Civil Action No. 6:10-cv-491 LED

**NISSAN NORTH AMERICA, INC.'S NOTICE OF JOINDER IN JOINT MOTION BY
ALL 6:10-CV-00111 PARTIES TO BIFURCATE DAMAGES ISSUES.**

Currently, four separate actions are pending in which Plaintiff, Parallel Networks, LLC, has asserted the identical patent against more than 120 defendants. During the recent scheduling conference for three of the pending actions, the Court invited parties to provide suggestions for the efficient management of the cases. Nissan North America, Inc. (“Nissan”) believes bifurcation of liability and damages will promote the efficient management of this action. Accordingly, Nissan respectfully joins the agreed motion for bifurcation filed in the first Parallel Networks action, No. 6:10-cv-00111 (E.D. Tex. filed March 29, 2010) (Dkt. No. 307), as though filed in the present matter and providing the same relief to Nissan in the present matter for the efficient management of this action.

Dated: January 24, 2011.

Respectfully submitted,

By: /s/ Jeffrey S. Patterson _____
