Re: *Eolas Technologies Incorporated v. Adobe Systems, Inc., et. al*; Civil Action No. 6:09-CV-00446-LED; United District Court of Texas; Eastern District

Counsel,

In addition to the claims noted in my letter of January 25, 2011, pursuant to the Court's December 21, 2010 Order (dkt. 536) and in the interest of narrowing the number of claims at issue in this case, Eolas states that it will no longer assert the following claims against any Defendant in the above-captioned matter:

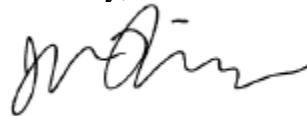

U.S. Patent No. 5,838,906: Claims 12 and 14

U.S. Patent No. 7,599,985: Claims 29, 30 and 31

These claims are being dropped without prejudice, and Eolas reserves the right to assert any or all claims of the Patents-in-Suit against any products or combinations of products made, used, offered for sale, sold, or imported into the United States by defendants that are not identified in Eolas' P.R. 3-1 infringement contentions.

If you have any questions, please feel free to contact me.

Sincerely,

Josh Budwin
