## Company Overview

**FUN FACT:** There are more Yahoo! Games users in the U.S. than people living in Tokyo, Japan.

## Who We Are

Founded in 1994 by Stanford Ph.D. students David Filo and Jerry Yang, Yahoo! began as a hobby and has evolved into a leading global brand that changed the way people communicate with each other, conduct transactions and access, share, and create information. Today, Yahoo! Inc. attracts hundreds of millions of users every month through its innovative technology and engaging content and services, making it one of the most trafficked Internet destinations and a world class online media company. Our offerings to users on Yahoo! Properties currently fall into five categories: Integrated Consumer Experiences, Applications (Communications and Communities), Search, Media Products & Solutions, and Mobile. The majority of our offerings are available in more than 30 languages. The company is headquartered in Sunnyvale, California, with a presence in more than 25 countries, provinces, and territories.

## **What We Do**

Yahoo!'s vision is to be the center of people's online lives by delivering personally relevant, meaningful Internet experiences.

## **How We Make a Difference**

Yahoo! is also committed to empowering its users and employees through programs, products, and services that inspire people to make a positive impact on their communities. [Yahoo! for Good](#) connects people with causes through our products and services, as well as through partnerships with nonprofits such as Global Green, Network for Good, and DonorsChoose. Yahoo! also channels the generosity of its employees through the Yahoo! Employee Foundation, a grassroots philanthropic organization that brings together the talents, time, and financial resources of Yahoo! employees. The foundation has given millions of dollars in grants to organizations around the world.
