

Exhibit B

the Google+ project

Google+ is in limited Field Trial

Right now, we're testing with a small number of people, but it won't be long before the Google+ project is ready for everyone. Leave us your email address and we'll make sure you're the first to know when we're ready to invite more people.

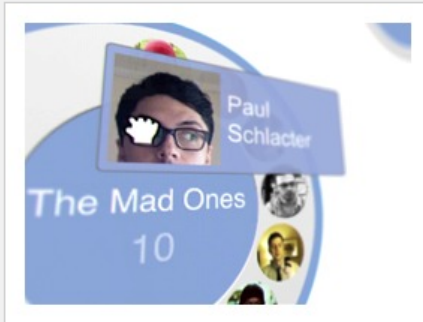

[Keep Me Posted](#)

Already invited? We've temporarily exceeded our capacity. Please try again soon.

Welcome to the Google+ project

Real-life sharing rethought for the web.

Circles

The easiest way to share some things with college buddies, others with your parents, and almost nothing with your boss.

Hangouts

Let friends know you're free for a video hangout, any time, anywhere. Then catch up, watch YouTube, or... just hangout.

Sparks

A feed of just the stuff you're really into, so when you're free, there's always something waiting to be watched, read, or shared.
