SULLIVAN'S LAW DIRECTORY®

For the State of Illinois

ONE HUNDRED THIRTY THIRD ANNUAL EDITION VOLUME I

The Law Bulletin Publishing Company is pleased to present this 133rd annual directory. We offer attorney listings at no charge to the listees—including areas of practice concentration, birth year, state bar admissions, bar association affiliations, e-mail addresses, websites; law firm listings displaying attorney position, law firm biographical listings including representative clients; and advertisers throughout the directory which provide services specifically targeted to the legal profession.

We depend on our subscribers' criticism and suggestions. Accordingly we would be pleased to review any of your comments.

The publishers disclaim any responsibility for changes, omissions, etc. not reported to the editors before the announced closing date. Keep your listing current by notifying us via e-mail at sullivans@sullivanslawdirectory.com or at the address or fax listed below.

Compilation of the copyright matter published in the directory has been accomplished only through the expenditure of considerable time, a monumental effort and at a great cost and is intended for the exclusive use of our subscribers. Such information may not be keyed, copied, scanned, entered into a computer in any manner for any purpose without written permission of the publishers. Its use as a mailing list, either in whole or in part, is strictly forbidden except in special circumstances, as authorized in writing by the publisher. The contents have been coded and cannot be copied without detection; infringements will be prosecuted.

Mailing lists extracted from the material contained in this directory are available for a nominal charge from Sullivan's Law Directory®.
