Teague -

Given that we already meet and conferred on this, and that we already filed our Motion for Extension of Time, we see no reason to change the posture now.

Thanks.

Josh:

We spoke today regarding Eolas's motion for an extension of time to file a surreply with respect to the transfer motion. I asked whether, if the moving defendants agreed to drop any opposition to this motion for an extension, Eolas would agree not to argue that transfer should be denied because the proceedings in this action are too far along and the Court's investment and familiarity with the case weigh against transfer. You stated that you needed to see the request in writing before providing a firm response. Please let me have Eolas's position. Thank you.
