INC. and

(12) ALADDIN KNOWLEDGE SYSTEMS  
LTD.

Defendants.

Civ. Action No.: 6:10-cv-00472  
(LED)

**JURY TRIAL DEMANDED**

**DECLARATION OF DEAN G. BOSTOCK IN SUPPORT OF  
PLAINTIFFS' OPPOSITION TO DEFENDANT  
SYMANTEC CORPORATION'S MOTION TO DISMISS**

I, Dean G. Bostock, declare as follows:

1. I am licensed to practice law in the Commonwealth of Massachusetts. I am an attorney with the law firm of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. ("Mintz Levin"), counsel for plaintiffs Uniloc USA, Inc. and Uniloc (Singapore) Private Limited (together "Uniloc"). I submit this declaration in support of Uniloc's opposition to Symantec Corporation's motion to dismiss.

2. I am over the age of 18 and make this declaration of my own knowledge. I could and would competently testify as to the matters set forth below if called upon to do so.

3. As indicated by the email attached as Exhibit G to the declaration of Mr. Flagel, as a result of discussions with my client, I believed that Uniloc initially intended to file a patent suit in against Symantec/XtreamLok in California and for Symantec to file a motion to dismiss in this Texas case. Uniloc did not make any agreement to dismiss this case. After subsequent discussions with Uniloc, I was informed that Uniloc instructed me to file a patent infringement counterclaim against Symantec/XtreamLok in the California case, assert that venue in California was nonetheless improper due to the pendency of this first-filed case, and to oppose any motion by Symantec to dismiss this case.

I declare under penalty of perjury that the above is true and correct.

Executed this 30th day of November, 2010, in Boston, Massachusetts.
