

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
TYLER DIVISION

ORLON JEROME SIMPSON	§	
v.	§	CIVIL ACTION NO. 6:12cv912
DIRECTOR, TDCJ-CID	§	

MEMORANDUM ADOPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE
AND ENTERING FINAL JUDGMENT

The Petitioner Orlon Simpson, proceeding *pro se*, filed this application for the writ of habeas corpus under 28 U.S.C. §2254 complaining of the legality of prison disciplinary action taken against him during his confinement in the Texas Department of Criminal Justice, Correctional Institutions Division. This Court ordered that the matter be referred to the United States Magistrate Judge pursuant to 28 U.S.C. §636(b)(1) and (3) and the Amended Order for the Adoption of Local Rules for the Assignment of Duties to United States Magistrate Judges.

Simpson's first petition was largely indecipherable and he was ordered to file an amended petition. This amended petition indicates that he was charged with the disciplinary offense of assaulting an officer; however, he did not lose any good time and is not eligible for release on mandatory supervision.

After review of the pleadings, the Magistrate Judge issued a Report. The Magistrate Judge determined that Simpson failed to show that the punishments imposed upon him as a result of the disciplinary case at issue implicated any constitutionally protected liberty interests. See Sandin v. Conner, 115 S.Ct. 2293, 2301 (1995); Malchi v. Thaler, 211 F.3d 953, 959 (5th Cir. 2000). The Magistrate Judge therefore recommended that Simpson's petition be dismissed and that Simpson be denied a certificate of appealability *sua sponte*.

A copy of this Report was sent to Simpson at his last known address, return receipt requested, but no objections have been received; accordingly, he is barred from *de novo* review by the district judge of those findings, conclusions, and recommendations and, except upon grounds of plain error, from appellate review of the unobjected-to proposed factual findings and legal conclusions accepted and adopted by the district court. Douglass v. United Services Automobile Association, 79 F.3d 1415, 1430 (5th Cir. 1996) (*en banc*).

The Court has reviewed the pleadings in this cause and the Report of the Magistrate Judge. Upon such review, the Court has determined that the Report of the Magistrate Judge is correct. *See United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir.), *cert. denied*, 492 U.S. 918, 109 S.Ct. 3243 (1989) (where no objections to a Magistrate Judge's Report are filed, the standard of review is "clearly erroneous, abuse of discretion and contrary to law."). It is accordingly

ORDERED that the Report of the Magistrate Judge (docket no. 14) is ADOPTED as the opinion of the District Court. It is further

ORDERED that the above-styled application for the writ of habeas corpus is hereby DISMISSED with prejudice. It is further

ORDERED that the Petitioner Orlon Simpson is hereby DENIED a certificate of appealability *sua sponte*. Finally, it is

ORDERED that any and all other motions which may be pending in this civil action are hereby DENIED.

So ORDERED and SIGNED this 30th day of April, 2013.

A handwritten signature in black ink, appearing to read 'Leonard Davis', written over a horizontal line.

**LEONARD DAVIS
UNITED STATES DISTRICT JUDGE**
