Subject: Re: Eolas/Staples: Motion for Leave to Add stapleslink.com and eway.com

Counsel

Please let us know whether Staples opposes Eolas' MFL to add stapleslink.com and eway.com (as reflected in the attached PICs) by no later than the COB (6 p.m. CT) tomorrow, Thursday. Should we not hear from Staples by the requested time, Eolas will file an opposed MFL.

Regards,

Tom

Counsel

Please know that Eolas is going to file with the Court a motion for leave to add Staples' B2B websites stapleslink.com and eway.com as accused products in this litigation. Please let us know if Staples opposes Eolas' motion in this regard.

Thank you,

Tom
