Yes, with regard to "local" I am speaking on behalf of all defendants.

Patrick,

Just for clarification, you are speaking on behalf of all of the Uniloc defendants correct?

Thanks,
Steven

Steve:

As discussed by phone, we agree to your counter-proposal for "local" as follows: "on the computer on which the digital data is executing or is to be executed."

Please let us know who we should work with tomorrow regarding the stipulation on the disclaimer issue and on the other terms.

Thanks, Pat
