attaching this correspondence with Tim Berners-Lee? 01:49:03
A. To establish that I had long experience with 01:49:10 the WorldWideWeb before I even started at U.C. San 01:49:11 Francisco. 01:49:18

Page 122
Q. And on the second page of that document, on 01:49:19
page 2 , you say, "I used the NeXt client and the Telnet 01:49:20 client." 01:49:26
That's referring to what you talked about 01:49:26 earlier today, about using the NeXt workstation at 01:49:28 UCLA? 01:49:33
A. Yes. This was sent from my -- while I was 01:49:34 working at UCLA. 01:49:39
Q. The next piece of correspondence is 01:49:41 announcement that Dr. Doyle accepted the position of 01:49:43 director?

01:49:46
A. Yes.

01:49:47
Q. And that's, I assume, just to establish that 01:49:48 you were working on this before that ever happened -- 01:49:49
A. That's right.
01:49:52
Q. -- before it ever showed up on the screen. 01:49:53

The next several pages are some -- some 01:49:58
photographs from your notebooks, I think. And then 01:49:59 behind that, there are some photocopied pages. 01:50:05
A. Which page are we looking at? 01:50:10
Q. The first one, it looks like it's April 28th, 01:50:12
1993. It's at the top left corner. It's after the 01:50:15
photograph pages. 01:50:19
A. Actually, yeah. The same pages in two 01:50:22
different forms. 01:50:25
Page 123

| Q. | I think so. I don't know. | $\mathbf{0 1 : 5 0 : 2 6}$ |
| :--- | :--- | :--- |
| A. | This page here you're talking about? | $01: 50: 28$ |
| Q. | Yes. | $\mathbf{0 1 : 5 0 : 2 9}$ |
| A. | Yes. | $01: 50: 29$ |

Q. Like we had some back and forth, you and I 01:50:29 did about some of the image quality on the -- 01:50:31
A. That's right.
01:50:35
Q. -- on the photographs that you took. 01:50:35
A. Sorry about that.
01:50:36
Q. I appreciate the effort. It was a lot of 01:50:36 effort.

01:50:37
MR. KAO: In this line of questioning, be 01:50:38
careful not to reveal any attorney-client privileged 01:50:40
information. 01:50:43

## THE DEPONENT: Thank you. <br> 01:50:43

Q. (By Mr. Wolff) The first -- on that first 01:50:45 page in the upper left corner, it says, "4-28-93." 01:50:47 What is the significance of you putting a 01:50:50 date like that in your notebook?

01:50:52
A. I dated all my entries. Well, most of my 01:50:54 entries. 01:50:57
Q. Uh-huh. So the text that's below that would 01:50:57 have been text that you entered in your notebook in 01:50:59 April 28th of 1993?

01:51:02
A. Yes.

01:51:05
Page 124
Q. What's the purpose of the first line in this 01:51:06
notebook, "Merge SGMLs and plus Ghostscript parsers"? 01:51:08
A. Yes.
01:51:16
Q. Why did you write that down? 01:51:16
A. So as part of a design for browser or 01:51:18
information utility for the library, we were working on 01:51:23
things on basically three levels. There was the 01:51:27
immediate, what we could use today. What we might be 01:51:31
able to make happen in the next six months maybe. And 01:51:35
then our longer term plan. And this is part of the 01:51:38
longer term effort.
01:51:42
That particular piece is there because what I 01:51:43
was thinking about doing was representing both the 01:51:47
logical structure of the document, which is what SGML 01:51:51
gave us, and as well as the physical display of the 01:51:57
document, which is what PostScript or Ghostscript 01:51:59
provided.
01:52:05
So the idea was to represent both -- to 01:52:05
capture both those levels of representation in one 01:52:07
format. 01:52:12
Q. Okay. At the time, in April of 1993, do you 01:52:13
know whether you could view a PostScript file with the 01:52:16

XMosaic browser?
A. You could not.
Q. You could not?

01:52:20
01:52:24
01:52:25
A. I don't believe so, no. 01:52:27
Q. Why do you think you could not? 01:52:34
A. Because I received a PostScript ToolTalk 01:52:35
document from Sun Microsystems and had a difficulty 01:52:39 printing it out. 01:52:44
Q. Did you have Ghostview installed in your 01:52:45 system?

01:52:45
A. I think I installed Ghostview specifically so 01:52:47 I could read that document. 01:52:48 Let me correct that though. I'm -- I'm now 01:53:02 thinking about the timing of exactly when I received 01:53:05 that ToolTalk document. It may not have been -- it may 01:53:08 have been a couple weeks after this. But I was 01:53:11 certainly familiar with the Ghostview suite from my 01:53:19 work at UCLA. 01:53:24

MR. WOLFF: I will mark as the next exhibit a 01:53:31
document that Eric Bina produced. When I printed it 01:53:35 out, the Bates number disappeared from it, but I will 01:53:38 give Mr. Budwin over here the Bates number if he wants 01:53:41 it. It was entered as an exhibit, I believe, in Eric 01:53:44 Bina's deposition, too. 01:53:45

This is a documented dated January 31st, 01:53:48
1993, to WWW-Talk from Marc Andreessen. 01:53:51
(Whereupon, Exhibit was marked 38 for 01:53:56 identification.) 01:53:59

Page 126

MR. WOLFF: Oh, I can tell you the Bates
01:54:12 numbers because it comes out on my copy -- on the 01:54:13 smaller copy. 01:54:14

MR. BUDWIN: I see Bates numbers, too. 01:54:14
MR. WOLFF: Yeah. The bigger printed version 01:54:15 doesn't come out, but it's BINA-EOLAS00006991 through 01:54:17 6992. This is the production number of Exhibit 38 . 01:54:24
Q. (By Mr. Wolff) If you look about two-thirds 01:54:39 of the way down the page, the word "addition" occurs 01:54:42 three times. And on the third instance, it says, 01:54:45 "Addition of outlet to Ghostview for PostScript 01:54:49 documents. (This is a hack, but it's a slick demo 01:54:53 feature.)"

01:54:58
Do you see that?
01:55:00
A. Yes, I do see it.

01:55:02
Q. Do you think at this time there was an outlet 01:55:04
to view PostScript documents with XMosaic? 01:55:05
MR. BUDWIN: Form.
01:55:11
THE DEPONENT: That's what it says.
01:55:11
Q. (By Mr. Wolff) So are you sure that XMosaic 01:55:12 did not have that feature in January 1993? 01:55:18
A. Even seeing this I still am skeptical. 01:55:22
Q. Why are you skeptical? 01:55:25
A. I know I never used it and I wasn't aware of 01:55:27
it, but there were some other conversations, 01:55:29
Page 127
discussions on the WWW-Talk mailing list after this was 01:55:32 sent about integrating Ghostscript or Ghostview. 01:55:36
Q. And when were those discussions? 01:55:41
A. I think they are in the March/April time 01:55:44 frame. 01:55:46
Q. Okay. Let's go back to Exhibit 37. 01:55:47 Why did you -- 01:55:53 MR. KAO: Sorry. Is this Exhibit 37? This 01:56:01 one is Exhibit $37 . \quad$ 01:56:05

$$
\text { MR. BUDWIN: No, this is } 38 . \quad 01: 56: 05
$$

MR. WOLFF: This should be Exhibit 38 . 01:56:06
MR. KAO: Okay. 01:56:07
MR. BUDWIN: Thirty-seven is the picture. 01:56:07
MR. KAO: Okay. Sorry about that. 01:56:07
MR. WOLFF: That's all right. 01:56:08
Q. (By Mr. Wolff) In that first line from the 01:56:13

April 28th, 1993, entry on Exhibit 37, you say, "Merge 01:56:16
SGMLs plus Ghostscript parsers." 01:56:21
Did you have an understanding at the time 01:56:23
there were two separate parsers: There was a parser 01:56:25
for whatever the browser was and then another parser 01:56:29
that would handle whatever the content type was if you 01:56:31 were viewing a PostScript or Ghostscript-type content? 01:56:34
A. Yes.

01:56:39
Q. And why -- why did you feel the need to merge 01:56:40

Page 128

## the two parsers? 01:56:44

A. Well, as I explained, I wanted to represent 01:56:45 both the logical structure as well as the physical 01:56:48 display characteristics of -- of the documents, or Web 01:56:52 pages.

01:56:56
Q. In the middle of the page you say, "Modify 01:57:00 graphics file rendering utilities such that" -- I'm 01:57:03 sorry.

01:57:07
Why don't you tell me what that says in the 01:57:07
middle of the page there. 01:57:09
A. "Modify graphics file rendering utilities, 01:57:10
such as Xv, so that they return PostScript objects." 01:57:11
Q. Okay. And what does that mean? 01:57:17
A. It means I wanted to modify Xv so it would $01: 57: 20$ return PostScript.

01:57:24
The purpose was to integrate Xv with this 01:57:25
browser utility that I was envisioning designing. 01:57:33
Q. Okay. And then the purpose of doing this in 01:57:37
the combination with the Ghostscript parser up top was 01:57:40 that you could have one tool that would interpret any 01:57:45 type of content in the browser; is that right? 01:57:50
A. Yes. So it could represent any level, 01:57:54
structural or physical display, similar to the ISO 01:57:56
network stack or any of the seven layers. 01:58:01
Q. Uh-huh.
01:58:10

02:06:13
Q. (By Mr. Wolff) Well, isn't Marc saying that 02:06:15 you could have inlined images in much the same way as 02:06:16 Ghostview uses Ghostscript? 02:06:20
A. Yes. So he's making an analogy. A Web 02:06:23 browser could work like Ghostview works. That's not 02:06:25 the same as saying that -- I'm sorry. What is your 02:06:32 question? 02:06:34
Q. What would -- what would have to be different 02:06:40
in the Xv situation versus the Ghostview situation to 02:06:43
A. Just the difference between Ghostview and Xv. 02:06:53

It's one application or another application. 02:06:56
Q. But you didn't invent Xv. 02:06:58
Q. And you didn't invent Ghostview. $\mathbf{0 2 : 0 7 : 0 1}$
A. No. 02:07:04
Q. You were just putting the two into one
browser page, some hypertext content and some Xv 02:07:10
A. So what's referred to --
2:07.16
Q. -- inline on the same page.

02:07:21
Page 136

Helped show me the way to solving the problem I 02:05:18

02:05:38 02:05.39
THE DEPONENT: Yes.

02:05:42
A. It was discussed.

02:05:43

$$
0-0 .
$$

Q. It was an idea that already existed if it was 02:05:45 discussed.

02:05:49
A. Yes.

02:05:49
Q. Whether it was implemented is a separate 02:05:50 , right?

02:05:53
Q. And here Marc's response says, "much the same 02:05:54 way as Ghostview uses Ghostscript." 02:05:57
A. Yes.

02:06:01
Q. Does that refresh your recollection as to 02:06:01 whether or not you could view a PostScript file in a 02:06:04 Web browser -- 02:06:06

MR. BUDWIN: Objection. Form.
02:06:08
Q. (By Mr. Wolff) -- before June of 1993?

02:06:12 Page 135

MR. BUDWIN: Objection. Form. I'm not sure 02:07:22

Go ahead. Sorry.
02:07:27
MS. DOAN: You can answer.
02:07:33
A. This is describing how Ghostview and 02:07:33

Ghostscript interact with each other. It doesn't say 02:07:34 anything about what the browser does. But it does make 02:07:37 an analogy to what the browser could be doing. 02:07:39
types. And using Mosaic to display database in medical 02:08:39 journals. 02:08:44
"Since the page images are TIFF format, I 02:08:45 have to convert them all to GIF. We envision 02:08:46 offloading much of the processing from the client as 02:08:52 possible rather than including local format conversion 02:08:54 capability within the client. 02:08:57
"We expect to provide a community of servers, 02:08:58 with which client can contract to obtain information it 02:09:00 wants in a form which it can use. 02:09:04
"By providing a particular server, such as XP 02:09:09 with a window ID, the client retains control of the 02:09:11 presentation while avoiding having to know anything $\quad$ 02:09:13 about the format of the data being displayed." 02:09:16
Q. Was this your idea, this response to Eric and 02:09:19

## Mark?

02:09:23
A. Yes.

02:09:25
Q. Was it desirable in the community before June 02:09:28 of 1993 to have browsers that displayed multiple 02:09:30 different content types?

02:09:34
A. Yes.

02:09:35
MR. BUDWIN: Form. Objection.
02:09:40
Q. (By Mr. Wolff) Do you know whether before 02:09:43

March -- sorry -- before April of 1993 the community 02:09:47 had discussed embedding video in Web pages? 02:09:56 Page 138
A. Yes, I do know --
02:10:05
Q. And what --
02:10:08
A. -- that it did.
02:10:08
Q. And why was that?
02:10:10
A. Well, I think there's more than one example, 02:10:15
but the README file for XMosaic, I think released in 02:10:17
March, specifically mentions their intention to do 02:10:23
that. 02:10:26
MR. WOLFF: I will have the reporter mark as 02:10:39 the next exhibit, this is $39 . \quad 02: 10: 40$
(Whereupon, Exhibit 39 was marked for 02:10:42
identification.)
02:10:42
MR. WOLFF: You don't have -- you don't have 02:10:46
a Bates-numbered copy on your thing, but the Bates 02:10:47
number, because it dropped for some reason, is 02:10:50
BINA-EOLAS00007212 through 7213.
02:10:52
Q. (By Mr. Wolff) Do you recognize what's been 02:11:00 marked as Exhibit 39?

02:11:02
A. Yes. 02:11:04
Q. Is this like the release notes, at least in 02:11:04 an e-mail format, that you're referring to? 02:11:07
A. Yes.
02:11:10
Q. And the first set of bullets I think that are $02: 11: 13$ included here beneath the line that reads, 02:11:15
"Multiple" -- "Some multimedia support, you asked for 02:11:18 Page 139
Page 139

02:11:23
It lists several different data types, right? 02:11:24
A. Yes.

02:11:30
Q. And what are those data types. 02:11:30
A. GIF, JPEG, TIFF, audio, AIFF, DVI, MPEG, 02:11:34

MIME, XWD, PostScript automatically recognized. 02:11:39
Q. And what is an MPEG file format? 02:11:44
A. It's a video format.

02:11:47
Q. And the last bullet in that set of 02:11:49
sub-bullets read, "Inline MIME/multimedia support will 02:11:51 be coming down the road so this is all just a temporary 02:11:56 hack."

## 02:11:59

Do you see that?
A. Yes.

02:12:00
02:12:00
Q. So is it fair to say that the idea of having $02: 12: 01$
inline video in a Web page was known by March 1993? 02:12:03
MR. BUDWIN: Form.
02:12:09
THE DEPONENT: Yes. 02:12:10
Q. (By Mr. Wolff) And that's what you would 02:12:15
have been referring to earlier when you said that the 02:12:15
idea was already known.
02:12:18
MR. BUDWIN: Same objection.
THE DEPONENT: Yes.
02:12:20
02:12:21
Q. (By Mr. Wolff) Do you recall that anybody 02:12:22
else tried to implement Xv content with a Web browser 02:12:24
Page 140
before June 1993?
02:12:33
A. Bill Janssen of Xerox Park said that he had 02:12:38
hacked Xv to take a window ID to draw into. 02:12:39
Q. And would that present inline $X v$ content with 02:12:45
a Web browser? 02:12:49
MR. BUDWIN: Objection. Form.
02:12:50
THE DEPONENT: Allowing or changing Xv to 02:12:52
accept a window ID is not the same thing as having the $02: 12: 54$
browser use that facility. 02:12:59
Q. (By Mr. Wolff) Why is that? 02:13:01
A. Well, the program Xv would have that 02:13:03
capability, but to have the browser actually use that 02:13:05 capability is something else.

02:13:08
Q. But if Xv would have been doing the rendering 02:13:10
of the content in that window idea; is that correct? 02:13:13 MR. BUDWIN: Same objection.

02:13:17
THE DEPONENT: I'm sorry. Say that again. 02:13:18
Q. (By Mr. Wolff) Would Xv have been doing the 02:13:19 rendering for that $X v$ content in the browser window? 02:13:19 MR. BUDWIN: Same objection. 02:13:24
THE DEPONENT: Two separate things. Xv had 02:13:25
the capability or Bill Janssen described a version of $02: 13: 28$
Xv having that capability, but I didn't see any 02:13:33
description of using that capability in the browser. 02:13:35

02:13:40
Page 141

So Xv can take a window ID, but where's 02:13:44 the -- the browser has to pass the window ID to the Xv 02:13:48 program to have it display. 02:13:54
Q. (By Mr. Wolff) Okay. If you turn to the 02:13:55 next e-mail thread, I think it's April 27th, 1993. 02:13:57

MR. BUDWIN: Are we going -- switching 02:14:01 exhibits? 02:14:03

MR. WOLFF: Yes. I'm sorry. To Exhibit 37. 02:14:03
Q. (By Mr. Wolff) Do you see it is from Bill 02:14:06
Janssen? 02:14:17
A. Uh-huh. 02:14:18
Q. Or Bill Janssen to WWW-Talk?

02:14:18
A. Yes.

02:14:23
Q. April 27th, 1993, 11:54. Do you see that? 02:14:24
A. Uh-huh.

02:14:31
Q. Here, Mr. Janssen is actually talking about 02:14:33
allowing arbitrary embedded things being inline with 02:14:36 the browser, isn't he? 02:14:44
A. Yes, he is.

02:14:46
Q. So this was an old idea.

02:14:49
MR. BUDWIN: Objection. Form.
02:14:51
THE DEPONENT: An old idea?
02:14:55
Q. (By Mr. Wolff) It was an idea that was -- 02:14:56
been around since at least April 27th, $1993 . \quad 02: 14: 57$
MR. BUDWIN: Same objection.
02:15:01
Page 142

THE DEPONENT: Yes.
02:15:02
Q. (By Mr. Wolff) If you turn back several 02:15:02 pages, there's an e-mail from Tony Sanders to the $02: 15: 14$ WWW-Talk mailing list, dated April 29th, $1993 . \quad 02: 15: 19$

MR. BUDWIN: Where are we looking? 02:15:30
MR. WOLFF: In the subject, it says, "Re: 02:15:32
Standardizing New HTML Features." 02:15:33
THE DEPONENT: Is it backwards or forwards? 02:15:37
Q. (By Mr. Wolff) It's backwards. It's back 02:15:39 further in the -02:15:40
MR. BUDWIN: Is it before the -- 02:15:41
Q. (By Mr. Wolff) -- e-mails. 02:15:41

MR. KAO: -- notebook pages? 02:15:41
MR. WOLFF: It's after the notebook pages. 02:15:43
MR. BUDWIN: What's the date?
02:15:46
MR. WOLFF: April 29th, 1993.
02:15:48

THE DEPONENT: I don't see it before the -- 02:15:52
MR. WOLFF: It's after the notebook pages. 02:15:55
MR. BUDWIN: I don't see it either. 02:15:59
Q. (By Mr. Wolff) You want me to see if I can 02:16:01 find it in your copy? 02:16:02
A. Yeah, sure.

02:16:04
MR. BUDWIN: What comes right before? 02:16:04
MR. KAO: Can we take this time just to 02:16:29
designate this confidential, Mr. McRae's testimony 02:16:30
Page 143
today. 02:16:34

MR. WOLFF: You want me to find it for you, 02:16:35 too, Josh? 02:16:36

MR. BUDWIN: Can I just see what it looks 02:16:50
like. 02:16:53
MR. WOLFF: Maybe in the last dozen or so 02:16:54 pages of the document. 02:16:56

MR. KAO: "Re: Standardizing New HTML 02:17:01 Features"? 02:17:03

MR. WOLFF: Right. April 29th, 1993, 11:41. 02:17:05
MR. BUDWIN: Got it. Okay.
02:17:12
Q. (By Mr. Wolff) If you can let me know when 02:17:13
you're done reading the page. 02:17:22
A. Yeah, I'm ready.

## 02:17:33

Q. Do you see where it's discussed that Paradise 02:17:40
software has a demo of a hypermedia newspaper where it 02:17:42 shows movies run at the location of images in the -- 02:17:48
A. Yes, I see that.
02:17:54
Q. -- document?
02:17:55

And Mr. Sanders replies back, "There are two 02:17:59
parts to this: Auto-inlining and inlining on 02:18:02
selection." 02:18:04
Do you understand what the difference is? 02:18:04
A. Yes.

02:18:08
Q. What's the difference? 02:18:08

Page 144
A. In the first case, auto-inline, the link is 02:18:10
followed and the contents are embedded there in the $02: 18: 15$
page. Whereas, inlining on selection means that first 02:18:17
you have to click on the link before the content is 02:18:21
displayed. 02:18:24
Q. And this is an e-mail that you had received 02:18:26
in April of 1993?
A. Yes.

02:18:30
Q. Through your subscription to the WWW-Talk 02:18:32
mailing list?
02:18:35
A. Yes.
02:18:36
Q. Have you reviewed the Eolas patents? 02:19:03
A. Yes.

02:19:08
Q. And you read all the claims? 02:19:08
A. Let me correct that.

> 02:19:12

Patents, you said?
02:19:13
Q. Yes.

02:19:15
A. I have only looked at the one that ends in 02:19:15

02:19:18
Q. You did not look at the ' $\mathbf{9 8 5}$ patent?

02:19:19
A. No. 02:19:22
Q. Okay. And you read all the claims in the 02:19:22
'906 patent? 02:19:25
A. Yes.

02:19:26
Q. And you think you're an inventor on those 02:19:26

Page 145

| claims? 02:19:30 | MR. KAO: Objection. Mr. McRae is not a 02:22:08 |
| :---: | :---: |
| MR. BUDWIN: Form. 02:19:31 | patent attorney. 02:22:10 |
| THE DEPONENT: On some of them. 02:19:32 | MR. BUDWIN: Same objection. Form. 02:22:12 |
| Q. (By Mr. Wolff) Okay. Do you know which 02:19:33 claims? 02:19:34 | Q. (By Mr. Wolff) Well, you just testified that 02:22:12 02:22:13 |
| MR. BUDWIN: Same objection. 02:19:35 | patentable and you expressed your skepticism about 02:22:15 |
| T | that, righ |
| 19: | A. That's right. 02:20] |
| , | why it 02:22:19 |
| 6 | wasn't patentable? 02:22:2 |
|  | MR. BUDWIN: Same objection. 02:22:23 |
| actually, you know, the details of that, or which 02:19:51 | e, I think I said 02:22:2 |
| claims are which. I'm familiar with 1 through 3 . 02:19:54 |  |
| Q. (By Mr. Wolff) Now, why is it that you think 02:19:57 you're an inventor on Claims 1 through 3? | Q. (By Mr. Wolff) And what prior art would that 02:22:28 be? 02:22:29 |
| MR. BUDWIN: Same objection. 02:20:04 | A. I was thinking of -- well the X Window 02:22:30 |
| THE DEPONENT: Because I communicated the 02:20:05 | 5 system, the ideal Window manager, which is essentially 02:22:33 |
| t's | the role that the browser takes in the invention, and 02:22:36 |
| presented in the notebook. 02:20:13 | the description of the EMBED tag and the other 02:22:45 |
| at idea | discussions here. 02:22:50 |
| hat you communicated to Mr. Doyle? | Q. The discussions about Xv ? |
| A. The idea of using external application -- 02:20 | Yes. |
| 02:20:31 | Q. And discussions about embedding video? 02 |
| applications with bidirectional communication between 02:20:33 the two programs. 02:20:37 | $\begin{array}{lr}\text { MR. BUDWIN: Objection. Form. 02:22: } \\ \text { THE DEPONENT: Yes. } & 02: 23: 00\end{array}$ |
| Page 146 | ge 148 |
| Q. And you didn't think that that's disclosed in 02:20:40 any of the prior discussions about XMosaic and 02:20:43 | Q. (By Mr. Wolff) And discussions about 02:23:00 embedding Ghostscript or PostScript functionality? 02:23:01 |
| incorporating Xv and Ghostscript functionality? 02:20:48 | A. Yes. 02:23:05 |
| A. On the contrary, actually. I -- I took 02:20:53 | MR. BUDWIN: Objection. Form. 02:23:06 |
| inspiration from these discussions. And, you know, I 02:20:56 | Q. (By Mr. Wolff) How about the discussions 02:23:06 |
| mentioned earlier that I was skeptical of the patent or 02:21:01 | about embedding Acrobat or PDF content? 02:23:08 <br> MR. BUDWIN: Same objection. 02:23:14 |
| the claim of patentability in that first conversation 02:21:05 | $\begin{array}{lc}\text { MR. BUDWIN: Same objection. } & 02: 23: 14 \\ \text { THE DEPONENT. I } \\ 02 \cdot 23 \cdot 15\end{array}$ |
| with Mike Doyle because I knew where -- you know, where 02:21: | THE DEPONENT: I don't see a particular 02:23:15 |
| was coming from. | distinction about one piece versus another. In my |
| But at the same time I felt that I had, you | conception, I was just looking at a general solution to 02:23:20 |
| know, a unique twist that I had put on it. But I | you have the browser cooperate with external 02:23:22 |
| didn't -- I guess maybe I was naive. I didn't believ | applications of any sort. 02:23:28 |
| that was patentable, and honestly I have been | MR. WOLFF: Okay. I have no further 02:23:2 |
| surprised, you know, at the history | questions at this time, so I will turn this over to my 02:23:31 |
| Q. What do you mean, "surprised at the history"? | co-counsel if they have questions. 02:23:32 |
| rm. 02:21:36 | DWIN: We can stay on. 02:23:4 |
| an | MR. WOLFF: We can go off the record because 02:23:43 |
| Q. (By Mr. Wolff) What litigation are you 02:21:38 surprised with? 02:21:40 | it's almost out of tape anyway. We can switch and ask 02:23:43 Jennifer if she wants to <br> to come back. <br> 02:23:43 |
| surprised with? | Jennifer if she wants to come back. |
| ? | R. KAO: Do you need a break? 02:23:45 |
| the 02:21:49 | THE DEPONENT: Yeah, I would like another 02:23:46 |
| patent has remained valid for so long. 02:21:54 | quick break. 02:23:47 |
| Q. (By Mr. Wolff) So why didn't you think it 02:21:57 | HE VIDEOGRAPHER: This is the end of Disk 02:23:48 |
| was patentable when Mr. Doyle told you that he thought 02:22:03 | No. 2, Volume I. We are off the record at 2:23 p.m. 02:23:49 |
| it was? 02:22:07 Page 147 | (Recess taken.) $02: 23: 57 \quad$ Page 149 |

THE VIDEOGRAPHER: This is the beginning of 02:32:26 Disk No. 3, Volume I. We are back on the record at 02:32:27 2:33 p.m. 02:32:31

You may proceed.
02:32:32
EXAMINATION 02:32:32
BY MR. BUDWIN: 02:32:32
Q. Good afternoon, Mr. McRae.

02:32:34
A. Hi.

02:32:35
Q. I'm Josh Budwin of McKool Smith, counsel for 02:32:35

Eolas. I have some questions for you.
02:32:39
Okay?
02:32:41
A. I would like to add something to what I just 02:32:43 said before we stopped, if I can. 02:32:43

Just that, you know, I'm not qualified to 02:32:46
judge the validity of the patent. I wasn't in '93 and 02:32:47
I'm not now. But, you know, if the patent is valid, 02:32:52
which the courts -- you know, it's up to the courts, $\quad 02: 32: 56$
then I believe I'm a co-inventor. 02:32:59
MR. BUDWIN: Do you want to follow up on that 02:33:04
before I start my questions?
02:33:05
MR. WOLFF: Yes.
02:33:07
FURTHER EXAMINATION
02:33:07
BY MR. WOLFF:
02:33:07
Q. So your position is that if the patent is 02:33:10
valid, you are an inventor, but if it's not valid, you 02:33:14
Page 150
Page 150

qualified. I don't really understand that.
02:34:18
Q. (By Mr. Wolff) And in the correspondence 02:34:20
that we looked at in Exhibit 37 -- this was the 02:34:21 correspondence that you prepared and sent to Eolas' 02:34:25 counsel --

02:34:29
A. Yes. 02:34:29
Q. -- McKool Smith. 02:34:30
That document, Exhibit 37, has discussions 02:34:31 about people putting markup into hypertext to have 02:34:35 inline embedded objects. 02:34:40
A. Yes. 02:34:44

MR. BUDWIN: Form. 02:34:45
MR. WOLFF: I have no further questions at 02:34:46 this time. 02:34:48

| EXAMINATION | $02: 34: 48$ |
| :---: | :---: |
| BY MR. BUDWIN: | $02: 34: 48$ |
| Q. Okay. Try again. | $\mathbf{0 2 : 3 4 : 4 9}$ |

Good afternoon, Mr. McRae. I'm Josh Budwin 02:34:50 of McKool Smith, counsel for Eolas. I'm going to 02:34:51 follow up on some of the questioning here just a little 02:34:58 bit. So I'm sorry if some of this seems a little 02:34:59 repetitive to counsel's earlier questioning. 02:35:01 Mr. McRae, can you state your full name, 02:35:06
please.
02:35:07
A. Christopher McRae.

02:35:09
Page 152
Q. Do you have a middle name?

02:35:11
A. James.

02:35:13
Q. And what's your present address? 02:35:14
A. My home address?
Q. Yes, present home address.

02:35:17
02:35:19
A. 1532 Jasper Drive, Sunnyvale, 94087. 02:35:20
Q. You understand that you are still under oath 02:35:29
and you have the obligation to answer questions 02:35:31 truthfully and accurately to the best of your 02:35:32 abilities?

02:35:35
A. Yes, I do.

02:35:36
Q. And you understand that the testimony you 02:35:36 give has the same legal effect as if you were appearing 02:35:38 live in a court of law?

02:35:42
A. Yes, I do.
02:35:45
Q. Are there any reasons that you are unable to 02:35:46
testify truthfully and accurately today? 02:35:50
A. No.
02:35:53
Q. Any medication, ill, anything of that nature? 02:35:53
A. No.
02:35:56
Q. Do you have any medical conditions or any 02:35:56 other instances or issues that would impair your 02:35:58 ability to recall past events? 02:36:02
A. Other than age?
02:36:06
Q. Yeah. Other than age, any medical conditions 02:36:08 Page 153

or -- or anything like that?
02:36:14
Q. Mr. McRae, Exhibit 3 was marked earlier in 02:36:30 the deposition, which appears to be a resume of yours? 02:36:33
A. Yes.

02:36:36
Q. Can you find that for me. Let me know when 02:36:36 you have it. It's Exhibit 3 -- or Exhibit 2. 02:36:49
A. Okay. I have it.

02:36:53
Q. Is this, the resume in Exhibit 2, an accurate 02:36:56
summary of your work history up through the date of 02:37:00 this resume, January 1997? 02:37:03

02:37:08
history from January of 1997 to the present, please. 02:37:11
A. So this resume only goes to 1994 02:37:25
Q. Yeah.

02:37:28
A. And you want to know from 1997? 02:37:28
Q. Okay. Well, do you see the first page of 02:37:31

02:37:35
Q. It's dated Friday, January 17th, 1997, 02:37:35
A. Yes.

2:37:39
Q. And in the SCCOE, it says, "I began working 02:37:41
full time as an independent consultant in 1995." 02:37:45
Page 154
A. Yes. 02:37:48
Q. Okay. So if you look to the second page of 02:37:48 Exhibit 2, it's got your work history, and it says, 02:37:54 "O'Reilly \& Associates, July" -- "from 12-93 to July 02:37:57 '94." 02:38:03
Do you see that?
02:38:04
A. Yes, I do.

02:38:05
Q. Can you step me through your work history 02:38:06 from then until now. 02:38:08
A. So there's a gap after O'Reilly \& Associates. 02:38:11
Q. Okay. What are the -- can you give me the 02:38:14 dates and where you worked.

02:38:15
A. I ended my job at O'Reilly \& Associates -- 02:38:17
well, I was -- I wasn't fired, I guess. I don't know. 02:38:19
I was -- they ended my employment because I had a 02:38:25 medical condition and wasn't able to work any longer. 02:38:28

And so I -- I spent eight months, I think it 02:38:36
was, out of work, and then I began working for the 02:38:41
Santa Cruz County Office of Education, building a 02:38:48 network for them.

02:38:51
And I also took on as -- acted as an 02:38:55
independent consultant and I had a number of other 02:38:59
clients that I worked for over the next two years or 02:39:02
so, three years, I think. 02:39:06
And then I worked for a company called 02:39:08

NaviSite, Incorporated, for two years I think it was. 02:39:11
And I was laid off of that job after the dotcom bust. 02:39:17
Then I had several years where I -- it was 02:39:28
very difficult to find work. I had some -- a few very 02:39:31 short consulting jobs.

02:39:35
In 2003, I believe it was, I worked a 02:39:43
ten-month contract with Cisco Systems. And then I was 02:39:48
hired at my present job at NetApp in December of '94 -- 02:39:58 or, I'm sorry, $2004 . \quad$ 02:40:04

MS. DOAN: I'm sorry. NetApp? 02:40:12
THE DEPONENT: NetApp, yes. 02:40:15
Q. (By Mr. Budwin) All right. So let me make 02:40:20 sure $I$ understand. 02:40:20

So according to Exhibit 2, you left O'Reilly 02:40:21
\& Associates in July of 1994; is that correct? 02:40:21
A. That's right.
02:40:24
Q. And you left because you had a medical 02:40:25
condition that made you unable to work? 02:40:26
A. Yes, that's correct.
02:40:28
Q. What was that medical condition? 02:40:29
A. The diagnosis was thoracic outlet syndrome. 02:40:32
Q. What does that mean?

02:40:39
A. You're asking me?

02:40:42
Q. Yeah, what is it? Well, describe it to a 02:40:43
layperson.
02:40:45
Page 156

| A. It's a type of repetitive strain injury | $02: 40: 46$ |
| :--- | :---: | :---: |
| related to typing, overwork, exhaustion. | $02: 40: 52$ |
| Q. Is that medical condition why you left | $\mathbf{0 2 : 4 1 : 0 2}$ |
| O'Reilly or were there other reasons that related to | $\mathbf{0 2 : 4 1 : 0 4}$ |
| you leaving O'Reilly? | $\mathbf{0 2 : 4 1 : 0 8}$ |
| A. I was unable to do my job. | $02: 41: 11$ |
| Q. Because of your medical condition? | $\mathbf{0 2 : 4 1 : 1 3}$ |
| A. Yes. | $02: 41: 15$ |
| Q. Were there reasons unrelated to your medical | $\mathbf{0 2 : 4 1 : 1 5}$ |
| Q. |  |

condition that related to you leaving O'Reilly? 02:41:20
A. Yes.
02:41:23
Q. Okay. What were those?
02:41:23
A. I wasn't performing as well as I might 02:41:28
because I wasn't really interested in the work. And 02:41:33 that was some degree related to the -- to the medical 02:41:36 condition as well. 02:41:41
Q. Were you fired from O'Reilly or were you laid 02:41:47 off? Did you resign? 02:41:50
A. It was like medical leave, I think. I don't 02:41:54 know the specific -- I wasn't really fired. 02:41:56
Q. Did you have any disagreements with any of 02:42:00 the management of $O$ 'Reilly prior to you leaving? 02:42:01
A. No.
02:42:04
Q. All right. So you were at O'Reilly to July 02:42:04
of 1994. And then you left, in part, because of your 02:42:06
Page 157
medical condition and, in part, because you weren't 02:42:10 interested in the work; is that right? 02:42:13
A. No. The primary reason for me leaving was 02:42:14
the medical condition. 02:42:16
Q. Okay. And then you were out of work for a 02:42:18
little while while you recuperated, and then you went 02:42:20
to work for Santa Cruz Department of Education? 02:42:21
A. County Office of Education, yes. 02:42:26
Q. And you did that, and you were also an 02:42:28
independent consultant from 1994 to 1997, 02:42:28 approximately? 02:42:32
A. Yes. '98 maybe, I think. 02:42:33
Q. Then after that, you went to work for 02:42:36

| NaviSite? | $\mathbf{0 2 : 4 2 : 3 7}$ |
| :---: | :---: |
| A. That's right. | $02: 42: 40$ |

Q. And that was from approximately 1997 or 1998 02:42:41 to 1999 ?

02:42:43
A. No.

02:42:45
Q. Okay.

02:42:47
A. I'm sorry. I think it was '99 to 2000. 02:42:48
Q. Was there a gap between when you were at the 02:42:53

Santa Cruz County Education and when you started 02:42:56

| 02:43:01 |  |
| :--- | :---: |
| NaviSite? | $02: 43: 04$ |
| A. I don't recall the exact timing. I handed | $02: 43: 08$ |

Page 158

beginning in December 2004, you started working at Net 02:43:44 Appliance; is that right? 02:43:48
A. Network Appliance. Well, the company's name 02:43:50 is formally NetApp. 02:43:50
Q. NetApp. Okay. 02:43:51

So you started working at NetApp in 02:43:51
December 2004? 02:43:53
Page 159
A. Yes.
02:43:55

I'm sorry. I believe the Cisco contract was 02:43:55
in 2004. It was for ten months in $2004 . \quad 02: 43: 58$
Q. Okay. So December 2004 is when you started 02:44:01
at NetApp? 02:44:05
A. That's right.

02:44:06
Q. And that's where you are employed today? 02:44:07
A. That's right. 02:44:09
Q. And what do you do at NetApp today? 02:44:10
A. I'm a software engineer.

02:44:13
Q. And, Mr. McRae, you worked at the University 02:44:37 of California San Francisco; is that correct? 02:44:39
A. Yes, I did.
02:44:41
Q. And you were there from February 1993 to 02:44:42

December of 1993; is that correct? 02:44:48
A. Yes, it is.
02:44:51
Q. And while you were there, you were working in 02:44:51 the University of California San Francisco Library and 02:44:53 Center for Knowledge Management; is that correct? 02:44:57
A. Yes, it is.
02:44:59

MR. BUDWIN: I'm going to hand you a document 02:45:11
which will be marked as Exhibit $38 . \quad 02: 45: 13$
THE REPORTER: Wait. Is this a new document? 02:45:14
$\begin{array}{lc}\text { MR. BUDWIN: Yes. } & 02: 45: 41 \\ \text { THE REPORTER: It's } 40 . & 02: 45: 41\end{array}$ Page 160

| MR. BUDWIN: Okay. Forty. Sorry. | 02:45:41 |
| :--- | :---: |
| Exhibit 40 is a copy of a document that bears | $02: 45: 41$ |
| Production No. CM001611 to 1612. | $02: 45: 45$ |
| (Whereupon, Exhibit 40 was marked for | $02: 45: 51$ |
| identification.) | $02: 45: 52$ |

Q. (By Mr. Budwin) Do you recognize your 02:45:53 signature on this document, Mr. McRae? 02:45:56
A. Yes, I do.
02:45:59
Q. Do you see it on both the first and the 02:46:00
second pages? 02:46:01
A. Yes, I do.
02:46:04
Q. And is this a document that you signed when 02:46:04 you joined the University of California, San Francisco? 02:46:06
A. Yes, it is.
02:46:08
Q. Now -- you can -- you can set that aside. 02:46:12

Now, when you worked at the University of San 02:46:14
Francisco in 1993, you were initially hired by David 02:46:19
Martin; is that right? 02:46:25
A. The University of California at San 02:46:27

Francisco. 02:46:29
Q. Yes. Sorry. The University of California. 02:46:30
A. Yes. 02:46:34
Q. And several months after you started working 02:46:39 at the University of California was when Michael Doyle 02:46:41 was brought in as the director of the group that you 02:46:44

Page 161

Q. Did you ever suggest to anybody in $\mathbf{1 9 9 3}$ or
$\mathbf{0 2 : 4 9}$
$\mathbf{1 9 9 4}$ that you should be listed as an author on those
papers?
02:49:25
MR. WOLFF: Objection. Form.
THE DEPONENT: No, I didn't.
Q. (By Mr. Budwin) Do you know if Mike -- 02:49:33

Michael Doyle and Cheong Ang had began working on the 02:49:34 visible embryo project before they came to UCSF in June 02:49:39 of 1993 ?

02:49:43
A. Yes.

02:49:44
Q. They -- they had been working on the visible 02:49:45 embryo project before they came to UCSF? 02:49:46

| MS. DOAN: Objection. Form. | $02: 49: 50$ |
| :--- | :---: |
| MR. WOLFF: Objection. Form. | $02: 49: 51$ |
| MS. DOAN: You can answer. | $02: 49: 51$ |
| THE DEPONENT: Yes. | $02: 49: 52$ |

Q. (By Mr. Budwin) Mr. McRae, do you have a 02:49:54 copy of Exhibit 3 in front of you? 02:50:31
A. I'm not sure which document that is. 02:50:36
Q. Sure. It will say Exhibit 3 on it. It will 02:50:39
have a sticker. 02:50:43
A. Yes, I do.
02:50:48
Q. So Exhibit 3 is a copy of a document that 02:50:52
doesn't have any Bates numbers on it, but it's dated 02:50:56
Tuesday, the 21st of September 1993.
02:51:01 Page 164
A. I was working on a number of different 02:47:41
things. I don't know if they are formal projects, per 02:47:43
se. They are all related to delivering information to 02:47:46
the library community. There's WAIS indexing 02:47:52
integration with external -- well, internal and 02:47:58
external library systems through Z39.50 protocol, 02:48:03
Opaque and Melville. 02:48:06
Q. Were you ever or did you ever formally work 02:48:20 on the visible embryo project? 02:48:23
A. I don't know what formally means. 02:48:29
Q. Were you ever part of the team that worked on 02:48:31 the visible embryo project at UCSF? 02:48:33
A. I worked with Cheong Ang every day while he 02:48:37
was working on that, and so I helped him on a 02:48:39

$$
\text { day-to-day basis. } \quad 02: 48: 41
$$

Q. Did you write any code that was ever used in 02:48:43 any way by the visible embryo project? 02:48:45
A. No, I don't think so. 02:48:48
Q. There were several papers published about the 02:49:02
visible embryo project in 1993 and 1994. Are you aware 02:49:05 of those papers? 02:49:09
A. Vaguely, yes.
02:49:10
Q. Were you listed as an author on any papers 02:49:11 related to the visible embryo project? 02:49:14
A. No, I wasn't.
02:49:16

| Do you see that? | $02: 51: 03$ |
| :--- | :---: |
| A. Yes, I do. | $02: 51: 05$ |
| Q. And in it, there's a -- an e-mail from | $02: 51: 05$ |
| johnloiacono@west.sun.com. | $02: 51: 08$ |
| Do you see that? | $02: 51: 11$ |
| A. Yes, I do. | $02: 51: 13$ |
| Q. And it says, "John Loiacono, Sales Rep, 02:51:14 |  |
| Silicon Valley Commercial." | $02: 51: 18$ |
| Do you see that? | $02: 51: 22$ |
| A. Yes. | $02: 51: 23$ |
| Q. Do you have an understanding of who John |  |

Loiacono was?

02:51:27
A. Only from this e-mail. It says he's a sales 02:51:33
rep for the Silicon Valley Commercial. 02:51:35
Q. Do you recall trying to buy computers from 02:51:37

Sun in September of 1993?
02:51:41
A. No.
02:51:45
Q. Do you recall what the reference to WABI in 02:51:45

Exhibit 3 is? W-A-B-I. 02:51:49
A. No. I know that it's something application 02:51:54 binary interface. 02:51:57

| Q. But you don't know what it stands for? | $02: 51: 59$ |  |
| :--- | :--- | :--- |
| A. No, I don't. | $02: 52: 01$ |  |
| Q. Do you know if the group at UCSF ever | $\mathbf{0 2 : 5 2 : 0 2}$ |  |

Q. Do you know if the group at UCSF ever

02:52:02
acquired Sun computers that have the software listed in 02:52:06

| Exhibit 3? 02:52:10 | A. Not for the RedSage project, I don't believe. 02:57:35 |
| :---: | :---: |
| A. No. 02:52:14 | Q. Did you investigate the use of Adobe PDF for 02:57:38 |
| Q. Do you recall ever using Aldus PageMaker 02:52:15 | any projects in 1993 while you were at UCSF? 02:57:42 |
| during the time that you were employed at UCSF? 02:52:19 | A. Yes. 02:57:45 |
| A. No, I don't recall. 02:52:24 | Q. What did you investigate PDF for? 02:57:45 |
| Q. So with respect to Exhibit 3, it's possible 02:52:26 | A. For use as a general display mechanism for 02:57:48 |
| that you were getting quotes on buying machines that 02:52:28 | electronic documents. 02:57:52 |
| had certain software, but you don't remember whether 02:52:31 | Q. And what did you conclude? 02:57:54 |
| you actually got any of these machines listed in 02:52:34 | A. They would be useful and we would like to use 02:58:00 |
| Exhibit 3? 02:52:37 | it. 02:58:02 |
| A. That would have been one of David Martin's 02:52:38 | Q. Did you ultimately end up using it? 02:58:03 |
| responsibilities, not mine. 02:52:40 | A. Not while I was there, no. 02:58:05 |
| Q. So you don't -- you don't know if you ever 02:52:41 | Q. So as far as you're aware, nobody at UCSF 02:58:07 |
| got any of the Sun computers mentioned in Exhibit 3. 02:52:43 | ended up using Adobe PDF for any of the projects that 02:58:10 |
| A. No. 02:52:46 | the group was working on? 02:58:13 |
| Q. And you don't recall ever using Aldus 02:52:47 | A. I'm not aware. 02:58:16 |
| PageMaker during the time that you were employed at 02:52:48 | MR. WOLFF: Object to form. 02:58:17 |
| UCSF. 02:52:53 | THE DEPONENT: No, I'm not aware of any such 02:58:18 |
| A. No. 02:52:54 | use. 02:58:20 |
| Q. Okay. Now, you have Exhibit 4 in front of 02:52:58 | Q. (By Mr. Budwin) Now, in the 1993 time frame, 02:58:20 |
| you, $5,6,7,8,9,10,11,12,13,14,15,16$. Okay. 02:53:12 <br> So do you have Exhibits 4 through 16 in front 02:53:59 | $\begin{array}{lc}\text { did you or did anyone else, to your knowledge, ever } & 02: 58: 26 \\ \text { combine Acrobat with a Web browser like Mosaic? } & 02: 58: 30\end{array}$ |
| of you? 02:54:02 | A. No. 02:58:34 |
| A. Not yet. 02:54:03 | Q. In 1993, had you ever seen anybody use Adobe 02:58:35 |
| Q. All right. Look for those and tell me when 02:54:04 | PDF to display Acrobat documents embedded within a Web 02:58:39 |
| Page 166 | Page 168 |
| you get them. 02:54:07 | browser? 02:58:43 |
| A. I'm sorry. What was the range again? 02:54:55 | MR. WOLFF: Object to form. 02:58:45 |
| Q. Sure. Four to 16. 02:54:58 | THE DEPONENT: No. 02:58:49 |
| A. I seem to be missing No. $12 . \quad 02: 56: 18$ | Q. (By Mr. Budwin) In 1993, did you or did 02:58:52 |
| Q. Once you find that one, maybe while I'm 02:56:30 | anyone in your -- the group that you were in at UCSF do 02:58:59 |
| asking you my questions, somebody can help you put all 02:56:32 | any work to combine Acrobat with a web browser like 02:59:03 |
| the rest of your exhibits in order. I'm going to have 02:56:34 | Mosaic, to your knowledge? 02:59:10 |
| a bunch more questions like this about a whole group of 02:56:34 | A. No. 02:59:12 |
| exhibits, and it would make things a little faster. 02:56:38 | Q. With respect to Exhibits 4, 5 and 6, these 02:59:48 |
| A. Okay. 02:56:51 | are publications or alleged to be publications about 02:59:59 |
| Q. All right. 02:56:51 | Adobe PDF. 03:00:03 |
| A. I have those documents. 02:56:52 | Do you have those exhibits in front of you, 03:00:04 |
| Q. Mr. McRae, do you have Exhibits 4 through 16 02:56:53 | 4, 5 and 6? 03:00:05 |
| in front of you? 02:56:57 | A. Yes, I do. 03:00:07 |
| A. Yes, I do. 02:56:58 | Q. When you reviewed these documents and while 03:00:08 |
| Q. And do you recall Mr. Wolff asking you 02:57:00 | Mr. Wolff was asking you questions about them, did you 03:00:10 |
| questions about these exhibits earlier today? 02:57:03 | see any reference to a web browser or the Internet or 03:00:11 |
| A. Yes, I do. 02:57:05 | HTTP in any of these documents? 03:00:14 |
| Q. And do you see that the common theme about 02:57:06 | MR. WOLFF: Object to form. 03:00:42 |
| each of Exhibits 4 through 16 is they relate to Adobe 02:57:09 | THE DEPONENT: Should I be looking through 03:01:08 |
| and Adobe PDF? 02:57:13 | each of these? 03:01:10 |
| A. Yes. 02:57:15 | Q. (By Mr. Budwin) I was just ask- -- let me 03:01:11 |
| Q. Now, in 1993, as part of your work at UCSF, 02:57:21 | ask my question again, and maybe that will help you. 03:01:11 |
| did you and David Martin investigate the use of Adobe 02:57:25 | When you were reviewing Exhibits 4, 5 and 6 03:01:14 |
| PDF for the RedSage project? 02:57:30 | during Mr. Wolff's questioning of you, did you see any 03:01:17 |
| Page 167 | Page 169 |

references to the Internet, Web browsers or HTTP in any 03:01:19 page

## 03:03:37

| page. | $03: 03: 37$ |
| :--- | :---: |
| Do you see that heading? | $\mathbf{0 3 : 0 3 : 3 7}$ |
| A. I see the heading. | $03: 03: 39$ |
| Q. Okay. | $\mathbf{0 3 : 0 3 : 4 0}$ |
| A. Oh, I'm sorry. | $03: 03: 40$ |
| Q. That's all I'm asking you. Do you see the | $\mathbf{0 3 : 0 3 : 4 1}$ |
| heading? | $\mathbf{0 3 : 0 3 : 4 1}$ |

A. I see it. I didn't see "Our contribution," I 03:03:42 see it now. 03:03:43
Q. All right. Now, were you proposing to work 03:03:44 with Adobe and use Adobe PDF for the RedSage project? 03:03:47
A. I don't think it was specific to RedSage. We 03:03:59
were looking to use it, yes. 03:04:02
Q. And to your knowledge, was Adobe responsive 03:04:03
to your inquiries? 03:04:05
A. Based on the e-mails I saw this morning, yes, 03:04:10 they did respond. 03:04:12
Q. No, maybe you're misunderstanding me. 03:04:14

I didn't ask did Adobe respond to you. Were 03:04:16 they responsive to your inquiries about your group 03:04:17 using PDF as a beta site, Adobe PDF as a beta site? 03:04:20
A. There was a beta agreement that I saw this 03:04:26 morning. 03:04:28
Q. Does this document, Exhibit 16, say "beta 03:04:28 agreement" on it? 03:04:31 Page 172
A. "RedSage brings" --
03:02:32
Q. Yes.

03:02:33
A. -- "the electronic distribution"? 03:02:33
Q. Yes.

03:02:35
A. Yes, I see it.

03:02:35
Q. Can you read that sentence out loud, please. 03:02:35
A. "RedSage brings the electronic distribution 03:02:37
of the full text of a number of medical journals to $03: 02: 39$
several libraries and/or hospitals around the Bay 03:02:43
Area." 03:02:46
Q. And is that, in fact, one of the projects 03:02:47
that you were working on while you were at UCSF? 03:02:49
A. Yes, it was.

03:02:53
Q. And to your knowledge, did anyone at UCSF 03:02:54
ever use Adobe PDF for the RedSage project? 03:02:57
MR. WOLFF: Object to form.
03:03:04
THE DEPONENT: No.
03:03:06
Q. (By Mr. Budwin) And in this document, 03:03:07 Exhibit 7, there's a section that starts, "Our 03:03:09 contribution." 03:03:15

Do you see that? 03:03:16
At the bottom of the page. "Adobe/PDF and 03:03:25
WorldWideWeb: Our contribution."
03:03:29
Do you see that?
03:03:32
It's the heading on the bottom of the first 03:03:33
A. That's 17 ?
03:04:42
Q. Sixteen.
03:04:43
A. Sixteen. "Preferred customer agreement for 03:04:53
disclosure of Adobe information." 03:04:54
Q. It doesn't say, "beta agreement," does it? 03:04:56
A. I don't see "beta." I haven't read it, every 03:04:58 sentence, though. 03:05:01
Q. So all I'm trying to understand, Mr. McRae, 03:05:02 is did your group, to your knowledge, end up using 03:05:05 Adobe PDF for any purpose that you can recall during 03:05:08 the time that you were employed at UCSF? 03:05:11
A. No, we did not.
03:05:15
Q. Okay. Do you recall the first time that you 03:05:16
ever saw an Adobe PDF document embedded in a web 03:05:37 browser?

03:05:43
MR. WOLFF: Object to form. 03:05:45
THE DEPONENT: No, I don't recall the first 03:05:55 time. 03:05:58
Q. (By Mr. Budwin) Was it well after you left 03:05:58

## UCSF? <br> 03:06:01

A. Yes, I believe it was. 03:06:01
Q. Was it after you left O'Reilly? 03:06:02
A. Yes. 03:06:04
Q. And you left O'Reilly in July 1994? 03:06:07
A. That's correct. 03:06:10

Page 173
Q. Now, do you have Exhibit 9, 10, and 11 in 03:06:34
front of you? These are e-mails. 03:06:43
A. Yes, I do. 03:06:55
Q. All right. You see Exhibit 9 is an e-mail 03:06:56
dated June 2nd, 1993? 03:06:58
A. Yes. 03:07:02
Q. It refers to "Adobe Acrobat Beta Agreement." 03:07:03

Do you see that? 03:07:07
A. Yes, I do. 03:07:08
Q. Do you see Exhibit 10 is an e-mail from 03:07:08

June 18th, 1993? It says, "Adobe Beta Agreement for 03:07:11
Acrobat/PDF"? 03:07:13
A. Yes, I do.

03:07:17
Q. And Exhibit 11 is an e-mail dated June 21st, 03:07:18
1993. And in -- in the e-mail below, it says, "Adobe 03:07:21 Beta Agreement."

03:07:27
Do you see that?
03:07:28
A. Yes, I do

03:07:29
Q. Do you know one way or the other whether 03:07:31

Exhibit 16 is the Adobe beta agreement referred to in 03:07:34 Exhibits 9 through 11?

03:07:38
A. No, I don't.
03:07:41
Q. As we saw earlier, Exhibit 16 doesn't say 03:07:43 anything about a beta agreement, does it? 03:07:46
A. No. I didn't see anything there. 03:07:49 Page 174
Q. And you don't recall UCSF ever being a beta 03:07:53 test site of any kind for Adobe PDF during the time 03:07:57 that you were there? 03:08:01
A. No.
03:08:02
Q. All right. You can set those -- those aside. 03:08:03

So the next group of documents I want you to 03:08:16 get is going to start with Exhibit 17 and go through 03:08:18 Exhibit 26. 03:08:31
Okay. Do you have Exhibits 17 through 26? 03:09:28
A. Yes, I do. 03:09:30
Q. All right. Before I ask you questions about 03:09:31 those, let me just follow up, one more question about 03:09:33 the Adobe PDF we were talking about before. 03:09:35

You're in the habit of taking notes, correct? 03:09:39
A. When I need to.

03:09:42
Q. You keep lab notebooks and you keep pretty 03:09:42 detailed notes, don't you? 03:09:45
A. I don't know about detailed, but, yes, I do. 03:09:47
Q. It was your practice when you were employed 03:09:50 at UCSF to take notes in a lab notebook; is that right? 03:09:52
A. Yes.
03:09:56
Q. In reviewing those notes for document

03:09:56
production and preparation for the deposition today, 03:09:58 did you see any references or discussion about UCSF 03:10:01 using Adobe PDF for any of the projects at UCSF? 03:10:04 $\quad$ Laboratories Software and Visualization Sampler." 03:12:19 Page 175

MR. WOLFF: Object to form. 03:10:10
THE DEPONENT: My design notes referenced 03:10:12 PDF. 03:10:14
Q. (By Mr. Budwin) Okay. I want you to listen 03:10:15 to my specific question. Okay?

03:10:17
When you were looking at your notes to 03:10:19 prepare for the deposition today, did you see any 03:10:20 reference to using, actual use of Adobe PDF for any of 03:10:22 the projects that you were working on at UCSF? Yes or 03:10:27 no? 03:10:30
MR. WOLFF: Object to form. 03:10:31
THE DEPONENT: What do you mean by "use"? 03:10:32
Q. (By Mr. Budwin) Did you actually use Adobe 03:10:34 PDF? 03:10:35
A. No.

03:10:37
Q. Okay. Now, in preparing and looking at those 03:10:37
same notes the -- strike that.
03:10:42
While you were employed at UCSF, you kept lab 03:10:44 notebooks, correct? 03:10:47
A. Yes, I did.
03:10:48
Q. All right. Did you see any reference in any 03:10:49 of your lab notebooks to MediaView? 03:10:51
A. No.
03:10:55
Q. Prior to the deposition today, did you recall 03:10:56
ever hearing anything about MediaView? 03:10:59 Page 176

| MS. DOAN: Objection. Form. | 03:11:05 |
| :--- | ---: |
| THE DEPONENT: No. I did not recall | $03: 11: 07$ |

MediaView. 03:11:09
Q. (By Mr. Budwin) Now, I believe you testified 03:11:09 that when you were at UCSF you didn't have any NeXt 03:11:11 machines; is that correct?

## 03:11:14

A. That's correct.

03:11:16
Q. Do you have an understanding -- 03:11:19
A. I'm sorry. It's correct that we didn't have 03:11:20
any NeXt machines. I don't think I actually said that 03:11:21 earlier. 03:11:24
Q. It's correct, isn't it, that when you were 03:11:26
employed at UCSF, your group, which included yourself 03:11:27
and -- and other people, did not have any NeXt 03:11:30
machines?
03:11:32
A. That's correct.

03:11:34
Q. Do you have Exhibit 25 in front of you? 03:11:46 Do you see this is a document that starts at 03:11:50
the top --
03:12:03
A. Just a moment. I would like to get the 03:12:04
document.
03:12:06
Q. I thought you had it.

03:12:06
A. Yes, I do have it.

03:12:15
Q. It starts at the top, "Los Alamos National 03:12:17

UCSF ever using a NeXt machine, do you? 03:16:27
A. No, I don't.
03:16:32
Q. Is it fair to say that none of the work that 03:16:46
you did or you can recall the people in your group 03:16:48
doing while you were at UCSF was based in whole or in 03:16:50
part in any way on either MediaView or Adobe PDF? 03:16:55
MR. WOLFF: Object to form. 03:16:59
THE DEPONENT: The question was, is it fair 03:17:02
to say?
03:17:04
Q. (By Mr. Budwin) Yes.

03:17:04
A. Yes, I think so.
Q. Do you have Exhibit 29?

03:17:05
03:17:35
A. Yes.

03:17:56
Q. Exhibit 29 has Bates Nos. CM000874 through 03:17:56
875. And do you see this -- this is a reference to -- 03:18:03 or at least at the top it's got a reference to "the 03:18:09
WorldWideWeb Wizards Workshop last July in Cambridge." 03:18:1
Do you see that?
03:18:16
A. Yes, I do.
03:18:17
Q. And at the top is an e-mail that you sent 03:18:18
that refers, at least in part, to the WorldWideWeb 03:18:18
Wizards Workshop; is that correct?
03:18:25
A. Sent to? 03:18:29
Q. Was an e-mail -- yeah, it's an e-mail you 03:18:30
sent, Christopher McRae -- 03:18:32
Page 182
A. Yes.
03:18:34
Q. -- that refers, in the first sentence, to 03:18:34
"the WorldWideWeb Wizards Workshop last July in Cambridge," right? 03:18:39
A. Yes.
03:18:41
Q. There's no reference in this e-mail to the 03:18:41

Viola system, is there? 03:18:43
A. I would have to read it to verify that. 03:18:46
Q. Take your time.

03:18:48
A. It says, "Regarding the development of WWW 03:19:32
and other distributed information systems, Gopher, 03:19:34
$\begin{array}{cc}\text { WAIS, et cetera." } & 03: 19: 36 \\ \text { Q. Okay. } & \mathbf{0 3 : 1 9 : 3 7}\end{array}$
Q. Okay.
A. No specific mention of Viola, that I see. 03:19:38
Q. Now, again, you kept lab notebooks while you 03:19:41
were employed at UCSF, correct? 03:19:45
$\begin{array}{lll}\text { A. } & \text { Yes, I did. } \\ \text { Q. And in looking through those lab notebooks in 03:19:49 }\end{array}$
advance of today's deposition, you didn't see any 03:19:51
reference to Viola that -- that you put in your lab 03:19:53
notebooks prior to the time that you left UCSF, did 03:19:56
you?
03:19:58
MR. WOLFF: Object to form. 03:20:02
THE DEPONENT: I don't recall seeing any 03:20:05
such.
03:20:06
Q. (By Mr. Budwin) And you left UCSF in 03:20:07

## December of 1993? 03:20:10

A. That's correct.

03:20:12
Q. Now, Mr. Wolff asked you questions about what 03:20:15
you saw demonstrated at the Wizards Workshop in July of 03:20:18 1993. 03:20:23
Do you recall him asking you that? 03:20:23
A. Yes.
03:20:25
Q. Do you have a specific recollection, sitting 03:20:30
here today, of seeing Pei Wei or Scott Silvi or anyone 03:20:32
else demonstrate Viola at the Wizards Workshop in July 03:20:37 of 1993 ? 03:20:42
A. I don't have a specific recollection of that. 03:20:43
Q. Do you know if Mr. Wei and Mr. Silvi actually 03:20:50
pulled some people aside and showed them Viola maybe in 03:20:53
a side room? 03:20:56
A. That's certainly possible. There's plenty of 03:20:59
side discussions. 03:21:02
Q. You recall there being plenty of side 03:21:03
discussions at the Wizards Workshop? 03:21:06
A. That's right.
03:21:08
Q. You don't recall Mr. Wei or Mr. Silvi or 03:21:08

Mr. Dougherty, or anybody else, demonstrating Viola to 03:21:10
the group as a whole, at least while you were there? 03:21:14
A. Not the entire group as a whole. I don't 03:21:17

Page 184
recall, actually, a demonstration specifically at all. 03:21:19
Q. Sitting here today, you don't recall Mr. Wei 03:21:23

03:18:34 or Mr. Silvi or Mr. Dougherty demonstrating Viola at 03:21:24
the Wizards Workshop in July of 1993.
03:21:30
MR. WOLFF: Object to form.
03:21:32
03:21:33
THE DEPONENT: No, I don't.
03:21:35
Q. (By Mr. Budwin) And you attended the
$\begin{array}{cc}\text { workshop? } & \mathbf{0 3 : 2 1 : 3 6} \\ \text { A. Yes, I did. } & 03: 21: 37\end{array}$
A. Yes, I did.
Q. And as we talked about, you kept lab 03:21:39
notebooks while you were at UCSF?
03:21:42
A. Yes.
03:21:45
Q. And during the entirety of the time that you 03:21:45
were employed at UCSF and looking at those lab 03:21:47 notebooks before the deposition today, you don't see 03:21:50 any reference to Viola from the time you were employed 03:21:52 at UCSF.

03:21:54
A. Reference to Viola?

03:21:57
Q. Right.

03:21:58
A. No.

03:21:59
Q. And the e-mail in Exhibit 29 doesn't 03:22:00
reference Viola, right?
03:22:02
A. That's correct.

03:22:06
Q. Now, after you left UCSF, you went to 03:22:09

O'Reilly \& Associates; is that right? 03:22:12
Page 185

| A. That's right. 03:22:14 <br> Q. And so December of 1993, you leave UCSF, you 03:22:15 go to O'Reilly; is that right? <br> 03:22:18 <br> A. Yes. 03:22:22 <br> Q. And you said that after you left UCSF, you 03:22:22 actually sat in the same office as Mr. Wei and 03:22:25 Mr. Silvi. 03:22:29 <br> A. I think beginning in March of 1994. I think 03:22:31 there were a couple of months I didn't actually work 03:22:34 with them in Berkeley. <br> Q. Okay. Now, Mr. Wolff asked you questions 03:22:40 about Viola and a chess board. <br> 03:22:46 <br> Do you recall that? 03:22:49 <br> A. Yes, I do. 03:22:49 <br> Q. Needless to say, you don't remember Mr. Wei 03:22:54 demonstrating Viola with a chess board at the Wizards 03:22:58 Conference in July of 1993, do you? 03:23:02 <br> MS. DOAN: Objection. Form. 03:23:05 <br> THE DEPONENT: Not specifically, no. <br> 03:23:06 <br> Q. (By Mr. Budwin) And Mr. Wolff also asked you 03:23:07 questions about Viola and a drawing widget. <br> Do you recall that? <br> 03:23:10 <br> A. Yes. <br> 03:23:11 <br> Q. Needless to say, you don't recall Mr. Wei or 03:23:12 anyone else demonstrating Viola with a drawing widget 03:23:15 Page 186 <br> at the Wizards Conference in July of 1993, do you? 03:23:17 <br> A. Actually, I do -- I believe that is what I 03:23:21 <br> saw, is that part of the demo or that's what I became 03:23:23 aware of. I saw that -- Viola do that. 03:23:26 <br> Q. I want to ask very specifically. 03:23:30 <br> Do you recall the demonstration of Viola from 03:23:33 the Wizards Workshop in July of 1993? Do you recall 03:23:35 seeing it with your own eyes? 03:23:39 <br> A. No. I -- no. 03:23:41 <br> Q. So do you recall seeing with your own eyes 03:23:44 Mr. Wei or Mr. Silvi, or anybody else, demonstrating 03:23:46 the Viola drawing widget at the Wizards Workshop in 03:23:50 July of 1993? 03:23:54 <br> A. I recall seeing the demonstration, but I 03:23:56 cannot place that recollection -- recollection 03:23:59 specifically at that workshop. 03:24:02 <br> Q. As we talked about earlier, after you left UCSF, you joined O'Reilly \& Associates, right? 03:24:09 <br> A. That's correct. 03:24:13 <br> Q. You joined O'Reilly \& Associates in December 03:24:14 of 1993 ? 03:24:16 <br> A. I don't remember my exact start date. <br> Q. December '93, January -03:24:21 <br> A. It might have been January 1st, technically. 03:24:22 |  |
| :---: | :---: |
|  | Pages 186 to 189 |

```
David Martin about -- about that.
03:45:06
    Q. You have a specific recollection, sitting 03:45:08
here under oath today? 03:45:09
    A. Yes. I don't -- I'm not certain of the 03:45:11
timing. 03:45:13
```

    Q. Was it before or after you left UCSF? 03:45:13
    A. During my time at UCSF I would have told him. 03:45:16
    Q. What specifically did you tell him? 03:45:19
    A. "Hey, Viola can do this." 03:45:21
    Q. Well, did you tell him they could do it in 03:45:23
    the browser? outside the browser?
03:45:26
A. It would have been in the browser. 03:45:29
Q. And so you remember specifically having this 03:45:30
discussion with David Martin.
03:45:33
A. Yes.
03:45:35
Q. What if David Martin doesn't recall this 03:45:36 discussion with you? 03:45:38
A. What if he doesn't? I don't understand. 03:45:39
Q. Would he be lying?
03:45:42
MS. DOAN: Objection. Form.
03:45:44
THE DEPONENT: I don't know.
03:45:45
Q. (By Mr. Budwin) You don't have any notes or 03:45:46 any written records of what you told people. 03:45:48
A. No.

03:45:51
Q. And you don't have any notes at all,

03:45:51
Page 194
actually, from your time at UCSF related to Viola. 03:45:55
A. No.

03:45:59
I'm sorry. I just -- there should be a trip 03:46:09
report, and I haven't seen it in my review of the 03:46:11
materials. But David was kind of a stickler for form 03:46:14
on things like that. 03:46:18
Q. Did you know the -- before you left UCSF, did 03:46:29 you know the technical details of how Viola operated? 03:46:32
A. Only in a general sense. 03:46:40
Q. Had you seen the source code? 03:46:41
A. No.

03:46:43
Q. Had you studied the source code?

03:46:43
A. Yes.

03:46:46
Q. Had you used Viola before you left UCSF? 03:46:46
A. Yes.

03:46:49
Q. When did you first use Viola?

03:46:50
A. I'm sorry. I don't recall specifically. 03:47:01

There was a period where we were basically checking out 03:47:02 everything that was available. 03:47:05
Q. But you didn't take any notes about your use 03:47:07

## of Viola?

03:47:12
A. No.

03:47:13
Q. You don't recall when you obtained Viola? 03:47:23
A. No. It -- no. It may not have been me. 03:47:31
Q. Who would it have been?

03:47:34
Page 195
A. David Martin.
03:47:36
Q. So you think Mr. Martin obtained Viola? 03:47:42
A. David worked on setting up a software archive 03:47:47 for the group.

03:47:49
Q. Do you know for a fact if Mr. Martin obtained 03:47:51 Viola while you were at UCSF?

03:47:54
A. No.
03:47:56
Q. Who would be the best person to ask whether 03:48:04 or not Mr. Martin obtained Viola during the time you 03:48:07 were employed at UCSF?

03:48:10
A. David Martin or the backup tapes. 03:48:13
Q. Do you recall if the version of Viola you 03:48:33
recall using supported the VOBJF tag? 03:48:35
A. I don't know.
03:48:39
Q. When you used Viola, were you able to use the 03:48:40 chess demo? 03:48:42
A. I recall seeing it. I don't recall actually 03:48:49
using it. 03:48:50
Q. While you were at UCSF, do you recall using 03:48:51 the chess demo on Viola? 03:48:53
A. No.
03:48:55
Q. While you were at UCSF, do you recall using 03:48:55 the drawing area widget in Viola? 03:48:58
A. Yes.
03:49:02
Q. Do you recall something called VPLOT related 03:49:13

Page 196
to Viola?
A. VPLOT? No, I don't.

03:49:14
Q. Did you ever obtain VPLOT during the time 03:49:17 that you were employed at UCSF? 03:49:19
A. I don't recall doing so.
03:49:22
Q. Do you recall something called PLOT.V? 03:49:23
A. No.

03:49:26
Q. Did you ever obtain PLOT. V during the time 03:49:27
you were at UCSF? 03:49:30

$$
\begin{array}{lc}
\text { MS. DOAN: Objection. Form. } & 03: 49: 32 \\
\text { THE DEPONENT: No. } & 03: 49: 33
\end{array}
$$

Q. (By Mr. Budwin) So I just want to make sure 03:49:33 that I understand your testimony today, Mr. McRae. 03:51:4才 So you attended the Wizards Workshop in July 03:51:50 of 1993 in Cambridge, Massachusetts, correct? 03:51:53
A. Yes. No, August of '93 -- I'm sorry. 03:51:57
Q. You want to refresh your recollection on the 03:52:02 date? 03:52:04
A. Yes. Let me take a look.

03:52:05
Yes, in July.
03:52:17
Q. You attended the Wizards Workshop in July of 03:52:18 1993 in Cambridge, Massachusetts, correct? 03:52:20
A. That's correct.
03:52:23
Q. And you attended the whole conference?

03:52:24
A. Yes, I did. 03:52:26

Page 197

SIGWEB Conferences in October of '93, do you? 03:57:10
MS. DOAN: Objection. Form. 03:57:14
You can answer. 03:57:15
THE DEPONENT: No. I don't recall any such 03:57:17
conversation. 03:57:19
Actually, I'm sorry. Let me correct that. I 03:57:35
seem to recall Dale Dougherty standing up and giving an 03:57:43
intro for Terry Allen, and mentioning Viola and the 03:57:47
other efforts that they were working on, including -- 03:57:52
Q. (By Mr. Budwin) Was Viola demonstrated at 03:57:55 SIGWEB October '93?
A. No, it wasn't.
03:57:59
Q. Other than being mentioned in passing, do you 03:58:00 recall any substantive discussion of Viola in SIGWEB 03:58:01 '93? 03:58:05
MS. DOAN: Objection. Form. 03:58:06
THE DEPONENT: No. 03:58:07
Q. (By Mr. Budwin) There's no discussion 03:58:07 reflected in these notes, is there? 03:58:08
A. That's correct.

03:58:11
Q. Now, you testified that you left UCSF in 03:58:18
December of '93, right? 03:58:20
A. That's correct.

03:58:21
Q. And then shortly thereafter you joined 03:58:22

O'Reilly \& Associates, right? 03:58:26
Page 202
A. Yes.
03:58:27
Q. And at some point, at least maybe into March 03:58:28 of '94 you actually shared a desk or office space with 03:58:29 Pei Wei and Scott Silvi? 03:58:33
A. Yes.
03:58:36
Q. I believe you said something to the effect of 03:58:38

Pei didn't really want to work with you or didn't 03:58:40 really want you to work with him on Viola; is that 03:58:43 right?

03:58:45
$\begin{array}{lc}\text { MS. DOAN: Objection. Form. } & 03: 58: 46 \\ \text { MR. KAO: Same objection. } & 03: 58: 48\end{array}$
THE DEPONENT: That was my impression at the 03:58:49
time, that he didn't want me pushing my way in and 03:58:50
taking over his -- his project.
03:58:54
Q. (By Mr. Budwin) Can you describe your 03:58:56 interactions with Mr. Wei after you joined O'Reilly in 03:58:57 1994. 03:59:01
MR. KAO: Objection. Vague. 03:59:09
Q. (By Mr. Budwin) Let me ask you a better -- 03:59:11
A. Can you be more specific, please. 03:59:12
Q. Yeah.

03:59:13
I believe you testified that Viola was a 03:59:13 sensitive issue between Pei Wei and yourself after you 03:59:15 joined O'Reilly; is that correct?

03:59:18
A. That's what I said, yes.

03:59:20
Page 203
Q. Why was Viola a sensitive issue between 03:59:21 Mr. Wei and yourself after you joined O'Reilly? 03:59:23
A. I think it had to do with the fact that I was 03:59:28 enthusiastic about it and sort of barged into their 03:59:31 space. Scott and Pei had been used to working 03:59:42 independently with very little oversight. 03:59:46

And I think Dale was at one point thinking 03:59:51
that I should kind of help organize that office and -- 03:59:54 and their efforts. 03:59:58
Q. Did that ever happen?
04:00:00
A. To some extent, yes.
04:00:03
Q. Do you know if Viola was ever incorporated 04:00:06 into any commercial products? 04:00:09
A. I don't know if that -- if that happened or 04:00:11 not. 04:00:14
Q. O'Reilly was a book publisher, right? 04:00:14
A. That's correct. 04:00:17
Q. Technical book publisher, right? 04:00:18
A. Yes. 04:00:20
Q. To your knowledge, did O'Reilly ever publish 04:00:21 any books on Viola?

04:00:24
A. I don't recall ever seeing one.
04:00:28
Q. How would you describe the state of Pei's 04:00:38
work -- or Pei Wei's work on Viola when you joined 04:00:42 O'Reilly in 1994? 04:00:44

Page 204
MS. DOAN: Objection. Form.
04:00:48
MR. KAO: Objection.
04:00:48
Q. (By Mr. Budwin) Let me ask -- let me ask a 04:00:50 better question. 04:00:51

Mr. Wei had been working on Viola before you 04:00:53 joined O'Reilly, correct?

04:00:55
A. That's right.

04:00:57
Q. And did he continue to work on it through the 04:00:57 time that you were at O'Reilly? 04:00:59
A. Yes, he did.
04:01:01
Q. And to your understanding, while you were at 04:01:02

O'Reilly, did Viola have certain shortcomings, bugs, 04:01:04 other deficiencies?

04:01:08
MS. DOAN: Objection. Form.
04:01:10
You can answer.
04:01:12
THE DEPONENT: It must have.
04:01:14
Q. (By Mr. Budwin) And to your knowledge, did 04:01:15 Mr. Wei work on those after you joined Viola -- or 04:01:16 after you joined O'Reilly in 1994? 04:01:19
A. Yes.
04:01:22
Q. Are you familiar with any of the security 04:01:28
shortcomings in Viola?
04:01:29
A. No.
04:01:33
Q. Are you familiar with any bugs or code 04:01:36
shortcomings related to Viola's inability to handle 04:01:40
Page 205

Exhibit 35? Was he an O'Reilly employee? 04:02:58
A. It says here that he is the vice president of 04:03:01
business development. 04:03:04
Q. Do you remember Mr. Peck?
04:03:05
A. Yes, I do.
04:03:06
Q. And was Mr. Peck an O'Reilly employee during 04:03:06
the time you were at O'Reilly? 04:03:10
A. Yes, he was.
04:03:12
Q. Do you recall O'Reilly ever doing any 04:03:13
collaborative project with Stanford related to Viola? 04:03:15
A. I'm sorry. You're asking whether I actually 04:03:24
saw, for instance, Pei on the Stanford campus -- 04:03:26
Q. No.
04:03:29
A. -- working with someone or...
04:03:29
Q. Do you see the document in Exhibit 35 that's 04:03:31
referring to some digital library project at Stanford 04:03:32
University?
04:03:36
A. Yes.
04:03:37
Q. Okay. Do you know if that project ever
04:03:38
happened? 04:03:40
A. No. I don't know whether anything actually 04:03:40
came out of that. 04:03:44
Q. Now all my exhibits are out of order. 04:04:04
Do you have Exhibit 37 in front of you? It's 04:04:23
the big stack of documents.
04:04:25
Page 207
A. Yes.
04:04:42
Q. And there's an e-mail midway through, which 04:04:57
is between -- it's called "XMosaic and Xv." It's dated 04:05:00
Friday, the 25th of June, $1993 . \quad 04: 05: 11$
A. Yes.
04:05:13
Q. Tell me when you have that one. 04:05:14
A. I have it. 04:05:16
Q. Now, the e-mail from you on Friday the 25th 04:05:16
of June, 1993, you sent to the Mosaic team at the 04:05:21
University of Illinois; is that correct? 04:05:27
A. I sent it to mosaic-x@NCSA.uiuc.edu. 04:05:31
Q. Do you have an understanding of what that 04:05:38 e-mail address is? 04:05:40
A. That's the e-mail address for the development 04:05:41 team at NCSA. 04:05:43
Q. And that included --

04:05:43
A. The XMosaic development team. 04:05:45
Q. -- Marc Andreessen and Eric Bina? 04:05:46
A. Yes.

04:05:50
Q. Marc Andreessen and Eric Bina were the -- two 04:05:51 of the persons responsible for developing Mosaic? 04:05:54
A. I believe there was a broader team. They are 04:05:57 two of the people, yes. 04:05:59
Q. And you asked the team in your e-mail, quote, 04:06:02
what's the status of integrating Xv into Mosaic? Is 04:06:06 Page 208
anyone working on it?" 04:06:11

Do you see that?
A. Yes, I do.

04:06:13
Q. Prior to the time that you sent this e-mail 04:06:15

June 25th, 1993, had you ever seen anybody integrate Xv 04:06:1才 into Mosaic? 04:06:22
A. No. Well, XMosaic launched Xv as an external 04:06:23 application. That could be considered integration. 04:06:25
Q. So prior to June 25th, 1993, when you were 04:06:36 using Mosaic, you could click a link and launch Xv as 04:06:40 an external helper application, correct? 04:06:44
A. That's true.
04:06:48
MR. WOLFF: Object to form.

> 04:06:49
Q. (By Mr. Budwin) Prior to June 25th, 1993, 04:06:49
the date you sent the e-mail, had you ever seen anybody 04:06:52 actually use Xv within a Mosaic browser window? 04:06:55
A. No. 04:07:00
Q. In fact, you wouldn't have had to send the 04:07:09
e-mail June 25th, 1993, if somebody had already done 04:07:11 that, right? 04:07:14
MS. DOAN: Objection. Form. 04:07:15
THE DEPONENT: The point of sending the 04:07:16
e-mail was to inquire whether it had been done. 04:07:17
Q. (By Mr. Budwin) So as of June 25th, 1993, 04:07:22
you are not aware of anyone who had integrated $X v$ into 04:07:23

| the Mosaic browser window, right? $\mathbf{0 4 : 0 7 : 2 7}$ <br> MS. DOAN: Objection. Form. 04:07:32 <br> THE DEPONENT: That's correct. $04: 07: 33$ | Q. Did you actually ever merge the SGMLs and 04:09:57 Ghostscript parsers? <br> 04:10:01 <br> A. No. <br> 04:10:02 |
| :---: | :---: |
| Q. (By Mr. Budwin) And you had hoped that NCSA, 04:07:33 the University of Illinois, would work on this -- work 04:07:33 on doing that, integrating Xv into the Mosaic browser 04:07:37 window? 04:07:41 | Q. Are you aware of anyone else who ever merged 04:10:02 those parsers? 04:10:05 <br> MS. DOAN: Objection. Form. <br> 04:10:07 <br> THE DEPONENT: No, I'm not. <br> 04:10:08 |
| A. I hoped that I could do that and was 04:07:42 | Q. (By Mr. Budwin) And then the next kind of 04:10:09 |
| inquiring whether they would because I was looking -- I 04:07:46 | main bullet point says, "Modifying graphics file 04:10:11 |
| was hoping they were saying -- going to say no, and I 04:07:48 | rendering utilities such as Xv so that they return 04:10:16 |
| would get to do it myself. 04:07:51 | PostScript objects." 04:10:19 |
| Q. And as we see in the next e-mail, Saturday, 04:07:53 | Do you see that? 04:10:21 |
| June 26th, 1993, the Mosaic team wrote back to you, 04:07:56 | A. Yes, I do. 04:10:22 |
| right? 04:08:00 | Q. Are you aware of anyone -- or strike that. 04:10:24 |
| A. That's correct. 04:08:01 | Did you ever modify the graphics file 04:10:27 |
| Q. And they said that they weren't going to 04:08:01 | rendering utilities, such as Xv , so that they return 04:10:30 |
| integrate Xv into the Mosaic browser window, right? 04:08:02 | PostScript objects? 04:10:33 |
| MS. DOAN: Objection. Form. 04:08:06 | A. No, I didn't. 04:10:35 |
| THE DEPONENT: That's correct. 04:08:08 | Q. Are you aware of anyone who ever modified the 04:10:35 |
| Q. (By Mr. Budwin) And we see an e-mail here 04:08:08 | graphics file rendering utilities, such as Xv , so that 04:10:38 |
| that's signed, "Cheers, Marc." <br> 04:08:12 | they return PostScript objects? 04:10:42 |
| Do you see that? 04:08:15 | MS. DOAN: Objection. Form. 04:10:45 |
| A. Yes, I do. 04:08:16 | THE DEPONENT: No. 04:10:46 |
| Q. That's Marc Andreessen? 04:08:17 | Q. (By Mr. Budwin) Do you see the next bullet? 04:10:46 |
| A. Yes. 04:08:18 | It says, "Use ToolTalk to tie it all together"? 04:10:48 |
| Page 210 | Page 212 |
| Q. And he's saying, "Xv could theoretically be 04:08:18 | A. Yes, I see it. 04:10:54 |
| used if you inline images." 04:08:22 | Q. Did you ever use ToolTalk to tie it all 04:10:55 |
| Do you see that? 04:08:24 | together? 04:10:57 |
| A. Yes. 04:08:25 | A. No. 04:10:59 |
| Q. Then he says, "However, nope, we haven't 04:08:25 | Q. Are you aware of anyone who ever used 04:11:00 |
| touched it and I doubt we will." 04:08:27 | ToolTalk to tie it all together? 04:11:02 |
| Do you see that also? 04:08:30 | S. DOAN: Objection. Form. 04:11:06 |
| A. Yes. 04:08:31 | THE DEPONENT: I know that ToolTalk was used 04:11:07 |
| Q. Is that consistent with your understanding 04:08:31 | in the invention referenced by the patent to -- in -- 04:11:09 |
| that by June 26th, 1993, no one had integrated Xv into 04:08:33 the Mosaic window? <br> 04:08:40 | to tie together different components of VIZ. 04:11:15 <br> Q. (By Mr. Budwin) Did you ever use ToolTalk to 04:11 |
| . DOAN: Objection. Form. 04:08:43 | tie Xv and Mosaic together? 04:11:19 |
| R. WOLFF: Objection to form. 04:08:44 | A. No. 04:11:21 |
| THE DEPONENT: Yes. 04:08:44 | Q. Did you ever integrate Xv into the Mosaic 04:12:00 |
| Q. (By Mr. Budwin) When you -- now, there's 04:08:56 | browser? 04:12:03 |
| some notebook entry pages in Exhibit 37 that Mr. Wolff 04:09:16 | A. No. 04:12:04 |
| asked you about, and there's an entry on April 28th, 04:09:20 | Q. And you are not aware of anyone else who ever 04:12:09 |
| 1993. | integrated Xv into the Mosaic browser, are you? 04:12:12 |
| A. This one? 04:09:45 | S. DOAN: Objection. Objection. Form. 04:12:16 |
| Q. Does it have "4/28/93" at the top? 04:09:46 | THE DEPONENT: No. 04:12:17 |
| A. Yes. 04:09:51 | Q. (By Mr. Budwin) Did you ever write any 04:12:17 |
| Q. And the first bullet point says, "Merge SGMLs 04:09:51 and Ghostscript parsers." <br> 04:09:51 | technical descriptions about exactly how Xv and Mosaic 04:12:21 could be integrated together? <br> 04:12:27 |
| Do you see that? 04:09:56 | MS. DOAN: Objection. Form. 04:12:29 |
| A. Yes, I do. 04:09:57 | THE DEPONENT: You mean, other than these 04:12:30 |
| Page 211 | Page 213 |

Page 215
Q. Is it something that you kind of left out 04:22:23 open on your desk, shared with other people, or did you 04:22:25 usually keep them personal to yourself? 04:22:28
A. I usually kept them close to myself. I had 04:22:30 some stuff that I felt very proprietary about. 04:22:33
Q. Can you just -- without telling me exactly 04:22:35 what's proprietary, just give me a descriptor of some 04:22:36 of the proprietary information that would be in your 04:22:38 notebooks. 04:22:42
A. Two specific things come to mind. First of 04:22:45 all, personal journal/diary kind of entries where I am 04:22:47 writing about my own emotions or relationship, you 04:22:56 know, intimate relationships. And the other is a 04:22:58 patent application that I was working on that was 04:23:03 unrelated to my -- it's a completely different field, 04:23:08 robotics, rather than anything to do with information 04:23:12 systems.

04:23:16
Q. So it was your practice during the time that 04:23:16 you were employed at UCSF to keep your notebooks 04:23:19 private and personal to yourself? 04:23:22
A. Yes.
04:23:24
Q. Because your notebooks contained information 04:23:25 that was personal to yourself, such as description of 04:23:26 your emotions, relationships, things that would be 04:23:30 expected in a personal journal or diary? 04:23:36 Page 216
A. Yes.
04:23:38
Q. You mentioned that you were also working on a 04:23:41
patent application during the time you were employed at 04:23:43
UCSF? 04:23:51
A. Yes.

04:23:51
Q. So that was a patent application related to $04: 23: 51$
robotics? 04:23:55
A. Yes. 04:23:56
Q. Did you ever file that patent? 04:23:56
A. No.

04:23:59
Q. Did you engage counsel to help you work on 04:24:00
that patent? 04:24:03
A. No.
04:24:04
Q. Why did you decide not to file your robotics 04:24:05 patent?

04:24:11
A. Ideas weren't mature enough. 04:24:12
Q. But you were aware during the time that you 04:24:16
were employed at UCSF of patents. You heard of them. 04:24:18
A. Yes.
04:24:24
Q. And you were aware that you could file for $04: 24: 24$
patents? 04:24:27
A. Yes.

04:24:28
Q. Have you ever filed for any patents? 04:24:30
A. No. 04:24:33

MR. BUDWIN: No further questions, although 04:24:44

| Q. You do recall that she walked though. 04:28:10 | A. Yes, I recall that. 04:30:08 |
| :---: | :---: |
| A. There's a gradual thing. 04:28:13 | Q. And what -- and do you remember what the 04:30:11 |
| Q. Just like that, how long ago was it that you 04:28:16 | thrust of that e-mail was? 04:30:14 |
| went to the Wizards of the Web Conference? 04:28:19 | A. The usefulness of Acrobat. 04:30:15 |
| A. Roughly 18 years. 04:28:22 | Q. The usefulness of what about Acrobat? 04:30:18 |
| Q. And your daughter was born ten years ago. 04:28:23 | A. I'll have to take a look at it again. 04:30:21 |
| And did she start walking when she was approximately 04:28:25 | Which exhibit is it? 04:30:26 |
| one? 04:28:28 | Q. That's what I'm looking for, too. I'm 04:30:28 |
| A. Two. 04:28:29 | thinking it was June 21st. Exhibit $12.00430: 31$ |
| Q. Two. 04:28:30 | A. Yes, I see it. 04:30:43 |
| A. I think. 04:28:30 | Q. Do you see where it says, "So why don't we 04:30:45 |
| Q. So it would have been eight years ago. But 04:28:31 you do recall that she walked. 04:28:33 | lobby Adobe to put in URL-based links into its next 04:30:46 version of PostScript and go home now?" <br> 04:30:51 |
| A. Yes. 04:28:35 | This was a WWW-Talk mailing, right? 04:30:52 |
| Q. Mr. Budwin referred you to Exhibit 3, which 04:28:38 | A. Yes. 04:30:57 |
| was discussing PageMaker. And he asked you whether you 04:28:40 | Q. And that's the mailing where people were 04:30:57 |
| had actually used PageMaker. 04:28:45 | talking about features for Web browsers. 04:30:59 |
| Do you recall that? 04:28:48 | MR. BUDWIN: Form. 04:31:04 |
| A. Yes. 04:28:48 | HE DEPONENT: Yes. 04:31:04 |
| Q. Is there any dispute in your mind that 04:28:50 | I'm -- sorry. Do you have a question? 04:31:06 |
| PageMaker existed as of September 1993? 04:28:52 | Q. (By Mr. Wolff) No. I don't have another 04:31:11 |
| MR. BUDWIN: Form. 04:28:58 | question on that. 04:31:13 |
| THE DEPONENT: I have no reason to question 04:28:58 | A. I just want to clarify my earlier answer. I 04:31:16 |
| Q. (By Mr. Wolff) Because it's referred to in a 04:29:01 | into the Web browser and integrating URLs into Acrobat. 04:31:21 |
| Page 222 | Page 224 |
| message between Mr. Martin and some Sun staff referring 04:29:02 | There's two different things there. 04:31:23 |
| to products that existed, correct? 04:29:07 | Q. What about combining Acrobat content into Web 04:31:24 |
| A. Yes. 04:29:09 | browser pages? 04:31:27 |
| Q. Mr. Budwin asked you lots of questions about 04:29:12 | MR. BUDWIN: Form. 04:31:29 |
| Adobe Acrobat. And I think the thrust, generally, of 04:29:15 | Q. (By Mr. Wolff) Do you recall discussions 04:31:29 |
| those questions was whether you actually saw anyone 04:29:19 | about that on WWW-Talk? 04:31:30 |
| combine Acrobat with a web browser. 04:29:23 | R. BUDWIN: Same. 04:31:35 |
| Do you recall those questions? 04:29:26 | THE DEPONENT: Not specifically. 04:31:35 |
| A. Yes. 04:29:27 | Q. (By Mr. Wolff) Okay. With respect to 04:31:36 |
| Q. Whether you saw it done or not, do you recall 04:29:27 | MediaView. Mr. Budwin asked you questions about 04:31:41 |
| the discussions on the WWW-Talk distributions about 04:29:29 | MediaView pertaining to how it was only made available 04:31:47 |
| combining Acrobat with web browsers? 04:29:34 | for the NeXt environment, correct? 04:31:51 |
| R. BUDWIN: Form. 04:29:38 | A. Yes. 04:31:53 |
| THE DEPONENT: No. I do not recall such 04:29:39 | Q. And you had the NeXt system at UCLA, correct? 04:31:53 |
| things. 04:29:40 | A. Yes. 04:31:58 |
| Q. (By Mr. Wolff) You don't recall any 04:29:41 | Q. And you don't have a recollection one way or 04:31:58 |
| discussions about combining Acrobat with web browsers. 04:29:42 | the other whether you installed MediaView on that 04:32:00 |
| A. Discussion of the use of Acrobat or the 04:29:49 | system; is that right? 04:32:02 |
| usefulness of Acrobat. Specifically about combining 04:29:51 | BUDWIN: Form. 04:32:03 |
| them, I don't -- I don't recall specific discussions 04:29:53 | NENT: That's correct. 04:32:03 |
| about that. 04:29:57 | Q. (By Mr. Wolff) But it was your practice at 04:32:04 |
| Q. Do you recall an e-mail you sent in 04:29:58 | the time to download software and test it on the NeXt 04:32:05 |
| June 1993? 04:29:59 | system -- 04:32:07 |
| A. That we referred to earlier? 04:30:04 | MR. BUDWIN: Form. 04:32:08 |
| Q. Yes, that we referred to earlier today. 04:30:06 | Q. (By Mr. Wolff) -- you had at UCLA. 04:32:09 |
| Page 223 | Page 225 |

| A. Yes, it was. 04:32:10 | Berners-Lee maintained, correct? 04:34:39 |
| :---: | :---: |
| Q. Now, Mr. Budwin also asked you whether there 04:32:12 | A. Apparently, yes. 04:34:43 |
| were ever any discussions at UCSF about the MediaView 04:32:16 system. 04:32:22 | Q. And it would have been a site that you would 04:34:44 have visited at the time you were working at UCSF. 04:34:46 |
| Do you recall that? 04:32:22 | A. |
| A. Yes. 04:32:23 | Q. Would you have also visited that site when 04:34:49 |
| Q. And you said that there were not; is that 04:32:23 | you were working at UCLA? 04:34:51 |
| right? 04:32:25 | A. Possibly. 04:34:54 |
| A. That's correct. 04:32:26 | Q. In fact, It think in the Exhibit 37, you had 04:34:59 |
| Q. If you could take a look at Exhibit 26 and 04:32:27 also grab Exhibit 23. 04:32:32 | an e-mail back and forth with Tim Burners-Lee, I think 04:35:02 from May of 1992. 04:35:09 |
| A. Okay. 04:32:59 | A. Oh, that's $37 . \quad 04: 35: 13$ |
| Q. Now, isn't Exhibit 26 a discussion, a 04:33:00 | Q. Yes. 04:35:14 |
| particular reference to David Martin to tell him to go 04:33:01 | A. Yes. 04:35:14 |
| look at the MediaView notes? 04:33:04 | Q. I think it's one of the first things you 04:35:15 |
| A. Yes, it is. 04:33:06 | attached to that message. 04:35:16 |
| Q. Now, if MediaView only worked on the NeXt 04:33:07 | A. Yes. 04:35:17 |
| computer and was only available for the NeXt operating 04:33:10 system, why would you tell Mr. Martin to go look at the 04:33:14 | Q. At least as of May of 1992, were you looking 04:35:18 at Mr. Berners-Lee's Website or Web pages? <br> 04:35:21 |
| MediaView notes? 04:33:18 | A. Yes. 04:35:25 |
| A. It may have been interesting conceptually, 04:33: | Q. And why were you looking at those? 04:35:25 |
| ven if not practically based on hardware that we had. 04:33:23 | A. To discover what tools were available to use 04:35:27 |
| We had general interest in information systems and 04:33:29 | to publish information to my user community. 04:35:30 |
| multimedia systems. 04:33:32 | Q. And he was focused primarily on Web browsers 04:35:33 |
| Q. Was it your practice to send Mr. Martin 04:33:33 | or the WorldWideWeb? 04:35:37 |
| Page 226 | age 228 |
| completely irrelevant e-mails? 04:33:36 | A. Yes. WorldWideWeb, yes. 04:35:39 |
| R. BUDWIN: Form. 04:33:38 | Q. Mr. Budwin asked you about the drawing demo 04:35:46 |
| THE DEPONENT: Completely irrelevant? No. 04:33:39 | and the chess demo for Viola. 04:35:49 |
| Q. (By Mr. Wolff) So this would have been 04:33:42 | Do you recall that? 04:35:52 |
| relevant to the work you were doing at UCSF, Exhibit 04:33:42 | A. Yes, I do. 04:35:52 |
| 26. 04:33:44 | Q. Regardless of whether you recall specifically 04:35:52 |
| R. BUDWIN: Form. 04:33:45 | seeing those at the Wizards of the Web Conference in 04:35:54 |
| THE DEPONENT: Yes. 04:33:46 | Cambridge in July 1993, you do recall seeing those 04:35:58 |
| Q. (By Mr. Wolff) And why would you have called 04:33:47 | demos, correct? 04:36:02 |
| out MediaView in particular in referring him to this 04:33:48 | A. Yes, I do. 04:36:03 |
| Web page? 04:33:51 | Q. If you had conversations with individuals at 04:36:05 |
| A. I don't know. 04:33:52 | UCSF about the Wizards of the Web Conference or about 04:36:10 |
| Q. And if you look at Exhibit 23, the discussion 04:33:53 | Viola, what would you talk to them about if you don't 04:36:13 |
| about MediaView, there's essentially three sentences. 04:33:58 | have any specific recollection of Viola? 04:36:16 |
| What do those three sentences read, if you 04:34:01 | N: Form. 04:36:20 |
| could read them into the record. 04:34:05 | R. KAO: Objection. 04:36:21 |
| A. "Note from Dick Phillips. See also README. 04:34:06 | THE DEPONENT: I said before is that it was 04:36:22 |
| Graphics publishing system." 04:34:09 | cool. Seemed to have capabilities that we didn't see 04:36:24 |
| Q. So reviewing those three sentences, what was 04:34:13 | in XMosaic. 04:36:30 |
| it about that that made you want to tell Mr. Martin 04:34:15 | Q. (By Mr. Wolff) Such as? 04:36:32 |
| about MediaView? <br> 04:34:18 | MR. BUDWIN: Form. 04:36:36 |
| A. We were in the business of publishing things 04:34:22 | THE DEPONENT: Drawing in the window. 04:36:40 |
| to the community at the library there, and so that 04:34:25 | Drawing demo. The chess demo. 04:36:41 |
| would have been the connection. <br> 04:34:32 | I don't recall all the specifics. 04:36:46 |
| Q. And Exhibit 23 is from a Web page that Tim 04:34:36 | Q. (By Mr. Wolff) And those things were the 04:36:48 |
| Page 227 | Page 229 |
|  | Pages 226 to 229 |

kinds of things that stuck out in your mind over all 04:36:49
$\begin{array}{lc}\text { these years about the Viola system. } & \mathbf{0 4 : 3 6 : 5 1} \\ \text { A. I didn't recall them until they were } & 04: 36: 57 \\ \text { mentioned earlier today. } & 04: 36: 59\end{array}$
Q. All right. So your recollection was 04:37:01 refreshed. 04:37:02
A. Yes.

04:37:03
Q. Okay. You referred to a software archive at 04:37:04

UCSF.
Do you recall that?
04:37:16
04:37:17
A. Yes.

04:37:18
Q. And what was the software archive? 04:37:18
A. It was a single place where we could keep 04:37:21 copies of software that was useful to us.

04:37:24
Q. Do you recall what the server name was for 04:37:27 the software archive? 04:37:30
A. No, not for that specific machine. 04:37:34
Q. Do you recall who maintained that machine? 04:37:37
A. I believe it was a collaboration between Ben 04:37:39 Chang and David Martin. 04:37:43
Q. Do you recall who had rights to put 04:37:45 information on that machine? 04:37:47
A. I believe we all did. 04:37:51
Q. Did you all have rights to delete information 04:37:53
 Page 230

| maintained? | $\mathbf{0 4 : 3 8 : 5 2}$ |
| :---: | :---: |
| A. An archive. | $04: 38: 54$ |
| Q. An archive. | $\mathbf{0 4 : 3 8 : 5 4}$ |

Q. An archive. 04:38:54
Now, did you -- did you run the software from 04:38:56 that machine? Was it installed on there as well? 04:38:58
A. No. That was for distribution. 04:39:02
Q. So it was there, and anyone in the group 04:39:03
could take it and install it on their machines and test 04:39:05 it out?

04:39:09
A. That's correct.
04:39:10
Q. Do you recall when UCSF first started 04:39:13
maintaining this library of archived software? 04:39:16
A. I -- no. I don't know the exact time. 04:39:25
Q. Do you recall whether it was in existence 04:39:28
when you started at UCSF?
A. I know that it was not.

04:39:30
Q. It was not.

04:39:34

Do you recall at some point in time during 04:39:36
your tenure that there was a library started? 04:39:38
A. Yes.
04:39:41
Q. And who was it that started the library?

04:39:42
A. David Martin.
04:39:44
Q. Okay. Do you recall approximately what month 04:39:45 it was he started the library?

04:39:48
A. No.

04:39:51
Page 232
A. We would have had the same -- yes, we would 04:37:57 have had -- if we had one, we would have had the other. 04:37:59
Q. Would Michael Doyle have rights to delete 04:38:03
information from that machine? 04:38:05

| MR. BUDWIN: Form. | 04:38:06 |
| :--- | ---: |
| THE DEPONENT: I don't know. | $04: 38: 07$ |

Q. (By Mr. Wolff) As the primary person 04:38:08
responsible for the group, you don't know whether he 04:38:10 would have rights, too? 04:38:11

MR. BUDWIN: Same objection. Assumes facts. 04:38:15
THE DEPONENT: I don't know if he would have 04:38:18 had rights or not. 04:38:20
Q. (By Mr. Wolff) How was the information 04:38:21 stored on the software archive at the University of 04:38:22 California? 04:38:25
A. In what sense? I don't understand the 04:38:26 question. 04:38:28
Q. Were they tarballs? Were they binaries? 04:38:28

Were they just exactly what it was that was downloaded, 04:38:31 or were they actually installed software systems that 04:38:33 you had tested?

04:38:35
A. They would have been in the -- it would have 04:38:37
been either source code or binary. It would have been 04:38:42 the distribution packages from the publishers. 04:38:45
Q. And you refer to this as a library that UCSF 04:38:48

Page 231

I don't know if he really started it, but he 04:39:55 formalized it. 04:39:58
Q. Why do you say he formalized it? 04:39:59
A. Because he provisioned a specific area for 04:40:07
it, made it available, and informed everyone where it 04:40:11
was and what it could be used for. 04:40:15
Q. You said you read the '906 patent? 04:40:23
A. Yes.

04:40:28
Q. Mr. Budwin asked you some questions about 04:40:30
security shortcomings for some of the prior art 04:40:33 systems. 04:40:38

## Do you recall those?

04:40:39
A. I believe he asked about Viola specifically. 04:40:40
Q. When you read the '906 patent, did you see 04:40:42
that it specifically addressed something about the 04:40:45 security shortcomings?

04:40:48
A. No. I don't recall anything in there about 04:40:49 security.

04:40:52
Q. Do you recall a detailed discussion in the 04:40:56 '906 patent about HTTP and how exactly it worked? 04:40:57
A. I recall there was some discussion in there, 04:41:04
yeah.
04:41:06
Q. Do you recall it was a detailed discussion, 04:41:06
tell you exactly how to implement an HTTP server? 04:41:09
A. I recall not reading it very carefully 04:41:13 Page 233

| because I thought I already knew the information. | $04: 41: 15$ |
| :--- | ---: |
| Q. It was something that was already known? | $\mathbf{0 4 : 4 1 : 1 7}$ |

A. And it was out of date. 04:41:22

MR. WOLFF: All right. I have no further 04:41:27
questions. 04:41:28
MR. KAO: Can I just say it's -- it's 4:37. 04:41:29
I don't want to do a round Robin forever. I don't know 04:41:31
04:41:35
MS. DOAN: I haven't asked any yet at all. 04:41:37
Mine are very, very short, but I do want to go over 04:41:38 there -- 04:41:38

MR. KAO: Okay.
04:41:39
MS. DOAN: -- so let's go off the record. 04:41:39
MR. KAO: Yeah. Maybe we can work out -- 04:41:42
MS. DOAN: Yeah.
04:41:43
MR. KAO: You guys can work out how much time 04:41:4 each side needs, or something like that. 04:41:43

THE VIDEOGRAPHER: This is the end of Disk 04:41:46
No. 3, Volume I. We are off the record at 4:41 p.m. 04:41:47
(Recess taken.)
04:41:55
THE VIDEOGRAPHER: This is the beginning of 04:46:24 Disk No. 4, Volume I. We are back on the record at 04:46:25 4:46 p.m
04:46:29

You may proceed.
04:46:30

You mentioned something about when Mr. Budwin was 04:46:54
asking you about some documents, that this was 04:46:57 everything on Viola, or something like that. 04:46:59

And you mentioned that there was a trip 04:47:01
report that you thought you had produced as well that 04:47:03
mentioned Viola. 04:47:05
Do you recall that? 04:47:06
A. I said that David Martin was a stickler for 04:47:07
things like form, like trip reports. 04:47:09
Page 235
Q. Right. And Mr. Budwin didn't mark that to go 04:47:13 over with you, did he, sir? 04:47:16
A. Mark it?
04:47:18
Q. Yeah. He didn't mark it as an exhibit. He 04:47:18
didn't cover that -- 04:47:20
A. No.

04:47:21
Q. -- with you, did he?

04:47:21
Mr. Budwin asked you a couple of questions -- 04:47:23
or Eolas' attorney asked you a couple of questions 04:47:28 about the technical aspects of Viola, do you recall 04:47:31 that, while you were at UCSF?

04:47:34
A. Yes.
04:47:37
Q. Okay. And so while you were at UCSF, you 04:47:37
mentioned that you had never seen the Viola source 04:47:40
code; is that right? 04:47:43
A. That's correct.
04:47:44
Q. Did you ever ask to see the Viola source code 04:47:45
while you were at UCSF? 04:47:49
A. No, I don't think so.

04:47:50
Q. So you -- you weren't ever denied access to 04:47:51
the Viola source code, you just didn't ask for it; is 04:47:54
that fair? 04:47:57
A. I would think so, yes.
04:47:58
Q. Okay. He also asked you some questions about 04:48:00

PLOT.V and VPLOT. 04:48:02 Page 236

While you were at UCSF, did you even know 04:48:05
what those were? 04:48:08
A. I don't recall knowing what they were -- that 04:48:09

I knew what they were. 04:48:11
Q. And those would be technical programs within 04:48:12 the Viola source code, right? Best of your 04:48:15 understanding.

04:48:18

| MR. BUDWIN: Form. | $04: 48: 19$ |
| :--- | :---: |
| THE DEPONENT: Yes. | $04: 48: 20$ |

Q. (By Ms. Doan) And even though you might not 04:48:20
have seen the source code with PLOT.V or VPLOT, you do 04:48:25 recall seeing the drawing widget within the browser 04:48:30

## page, right?

04:48:34
A. Yes.

04:48:35
Q. And can you explain to us what the drawing 04:48:35
widget actually is, what it looked like in the 04:48:38
demonstration you saw of Viola.
04:48:41
A. Actually, I'm not sure I can --

04:48:45
Q. Okay.

04:48:49
A. -- because I can easily imagine any number of 04:48:49
drawing widgets I have seen over the years. 04:48:53
Q. Okay. Well, in general, you know, for my 04:48:55
purposes, is a drawing widget that you would seen in 04:48:57
the Viola browser, is it, like within the browser 04:49:00
window, there opens up a place where you can actually 04:49:04
Page 237

```
draw and interact on the page itself? 04:49:08
    MR. BUDWIN: Objection. Form.
        MR. KAO: Objection.
        THE DEPONENT: I don't know.
            04:49:13
                04:49:14
    Q. (By Ms. Doan) You don't remember? 04:49:15
    A. Not specifically.
        04:49:16
    Q. Okay. In general, a drawing widget, does 04:49:17
that allow you to draw inside the page? 04:49:20
    A. Yes. 04:49:23
    Q. Okay. And in Viola, it would have been 04:49:23
inside the browser page, right?
                04:49:26
        MR. BUDWIN: Form.
                04:49:32
            THE DEPONENT: Yes.
                        04:49:33
```

Q. (By Ms. Doan) Eolas' attorney asked you 04:49:33 about a bunch of questions that you would have seen at 04:49:41 the Wizards Conference in July $1993 . \quad 04: 49: 49$ Remember that? 04:49:50
A. Yes.

04:49:52
Q. And they were asking you a whole bunch of 04:49:52 specific questions about what you saw at different 04:49:52 times. 04:49:54

Do you remember that?
04:49:56
A. Yes.
Q. About what you specifically remember.

04:49:56
And I think you testified that you couldn't 04:50:01
Page 238
remember specific conversations or specific 04:50:02
demonstrations from the July 1993 Wizards Conference; 04:50:06 is that right? 04:50:11
A. That's correct. 04:50:11
Q. And just because you don't remember 04:50:13
specifically as you sit here today, you are not telling 04:50:13
this jury that it wasn't demonstrated there, are you, $\quad$ 04:50:16 sir? 04:50:18
A. No. I'm not saying that. 04:50:20
Q. Okay. So you weren't at every demonstration 04:50:22
that Pei Wei or Scott Silvi or Dale Dougherty gave at 04:50:24
the Wizards Conference in 1993, were you, sir? 04:50:27
A. No, I was not. 04:50:30
Q. Highly possible they could have given a 04:50:32
demonstration where you weren't present; is that right? 04:50:34

## MR. BUDWIN: Form.

 04:50:37THE DEPONENT: Yes. 04:50:38
Q. (By Ms. Doan) And you weren't working at 04:50:38 O'Reilly then in July 1993. You weren't working at 04:50:39 O'Reilly yet then, were you, sir? 04:50:42
A. No, I was not. 04:50:44
Q. Did you meet Pei Wei and Scott Silvi at that 04:50:45
conference?
04:50:48
A. Yes.

04:50:49
Q. Did you meet Dale Dougherty for the first

04:50:49
Page 239
time at that conference?
A. Yes.
04:50:52
Q. Had you met Tim Berners-Lee before the

04:50:52
Wizards Conference? 04:50:55
A. No.

04:50:56
Q. Was that the first time you got to see him in 04:50:56

## person?

04:50:59
A. Yes.

04:50:59
Q. Had you meet Eric Bina or Marc Andreessen 04:51:00
before the Wizards Conference in July '93?
04:51:03
A. No.
04:51:04
Q. Had you -- did you get to meet them
personally at the Wizards Conference as well? 04:51:06
A. Yes. I don't recall meeting Eric Bina, 04:51:09
specifically. 04:51:11
Q. Do you recall meeting Marc Andreessen? $\quad \mathbf{0 4 : 5 1 : 1 2}$
A. Yes, I do. $\quad 04: 51: 15$
Q. And you recall the Wizards Conference was put 04:51:18 on by O'Reilly \& Associates in conjunction with Tim 04:51:20
Berners-Lee at CERN; is that right? 04:51:24
A. I don't know about in conjunction, but -- 04:51:26
Q. Or together.

04:51:28
A. He was there. They --

04:51:29
Q. Okay.

04:51:31
A. They hosted the conference. He was there. 04:51:32

Page 240
Q. Is that the first type of conference that you 04:51:34
had gone to where really the developers and leaders of $\mathbf{0 4 : 5 1 : 3 5}$ the Web are coming together to exchange and share 04:51:38 ideas, how to make the Web a better place? 04:51:42
A. Yes.
04:51:45
Q. Was Michael Doyle or anybody else from the 04:51:47

University of California San Francisco there? 04:51:51

## A. No. <br> 04:51:53

Q. I want to ask you a couple of questions about 04:52:09

Exhibit 37.
04:52:11
We talked earlier about the combination of Xv 04:52:22
and XMosaic.
04:52:26
Do you remember that?
04:52:27
A. Yes.
04:52:27
Q. Okay. And at the time in 1993, Xv was

04:52:28
already a known concept, right?
04:52:32
A. Yes.
04:52:36
Q. And XMosaic was already well known as well, 04:52:37
correct? 04:52:41
A. Yes.
04:52:41
Q. And X Windows was already known as well, 04:52:42

04:52:44
A. Yes.

04:52:45
Q. And I believe you referred to it as VIZ, but 04:52:45
you worked on it at University of California San 04:52:47
Page 241

Francisco. That was already a well-known concept as 04:52:50
right -- as well, correct? 04:52:53
A. It was a program being developed in our 04:52:54
National Science Foundation research grant to Michael 04:52:57
Doyle. 04:53:02
Q. Okay. So what we're talking about when 04:53:03
you're talking about combining Xv and XMosaic, those 04:53:05 are combination of already known ideas, correct? 04:53:09

$$
\begin{array}{lc}
\text { MR. BUDWIN: Form. } & 04: 53: 13 \\
\text { THE DEPONENT: Yes. } & 04: 53: 14
\end{array}
$$

Q. (By Ms. Doan) So in the e-mail, it looks 04:53:14
like, where you're talking with Marc Andreessen -- it's 04:53:16 part of Exhibit No. 37 called "Re: XMosaic and Xv." 04:53:21 I believe it starts at, "Hi, what's the 04:53:33 status of integrating Xv into XMosaic?" 04:53:34
A. Yes.

04:53:38
Q. That idea that you are having is the 04:53:44
combination of two well-known concepts or programs, 04:53:46 correct?

04:53:49
MR. BUDWIN: Objection. 04:53:49
Q. (By Ms. Doan) Integrating them together. 04:53:52
A. Yes.

04:53:53
Q. And I know we talked already about the

04:53:54
correspondence that you had with NCSA about this 04:53:59
concept and combination, so I don't want to re-cover 04:54:03
Page 242

MR. KAO: Can -- I'm going to talk to my 04:55:03
client for a couple minutes. 04:55:04
MS. DOAN: Sure. 04:55:06
MR. KAO: Okay. 04:55:08
MS. DOAN: You want to go off the record? 04:55:10
MR. WOLFF: Are you almost done, Jennifer? 04:55:11
MS. DOAN: I'm almost done. 04:55:11
MR. KAO: I -- 04:55:11
MS. DOAN: I've got like three questions. 04:55:12
MR. KAO: Yeah. I just got to -- okay. 04:55:13
And how long do you have? 04:55:13
MR. WOLFF: Well, let's let her finish, and 04:55:15
then we can go off the record and talk about it. 04:55:16
MR. KAO: Yeah. Okay. We -- let me -- let 04:55:19
me take two minutes. Thanks. 04:55:22
THE VIDEOGRAPHER: We are off the record at 04:55:26
4:55 p.m. 04:55:29
(Recess taken.)
04:55:35
THE VIDEOGRAPHER: We are back on the record 05:00:39
at 5:00 p.m.
05:00:43
You may proceed.
05:00:44
MS. DOAN: Sure.
05:00:45
Q. (By Ms. Doan) Mr. McRae, would you get in 05:00:45
front of you Exhibit No. 26, please, sir. Short little 05:00:48 e-mail.

05:01:04
Page 244
A. You said 2-6?
05:01:05
Q. Yes.
05:01:07
A. Okay.
05:01:07
Q. And this is an e-mail that you sent to David 05:01:08

Martin on September the 8th, 1993, correct? 05:01:10
A. Yes.
05:01:14
Q. And in this e-mail, Exhibit No. 26, you say, 05:01:15
"I know I have seen this before, but I don't know if 05:01:17 you have. At any rate, take a look at" -- and you give 05:01:20 the URL for the CERN address which points to "Hypertext 05:01:24 products overview"; is that right?

05:01:31
A. Yes.
05:01:34
Q. And then you say, "In particular, see the 05:01:35

MediaView notes"; is that correct?
05:01:36
A. Yes.
05:01:40
Q. So before September the 8th, 1993, you had 05:01:40
already seen the MediaView notes; is that right? 05:01:44
MR. BUDWIN: Form.
05:01:47
THE DEPONENT: Apparently.
05:01:48
Q. (By Ms. Doan) Okay. And as of September the 05:01:48

8th, 1993, you are pointing David Martin to MediaView 05:01:49 as well, correct? 05:01:52
A. Yes.
05:01:53
Q. I think you told us earlier that back in 05:01:58

1993, 1994, during that time period, as a software 05:02:01 Page 245

| engineer -- and you were a software engineer during 05:02:07 that time period, correct? <br> 05:02:09 <br> A. Yes. <br> 05:02:10 <br> Q. So you would -- would you consider yourself 05:02:11 one of ordinary skill in the art in designing software 05:02:13 during that time period, 1993, 1994 ? <br> 05:02:17 <br> MR. BUDWIN: Form. 05:02:20 <br> MR. KAO: Objection. Legal conclusion. 05:02:21 <br> Q. (By Ms. Doan) You can answer. <br> 05:02:22 <br> A. As ordinary. <br> 05:02:24 <br> Q. Okay. One of ordinary skill in the art in 05:02:25 <br> the area of a software engineer; is that fair? 05:02:27 <br> MR. BUDWIN: Form. <br> 05:02:32 <br> MR. KAO: Same objection. <br> 05:02:32 <br> THE DEPONENT: Yes. 05:02:34 <br> Q. (By Ms. Doan) Okay. During that time 05:02:34 period, 1993, 1994, I believe you told us earlier that 05:02:38 you didn't think there was anything new or novel about 05:02:44 combining these already known concepts; is that 05:02:48 correct? 05:02:50 <br> MR. BUDWIN: Form. <br> 05:02:52 <br> THE DEPONENT: I said I didn't understand the 05:02:54 novelty. 05:02:55 <br> Q. (By Ms. Doan) Okay. Back then in 1993, you 05:02:55 did not think combining these known concepts was novel, 05:02:5? <br> did you, sir? 05:02:59 <br> MR. BUDWIN: Form. <br> 05:03:02 <br> THE DEPONENT: I didn't understand what was 05:03:02 novel about it. 05:03:04 <br> Q. (By Ms. Doan) Okay. Have you heard Tim 05:03:04 Berners-Lee talk about the reason he did not apply for 05:03:06 a patent on the Web is because it was just combining 05:03:08 known concepts at the time, he did not think the Web 05:03:11 was patentable? 05:03:13 <br> MR. BUDWIN: Form. <br> 05:03:15 <br> THE DEPONENT: I -- no, I have never heard of 05:03:15 that. 05:03:17 <br> Q. (By Ms. Doan) Okay. Would you agree that 05:03:17 taking already known concepts and just combining them 05:03:18 with the WorldWideWeb is not something that's new or 05:03:22 novel? 05:03:27 <br> MR. BUDWIN: Form. <br> 05:03:27 <br> MR. KAO: Objection. 05:03:28 <br> THE DEPONENT: I'm not sure I can make 05:03:29 that -- I don't have -- I'm not qualified to make that 05:03:30 determination. 05:03:32 <br> Q. (By Ms. Doan) Okay. You just have no 05:03:32 opinion one way or the other; is that fair? 05:03:33 <br> THE DEPONENT: Not having an opinion -- 05:03:35 MR. KAO: Misstates. Objection. |  |
| :---: | :---: |
|  |  |

A. Not necessarily. 05:05:35
Q. Okay. Why not? 05:05:36
A. There's no reason it has to do it over the 05:05:39

Internet.
05:05:41
Q. Over it. Okay.

05:05:42
A. I think.

05:05:43
Q. Over a network? 05:05:45
A. Not --

05:05:45
Q. Does the Web browser need to have the ability 05:05:49 to access and display a Web page? 05:05:51
A. Yes.

05:05:53
Q. If MediaView did not have the ability to 05:05:54
access and display a Web page, would it be a Web 05:05:54 browser in your opinion? 05:05:58

MR. WOLFF: Object to form.
05:06:00
THE DEPONENT: No. I don't think it would 05:06:03 be.
Q. (By Mr. Budwin) Ms. Doan asked you some 05:06:05 questions about Exhibit 37, which was your notes. And 05:06:07 there's a reference in Exhibit 37, in some of the 05:06:13 e-mails, to Xv and Mosaic.

05:06:15
Do you see that?
05:06:19
A. Oh, Exhibit 37.

05:06:20
Q. In particular, there's a June 25th, 1993, 05:06:30
e-mail from you to mosaic@ncsa.uiuc.edu. 05:06:33
Page 250

THE DEPONENT: Yes.
Q. (By Mr. Budwin) And if you look to Exhibit 05:07:39

37, it's the Saturday, June 26th, 1993, e-mail from 05:07:43
Marc Andreessen.
05:07:47
Do you see that?
05:07:49
A. Yes.

05:07:54
Q. He says, "Xv could theoretically be used to 05:07:54
view inline images. However, nope, we haven't touched 05:07:57 it and I doubt we will." 05:08:01 Do you see that? Do you see that? 05:08:02
A. Yes, I see it.
05:08:05
Q. Is that your -- consistent with your 05:08:06
recollection of the discussions -- your discussions 05:08:08 with the Mosaic team in June of 1993?

05:08:11
MS. DOAN: Objection. Form. 05:08:14
You can answer.
05:08:14
THE DEPONENT: This is my discussion with the 05:08:16
Mosaic team. 05:08:18
Q. (By Mr. Budwin) Okay. So as far as you're 05:08:19 aware, as of June 26th, 1993, neither you, nor the 05:08:36 XMosaic team, nor anyone else, which you're aware, ever 05:08:40 actually combined Mosaic and Xv within the Mosaic 05:08:44

## browser window?

## 05:08:48

Page 252
Q. (By Mr. Budwin) Now, Ms. Doan asked you some 05:08:51 questions about a trip report related to the Wizards 05:08:56
Conference. 05:08:59

Do you recall that?
A. Yes.
Q. And she was suggesting that $I$ had a copy of 05:09:00
the trip report and didn't show it to you. 05:09:02
Do you have a copy of that trip report? 05:09:05
A. I don't know.

05:09:07
Q. Okay. Do you recall producing that in this 05:09:08 case? 05:09:09
A. No.
05:09:11
Q. Have you ever seen -- when was the last time 05:09:11 you saw it?

05:09:13

> A. I don't know that it exists. 05:09:14
Q. Okay. Now, during the time that you were -- 05:09:16 you were at UCSF, you don't recall knowing what VPLOT, 05:09:29 PLOT.V or VOBJF were in relation to Viola; is that 05:09:33 true? 05:09:39
MS. DOAN: Objection. Objection. Form. 05:09:40 THE DEPONENT: I don't recall that. 05:09:42
Q. (By Mr. Budwin) And you never saw the Viola 05:09:43
code while you were at UCSF?
05:09:45
A. I don't recall seeing it.

05:09:48
Q. And Ms. Doan asked you if you recalled seeing 05:09:50 Page 253

```
the drawing widget in Viola. 05:09:54
        Do you recall that discussion with her? 05:09:57
    A. Yes, I do. 05:09:58
    Q. She never asked you when. Do you know for
                                    05:09:59
sure that you had seen that drawing area widget in 05:10:02
Viola during the time you were employed at UCSF -- 05:10:05
    MS. DOAN: Objection. 05:10:09
    Q. (By Mr. Budwin) -- or could it -- could it 05:10:10
have been after?
05:10:11
        MS. DOAN: Objection. Form. 05:10:12
        THE DEPONENT: I don't think it was after. 05:10:13
    Q. (By Mr. Budwin) Could it have been? 05:10:14
        MS. DOAN: Objection. Form. 05:10:17
        THE DEPONENT: If I did see it after, I think 05:10:18
I also saw it -- it would not be the first time. 05:10:19
    Q. (By Mr. Budwin) Do you have any notes of the 05:10:23
demo or any time that you ever saw Viola while you were 05:10:25
at UCSF?
        05:10:28
            A. I don't have any notes of that. 05:10:29
            Q. Do you have any written discussion, an 05:10:31
e-mail, or anywhere else about what you saw and when 05:10:34
you saw it in relationship to Viola? 05:10:37
        MR. WOLFF:Object to form. 05:10:40
        THE DEPONENT: I don't know. 05:10:42
    Q. (By Mr. Budwin) Mr. Wolff asked you if you 05:10:42
```

        Page 254
        read the ' 906 patent and if it had a discussion of \(05: 10: 55\)
    securities.
05:10:59
Do you remember that?
05:10:59
A. I remember him asking that.
05:11:00
Q. Do you recall if the ' 906 patent claims 05:11:02
include a limitation that the browser identifies and 05:11:02
locates the executable application? 05:11:05
MS. DOAN: Objection. Form. 05:11:09
THE DEPONENT: I'm not sure. 05:11:10
Q. (By Mr. Budwin) Do you know if in Viola the 05:11:10 browser is able to identify and -- identify the 05:11:13
executable application? 05:11:18
A. Identify the executable application. 05:11:22

MS. DOAN: Objection. Form.
Q. (By Mr. Budwin) Do you know if in Viola, 05:11:28 Viola is able to identify and locate the executable 05:11:30 application based on type information?

05:11:34
MS. DOAN: Same objection. 05:11:38
THE DEPONENT: No. I don't know what 05:11:39 capability it had at that time. 05:11:40
Q. (By Mr. Budwin) Do you know if Viola uses 05:11:43 type information?

05:11:45
MS. DOAN: Same objection. 05:11:46
THE DEPONENT: I believe it did. 05:11:48
Q. (By Mr. Budwin) Do you know for sure? 05:11:49

Page 255

| MS. DOAN: Same objection. | 05:11:53 |
| :--- | ---: |
| THE DEPONENT: Well, no, I don't. | $05: 11: 57$ |

Q. (By Mr. Budwin) In Web design, it's true, 05:12:04
isn't it, that you don't want -- or strike that. 05:12:13
In browser design, it's true, isn't it, that 05:12:15
you don't want Web page authors to be able to launch 05:12:18
whatever applications they can -- or whatever 05:12:21
applications they want on a user's computer? 05:12:24
MR. WOLFF: Object to form. 05:12:26
MR. KAO: Objection. 05:12:28
THE DEPONENT: Not necessarily. 05:12:29
Q. (By Mr. Budwin) I will just leave that. 05:12:30 Was any of the work that you did while you 05:12:36
were at UCSF based upon or taking work from Adobe or 05:12:38 PDF? 05:12:45

$$
\begin{array}{lc}
\text { MR. WOLFF: Object to form. } & 05: 12: 47 \\
\text { THE DEPONENT: No. } & 05: 12: 48
\end{array}
$$

Q. (By Mr. Budwin) Was any of the work that you 05:12:48 did at UCSF taking or based upon MediaView? 05:12:51
A. No.
05:12:55
Q. Was any of the work that you did at UCSF 05:12:56
taking or based upon Viola? 05:12:59
MR. WOLFF: Object to form. 05:13:02
THE DEPONENT: No.
05:13:03
Q. (By Mr. Budwin) It's true, isn't it, that 05:13:04

Page 256
during the time that you were employed at UCSF you 05:13:14 never saw Adobe Acrobat being used to display a 05:13:17 document within a Web browser window? 05:13:21
A. Yes.
05:13:23
Q. You don't know what technically would be 05:13:25
involved in having to combine Adobe Acrobat with a $05: 13: 27$
browser in order to enable the browser to display PDF 05:13:32
content embedded in the window, do you? 05:13:33
A. I think I do. I'm not sure what you are 05:13:40

05:13:42
Q. Okay. Did you ever write any programs that 05:13:42 would allow PDF content to be displayed within a 05:13:44 browser?

05:13:48
A. No, I did not.
05:13:48
Q. Do you know when the first time PDF content 05:13:49 was ever able to be displayed within a browser window 05:13:51 was? 05:13:56
A. No. I don't know exactly when that was. 05:13:57
Q. But it was after you left O'Reilly \& 05:13:58

Associates, you believe? 05:14:01
A. Yes, I believe it was.

05:14:02
Q. And during the time that you were at UCSF, 05:14:07
you never saw Acrobat content embedded in a Web 05:14:08 browser, did you?

05:14:13
A. No.

05:14:14

```
            MR. BUDWIN: All right. Thanks. 05:14:24
            MS. DOAN: Jason, I have like two questions 05:14:28
unless you do -- 05:14:30
            MR. WOLFF: Go ahead. 
            FURTHER EXAMINATION 05:14:31
BY MS. DOAN: 05:14:31
    Q. Mr. McRae, Eolas' attorney was asking you a 05:14:33
whole bunch of questions about this e-mail again with 05:14:34
XMosaic and Xv, about whether you were aware that 05:14:37
anyone from the XMosaic team ever integrated XMosaic 05:14:43
and Xv. 05:14:46
    Do you recall that line of questioning? 05:14:48
```

A. Yes, I do.
05:14:49

```
Q. Okay. And I just want to make sure, since we 05:14:50
are on the record, I want to make sure we're really 05:14:52
clear. 05:14:54
With respect to whatever the XMosaic team was 05:14:55 developing at NCSA, you weren't a part of that team, 05:14:57 right? 05:15:02
A. That's correct. 05:15:03
Q. So if they testified to something differently 05:15:03 in this case that they indeed they were developing some 05:15:04 type of integration with Xv and XMosaic inline, you are 05:15:07 not saying that you know or don't know or that's true 05:15:11 Page 258
```

| or not true, fair? | $05: 15: 14$ |
| :--- | :--- |
| A. | I'm sorry. Could you rephrase that. $05: 15: 17$ |
| Q. | Sure. You don't know anything about what the $\mathbf{0 5 : 1 5 : 1 8}$ |

XMosaic team was developing at NCSA other than what 05:15:20
they told you through e-mails; is that correct? 05:15:24
A. That's correct. 05:15:27
Q. Okay. So if they have said and testified in 05:15:27
this case that indeed they did develop some type of 05:15:30
inline interactive objects within Mosaic, you are not 05:15:34
disputing that testimony, are you, sir?
05:15:38
MR. BUDWIN: Form.
05:15:41
MR. KAO: Objection. Nonsensical. 05:15:42
THE DEPONENT: No, I'm not disputing -- 05:15:45
Q. (By Ms. Doan) Okay.
05:15:46
A. -- anything they have said.
05:15:47

MS. DOAN: Okay. Thank you, sir. No further 05:15:48 questions? 05:15:50

MR. KAO: I have -- I have four. 05:15:53
MR. BUDWIN: Okay. Can I -- can I follow up 05:15:55
real quick on her questions, and then you can go. 05:15:56
FURTHER EXAMINATION 05:15:59
BY MR. BUDWIN: 05:15:59
Q. Mr. McRae, you were pretty active in the Web 05:16:00 community in $1993 . \quad$ 05:16:03
A. I suppose.

05:16:05
Page 259
Q. You were on the WWW-Talk, you attended 05:16:06

SIGWEB, the Wizards Conference, things of that nature? 05:16:09
A. Yes.
05:16:12
Q. You met Marc Andreessen, Tim Berners-Lee, 05:16:12

Eric Bina, all those people? 05:16:16
A. Yes, I did.

05:16:17
Q. And as we saw on Exhibit 37, you, in fact, 05:16:17
sent an e-mail to the Mosaic team asking about their 05:16:19 integration of Mosaic and Xv? 05:16:22
A. Yes.
05:16:25
Q. And asked if they were interested, if they $05: 16: 25$
were going to work on that? 05:16:28
A. Yes. I was asking whether they would. 05:16:30
Q. And Mr. Andreessen wrote back to you and told 05:16:32 you that that was not something the Mosaic team was 05:16:34 interested in, right? 05:16:36

| MS. DOAN: Objection. Form. | $05: 16: 37$ |
| :--- | :---: |
| THE DEPONENT: That's correct. | $05: 16: 38$ |

Q. (By Mr. Budwin) Did you have any reason to 05:16:39 doubt Mr. Andreessen's statement in his e-mail to you? 05:16:44 MS. DOAN: Objection. Form. 05:16:49 THE DEPONENT: The thought crossed my mind 05:16:50 that -- that they may not be willing to be completely $05: 16: 52$ open. 05:16:55
Q. (By Mr. Budwin) But he told you they weren't 05:16:55 Page 260
working on developing Mosaic with Xv , right? 05:16:57
A. That's what the e-mail says.
05:17:00
Q. The e-mail in Exhibit 37? 05:17:01
A. Yes.

05:17:02
Q. And even though you were active in the Web 05:17:03
community, WWW-Talk, SIGWEB, Wizards, all these 05:17:05
conferences, you're not aware of anyone who actually 05:17:09
released a version of Mosaic that had support for Xv in 05:17:12 the browser, right?

05:17:14

| MS. DOAN: Objection. Form. | $05: 17: 16$ |
| :--- | :---: |
| THE DEPONENT: That's correct. | $05: 17: 17$ |
| MR. BUDWIN: Okay. Thank you. | $05: 17: 18$ |
| EXAMINATION | $05: 17: 18$ |

BY MR. KAO: 05:17:18
Q. Okay. Mr. McRae, if you turn back to Exhibit 05:17:20

37, I just want to go over your notebook entry, 05:17:22
April 28th, $1993 . \quad$ 05:17:26
What's described here, would you be able to 05:17:39
implement this if you had enough time and resources? 05:17:42
A. Yes, I would have. 05:17:46
Q. So "Merge SGML and PostScript parsers," do 05:17:47
you see where it says that -- 05:17:51
A. Yes.
05:17:53
Q. -- and then the steps below? 05:17:53

If you can review that and let me know if you 05:17:55
Page 261

```
would be able to implement that step.A. Yes. I don't think there are any particular 05:18:15technical challenges. 05:18:17Q. So back in April of 1993, you would have been 05:18:18
```

able to implement that? 05:18:21

```MR. BUDWIN: Form.05:18:24THE DEPONENT: Yes.05:18:24
```05:18:00
Q. (By Mr. Kao) Would you have been able to 05:18:25 guide an engineer to implement that? 05:18:27
A. Yes. 05:18:30
MR. BUDWIN: Form.
05:18:31
Q. (By Mr. Kao) What about the next step, 05:18:31
"Modify graphics file rendering utilities such as Xv so 05:18:34 that they return PostScript objects"? 05:18:38

Do you see that entry?
05:18:42
A. Yes, I do.

05:18:43
Q. Would you be able to implement that back in 05:18:44 1993 if you had enough time and resources? 05:18:46

MR. BUDWIN: Form. And I'm going to object 05:18:49 to the questions as being leading. 05:18:50

THE DEPONENT: Yes. I would have been able 05:18:54 to implement it given the tools that were available at \(05: 18: 54\) that time. 05:18:57
Q. (By Mr. Kao) And "Use ToolTalk to tie it all 05:18:58 together," is that something you would be able to 05:19:05 Page 262
implement with enough time and resources? 05:19.08
MR. BUDWIN: Form. Leading.
05:19:12
THE DEPONENT: Yes. ToolTalk was intended by 05:19:14
the publishers to make it easy for people to do things \(05: 19: 16\)
like that. And I would have been able to do that. 05:19:20
Q. (By Mr. Kao) And anything else on this 05:19:23
document that you would have been able to implement? 05:19:27
MR. BUDWIN: Form. Leading.
05:19:32
MR. KAO: Sorry. Strike that.
05:19:43
Q. (By Mr. Kao) With respect to code routines, 05:19:44
is that something you would have been able to implement 05:19:48 with enough time and resources? 05:19:51

MR. BUDWIN: Form. Leading. 05:19:53
THE DEPONENT: Yes. Every computer science 05:19:55
curriculum includes basic coprocessing exercises like 05:19:57
that, and I -- I did -- I did some of those. Dining 05:20:00 philosophers. 05:20:05

MR. KAO: I don't have any other questions. 05:20:06
MS. DOAN: I just have a couple of follow-up 05:20:08
on that. 05:20:10
FURTHER EXAMINATION 05:20:10
BY MS. DOAN:
05:20:10
Q. Mr. McRae, the SGMLs, Ghostscript parsers and 05:20:10

ToolTalk, those were all well-known programs at the 05:20:13
time back in 1993, correct? 05:20:16

Page 263
A. Yes, they were.
05:20:19
MS. DOAN: Thank you, sir. No further 05:20:20
questions.
MR. BUDWIN: Jason.
EXAMINATION
05:20:22
BY MR. WOLFF:
05:20:24
05:20:25
05:20:25
Q. Mr. McRae, do you have Exhibit 37 in front of 05:20:25 you?

05:20:27
A. Yes, I do.

05:20:28
Q. Your counsel asked you some questions about 05:20:29 the notebook entry of April 28th, \(1993 . \quad 05: 20: 30\)
Do you see that?
05:20:33
A. Yes, I do.

05:20:35
Q. You didn't actually implement any of the 05:20:35
things discussed on the page of your notebook entry 05:20:37
from Exhibit 37, dated April 28th, 1993, did you, sir? 05:20:40
A. I was stopped from implementing it by Mike 05:20:45

Doyle and David Martin, basically.
05:20:48
Q. I want you to listen to my question and I 05:20:49
want you to ask -- answer my specific question. 05:20:50
\begin{tabular}{lc} 
Okay? & \(\mathbf{0 5 : 2 0 : 5 3}\) \\
A. Yes. & \(05: 20: 54\)
\end{tabular}
Q. Do you have Exhibit 37 in front of you? 05:20:54
A. Yes, I do. 05:20:56
Q. Do you have it opened to the page of your 05:20:57

Page 264
notebook dated April 28th, 1993? 05:20:58
A. Yes, I do.
05:21:01
Q. You never implemented any of the things 05:21:02 discussed on the page of your notebook, April 28th, 05:21:06 1993, in Exhibit 37, did you?

05:21:09
A. No.
05:21:13
Q. And the only written disclosure that you have \(05: 21: 17\)
technical ways to do the things that you were working \(05: 21: 19\)
on is contained in this notebook entry that we see in 05:21:23
Exhibit 37; is that right? 05:21:26
A. I'm sorry. Would you say that again, please. 05:21:29
Q. Sure. Are you aware of any technical 05:21:31
descriptions of your ideas, other than your notebook 05:21:33
entries that we see in Exhibit 37? 05:21:37
A. Well, there's some elements in some of the 05:21:49
e-mails communications. 05:21:51
Q. Other than what we see in Exhibit 37, okay -- 05:21:53
do you have Exhibit 37 in front of you? 05:21:55
Okay. Other than what we see in Exhibit 37, 05:21:58
are you aware of any technical description regarding 05:21:59
the implementation of your ideas? 05:22:02
A. No.
05:22:05
Q. And at least with respect to the portions of 05:22:07
your notebook page, see, for example, April 28th, 1993, 05:22:08 it was your practice to keep your notebook personal to 05:22:12 Page 265
\begin{tabular}{|c|c|}
\hline \begin{tabular}{cc} 
yourself; is that right? & \(\mathbf{0 5 : 2 2 : 1 6}\) \\
A. Yes. & \(05: 22: 18\)
\end{tabular} & Q. It's -- it's a known concept or a known 05:23:44 program to someone who is a computer engineer or Web 05:23:46 \\
\hline Q. It's because you had some personal details 05:22:18 & developer like you were; is that correct? 05:23:52 \\
\hline and journal entries and things like that in the 05:22:20 & R. BUDWIN: Object. Form. 05:23:54 \\
\hline notebook? 05:22:22 & THE DEPONENT: To some people, yes. 05:23:55 \\
\hline A. Yes. 05:22:24 & Q. (By Ms. Doan) Okay. It was well known to 05:23:56 \\
\hline Q. So you didn't freely share your notebook with 0 & you, fair? 05:23: \\
\hline others, did you?
05:22:2 & A. Yes. 05:23:58 \\
\hline A. At times I shared parts of it. 05:22:28 & Q. Okay. And for others that are Web developers 05:23:58 \\
\hline 93, & or that are Web designers such as you were at the time, 05:24:01 \\
\hline entry -- you never gave a copy of it to anyone, did 05:22:34 you? 05:22:39 & these four programs would have been known to someone of 05:24:05 ordinary skill in the art at the time back in 1993, 05:24:08 \\
\hline A. No. 05:22:39 & correct? 05:24:11 \\
\hline k you. 05:22:4 & R. BUDWIN: Form. 05:24:12 \\
\hline MS. DOAN: Just a follow-up on & THE DEPONENT: I'm not sure that many people 05:24:12 \\
\hline briefly & knew what ToolTalk was -- 05:24:1 \\
\hline URTHER EXAMINATION 05:22:45 & Q. (By Ms. Doan) Okay. 05:24:15 \\
\hline BY MS. DOAN: 05:22:45 & A. -- at that time. 05:24:1 \\
\hline Q. With respect to the same entry, April 28th, 05:22:46 & Q. Okay. There were others with your same level 05:24:17 \\
\hline 1993, the SGMLs and PostScript parsers, those are 05:22:48 & of education and experience that knew what ToolTalk 05:24:19 \\
\hline both -- those are both well-known programs at the time 05:22:54 & was, correct? 05:24:2 \\
\hline back in 1993, correct?
05:22:56 & A. I believe so. 05:24:23 \\
\hline A. Yes. 05:23:00 & Q. Okay. And they were also computer 05:24:23 \\
\hline Q. They are known concepts, right? 05:23:01 & programmers, correct? 05:24:2 \\
\hline A. Yes. 05:23:03 & A. That's true. 05:24:27 \\
\hline Page 266 & Page 268 \\
\hline Q. So the combination of merging SGMLs and 05:23:03 & Q. So anyone that had the same level of ordinary 05:24:28 \\
\hline PostScript parsers would be the combination of two 05:23:07 & skill in the art as you would have back in 1993 as a 05:24:31 \\
\hline well-known ideas or well-known programs -- 05:23:09 & computer programmer would have worked with ToolTalk; is 05:24:34 \\
\hline MR. BUDWIN: Form. 05:23:11 & that fair? 05:24:36 \\
\hline Q. (By Ms. Doan) -- is that correct? 05:23:1 & R. BUDWIN: Form. 05:24:39 \\
\hline MR. BUDWIN: Form.
\[
05: 23: 13
\] & HE DEPONENT: I don't know how many people 05:24:40 \\
\hline E DEPONENT: It would -- may have involve & had experience working with ToolTalk. It was very new. 05:24:41 \\
\hline some additional things that weren't quite so well 05:23:17 & Q. (By Ms. Doan) Okay. Would you agree with me 05:24:43 \\
\hline known. 05:23:1 & that back in 1993, with someone of your level of 05:24:48 \\
\hline Q. (By Ms. Doan) Okay. But, in general, those 05:23: are two well-known concepts, right? 05:23:21 & \begin{tabular}{l}
ordinary skill in the art, being a computer programmer, 05:24:56 \\
that they would have known of the concept of -- or 05:24:59
\end{tabular} \\
\hline A. Yes --
05:23:22 & program of SGMLs, PostScript parser, Xv and ToolTalk \\
\hline Q. Programs? & WIN: Form. 05:25:09 \\
\hline A. -- they were. & THE DEPONENT: I'm sorry. Repeat that, 05:25:11 \\
\hline Q. And then you talk later about Xv. And I 05:23 & please. \\
\hline think we have already established that \(X v\) was a 05:23:25 & (an) Sure. Those four programs -- 05:25:12 \\
\hline well-known program as well at the time, correct? 05:23:28 & A. Uh-huh. 05:25:15 \\
\hline A. Yes. 05:23 & Q. -- or concepts, were they well known to 05:25:1 \\
\hline Q. And ToolTalk was a well-known program as well 05:23:31 & someone of ordinary skill in the art such as you back 05:25:17 \\
\hline at the time back in 1993; is that correct? 05:23:35 & in 1993? 05:25:20 \\
\hline A. I don't know what well known means in that 05:23:37 & MR. BUDWIN: Form. 05:25:2 \\
\hline sense. 05:23:40 & THE DEPONENT: Possibly, yes. 05:25:23 \\
\hline Q. Okay. 0 & 05:25:25 \\
\hline A. It was fairly new and -- and not so well 05:23:41 & MR. BUDWIN: Got anything, Jason? 05:25:28 \\
\hline known. 05:23:43 & MR. WOLFF: Go ahead. 05:25:30 \\
\hline Page 267 & Page 269 \\
\hline
\end{tabular}
well versed in the Internet and the community in 1993, 05:26:47 you just didn't know about it, right? 05:26:50
A. That's correct. 05:26:53
MR. BUDWIN: Okay. Thanks. 05:26:55
MR. KAO: We're done.
05:26:55

THE VIDEOGRAPHER: This is the end of today's 05:27:01 deposition. We are off the record at 5:26 p.m. The 05:27:02 master disk will be held at Veritext. 05:27:06
(Deposition concluded at 5:26 p.m.) 05:27:09

MR. BUDWIN: Well, do you have any questions. 05:25:31
MR. WOLFF: No. 05:25:33

Y MR. BUDWIN: 05:25:33
Q. Mr. McRae, Ms. Doan asked you some questions 05:25:35 about Xv, Mosaic, ToolTalk and Ghostscript parser, do 05:25:38
you recall that? 05:25:42
A. Yes.

05:25:46
MS. DOAN: Objection. Form.
05:25:47
Q. (By Mr. Budwin) Yes?

05:25:50
A. Yes.
d Mosa
Q. Regardless of whether Xv and
and Ghostscript were known in the art in 1993, you're 05:25:55
not aware of anyone who actually combined those four 05:25:59
hings together in 1993 in a working fashion, are you? 05:26:01

MR. WOLFF: Object to form. 05:26:06
THE DEPONENT: -- of anybody doing that, no. 05:26:07
MR. BUDWIN: Thanks.
05:26:10
05:26:13

05:26:13
Page 270
testimony is that you are not aware, that doesn't mean 05:26:17
it wasn't happening somewhere else; is that fair? 05:26:19
You just don't know about it as you sit here 05:26:22
today.
05:26:23
A. That's true. 05:26:24

MS. DOAN: Thank you, sir. 05:26:25
FURTHER EXAMINATION 05:26:26
BY MR. BUDWIN: 05:26:26
Q. You were active in the Internet community in 05:26:27 1993? 05:26:29
A. Yes, I was. 05:26:30
Q. You are not aware of anyone combining \(\mathrm{Xv}, \quad 05: 26: 30\)

Mosaic, ToolTalk and Ghostscript together, are you? 05:26:32
A. No, I am not. 05:26:36

MR. BUDWIN: Thanks. 05:26:36
FURTHER EXAMINATION 05:26:36
BY MS. DOAN:
05:26:36
Q. But if someone has testified differently in 05:26:37
this case, you are not saying that their testimony is 05:26:39
not truthful; is that fair? 05:26:41
A. That's true. 05:26:43

MS. DOAN: Thank you, sir. 05:26:44
FURTHER EXAMINATION 05:26:44
BY MR. BUDWIN:
05:26:44
Q. All you are saying is even though you were 05:26:44

Page 271

STATE OF CALIFORNIA ) ss:

\section*{COUNTY OF CONTRA COSTA )}

I, Rebecca L. Romano, CSR No. 12546, do hereby certify:

That the foregoing deposition testimony was taken before me at the time and place therein set forth and at which time the witness was administered the oath;

That the testimony of the witness and all objections made by counsel at the time of the examination were recorded stenographically by me, and were thereafter transcribed under my direction and supervision, and that the foregoing pages contain a full, true and accurate record of all proceedings and testimony to the best of my skill and ability.

I further certify that I am neither counsel for any party to said action, nor am I related to any party to said action, nor am I in any way interested in the outcome thereof.

IN WITNESS WHEREOF, I have subscribed my name this 22nd day September, 2011.
