Civil Action No. 9:06-CV-158

JUDGE RON CLARK

ORDER GRANTING DEFENDANTS’ MOTION FOR SUMMARY JUDGMENT

The parties have entered a Stipulation Regarding the Claim Term “Flexible Membrane Sheet” agreeing that the accused products in this case do not include a “flexible membrane sheet” under the court’s construction of that term reflected in the court’s Memorandum Opinion and Order Construing Claim Terms of United States Patent Nos. 6,222,525 and 6,906,700 [Doc. #186]. The parties agree that the court’s construction precludes a finding of infringement of claims 1, 5-6, 12-20 of the ‘525 patent and claims 1-11, 21, 26-29, and 31 of the ‘700 patent.

IT IS THEREFORE ORDERED that Defendants’ Motion for Summary Judgment [Doc. #223] is **GRANTED**.

So **ORDERED** and **SIGNED** this **31** day of **March, 2008**.

Ron Clark, United States District Judge
