**DECLARATION OF DANIEL NADIR IN SUPPORT OF  
DEFENDANTS' MOTION TO TRANSFER**

I, Daniel Nadir, declare as follows:

1. I am Daniel Nadir, Sr. Director, Product Management, of Symantec. I submit this Declaration in support of Defendants' Motion to Transfer Venue Under Rule 28 U.S.C. § 1404(a). I have personal knowledge of the facts set forth in this Declaration acquired through my work experience at Symantec.

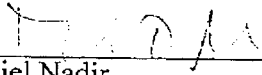

2. Symantec is a company organized and existing under the laws of Delaware with its principal place of business located in California. Symantec is a publicly held company that produces a variety of software products including security and data protection software.

3. I am aware that the Plaintiffs Uniloc USA, Inc. and Uniloc Singapore Private Limited (collectively, "Uniloc") allege that Symantec directly and/or indirectly infringes U.S. Patent No. 5,490,216, "by, among other things, making, using, offering for sale, selling and/or importing a system, device and/or method for reducing software piracy, reducing casual copying and/or reducing the unauthorized use of software, including without limitation Symantec's Norton AntiVirus 2010 product that permits customers to activate and/or register software."

4. Symantec offered for sale and sold the accused Norton AntiVirus 2010 products in Rhode Island before Uniloc filed its complaint in this action on September 14, 2010.

I declare under penalty of perjury of the laws of the United States and the State of Texas that the foregoing is true and correct.
