RE: *Anascape, Ltd. v. Microsoft Corp. and Nintendo of America, Inc.*
Civil Action No. 9:06-CV-158-RC

Dear Jim:

I am writing with respect to Nintendo's document production.

The page produced at NAA00014643 appears to be from a notebook of Howard Cheng. That page suggests that the notebook contains eighty pages and covers the date range between March 4, 1997 and September 22, 1997. The only handwritten page produced from this notebook, however, is Bates numbered NAA00014644, and comprises a single entry dated August 27, 1997. Anascape requests that Nintendo produce the entire notebook as soon as possible.

Feel free to call me if you have any questions.

Sincerely,

Luke F. McLeroy
