Founded in February 2005, YouTube allows billions of people to discover, watch and share originally-created videos.

YouTube provides a forum for people to connect, inform, and inspire others across the globe and acts as a distribution platform for original content creators and advertisers large and small. See our company [timeline](#) for more information on our company history.

### Getting Started

We've put together a step-by-step guide to get you started on YouTube.

### YouTube Essentials

A list of the essential YouTube tools and features that help you view, discover, share, personalize, and upload videos.

### Community Guidelines

Read up on our guidelines for participating in the YouTube community.

### Contact Us

Find contact information for our various departments.

### Careers

Want to work at YouTube? Check out our careers page to hear from current employees and find available positions.

### Merchandise

Sunglasses, T-shirts, backpacks—we've got a whole online store filled with YouTube merchandise for your purchasing pleasure.
