a) Search suggest

The screenshot shows the eBay search results for the query "watch". The search bar at the top contains the word "watch". Below the search bar, there is a list of suggested search terms: "men's watches", "wo. men's watches", "o. son watch", "men's rolex watch", "michele kors watches", "pocket watch", "casio g-shock watches", "men's fossil watch", "fossil men's watch", and "o men's watch". To the right of the suggestions, there is a large advertisement for "Shipping" with the text "... just in time". Below the suggestions and the ad, there are several search results displayed as cards. One card features a black leather strap watch with a silver-toned case and a date window at the 3 o'clock position. Another card shows a similar watch with a dark dial and a date window. The cards include links for "Men's watches", "Fossil", "Michele", and "Casio G-Shock".
