**Re: Eolas Technologies Inc. v. Adobe Systems, Inc., et al.
(Case No. 6:09-cv-446-LED)**

Dear Josh:

Pursuant to Local P.R. 3-4(a), enclosed is one (1) CD containing electronic copies of the production from Google Inc. (“Google”), labeled KS_GOOGLE_00002395 - KS_GOOGLE_00007230. This production, and future Google productions, will include the productions of Google’s subsidiary, YouTube, LLC.

Certain documents in the production have been marked “CONFIDENTIAL” or “CONFIDENTIAL – ATTORNEYS’ EYES ONLY” in accordance with the designations contemplated in the draft Protective Order being negotiated by the parties in this case. However, until such time as the Protective Order is granted, all designated documents should also be treated confidential in accordance with Local P.R. 2-2.

Additionally, included in Google’s production are fourteen (14) CDs/DVDs of material designated “OPEN SOURCE CODE” in accordance with the designation contemplated in the draft Protective Order being negotiated by the parties in this case:

(1) Google Chrome: Google Chrome source code is available for review online and for download. (See <http://www.chromium.org/Home>). We have enclosed six (6) DVDs containing the following selected versions for your review:

- (c) 3.0.195.38
- (d) 4.1.249.1067
- (e) 5.0.396.0

(f) 6.0.450.1

(2) Google ChromeOS: Google ChromeOS source code is available for review online and for download. (See <http://www.chromium.org/chromium-os/building-chromium-os>). We have enclosed a DVD containing a recent version for your review.

(3) Google Android: Google Android source code is available for download. (See <http://source.android.com/source/download.html>). We have also enclosed four (4) DVDs containing selected versions for your review:

- (a) 1.5 ("Cupcake")
- (b) 1.6 ("Donut")
- (c) 2.0/2.1 ("Éclair")
- (d) 2.2 ("Froyo")

(4) Google Closure Library: Google Closure Library source code is available for download. (See <http://code.google.com/p/closure-library/source/checkout>). We have enclosed a CD containing the Google Closure Library source code for your review.

(5) Google Web Toolkit: Google Web Toolkit ("GWT") source code is available for download. (See <http://code.google.com/webtoolkit/download.html>). We have enclosed a CD containing the GWT source code for your review.

(6) Google V8 Engine: Google V8 Engine source code is available for download. (See <http://code.google.com/apis/v8/build.html>). We have enclosed a CD containing the V8 Engine source code for your review.

You should also be receiving Defendants' Invalidation Contentions and Local P.R. 3-4(b) productions from counsel for Apple Inc. and other defendants.

Google anticipates that it will produce additional documents as discovery continues. Please contact us at your earliest convenient to discuss the availability and location of the inspection of additional, relevant source code.

If you have any questions, please let us know.

Sincerely,

Christopher C. Carnaval
