**NAVISTAR’S NOTICE OF JOINDER IN JOINT MOTION BY ALL 6:10-CV-00111
PARTIES TO BIFURCATE DAMAGES ISSUES**

Currently, four separate actions are pending in which Plaintiff, Parallel Networks, LLC, has asserted the identical patent against more than 120 defendants. During the recent scheduling conference for three of the pending actions, the Court invited parties to provide suggestions for the efficient management of the cases. Navistar, Inc. (“Navistar”) believes bifurcation of liability and damages will promote the efficient management of this action. Accordingly, Navistar respectfully joins the agreed motion for bifurcation filed in the first Parallel Networks action, No. 6:10-cv-00111 (E.D. Tex.) (D.I. 307), as though filed in the present matter and providing the same relief to Navistar in the present matter for the efficient management of this action.

Dated: January 24, 2011

Respectfully submitted,

/s/ Eric H. Findlay
