## VIA E-MAIL TO ALL OUTSIDE COUNSEL OF RECORD

RE: *Eolas Technologies Incorporated v. Adobe Systems, Inc., et. al*; Civil Action No. 6:09-CV-00446-LED; United District Court of Texas; Eastern District.

Dear Counsel:

The Agreed Discovery Order and the Patent Rules require the defendants to produce all relevant documents and things, including source code. Many of your accused products are web-based products which are subject to frequent updates.

To assist each of you in complying with your source code production obligations, Eolas proposes to work with each defendant to identify representative versions of the accused products to help reduce this burden.

Please let us know your availability for a meet and confer on these issues.

Sincerely,

Josh Budwin
