**Filing a class action lawsuit & notifying the authorities**

Filing a Ripoff Report is important because you are helping us, and others like you, achieve justice. We are able to accomplish this by working with the proper authorities for prosecution, and working with lawyers by using your report to help organize lawsuits. It is important that you know that your information is held strictly confidential, and your identity is protected by the First Amendment of the US Constitution. We will contact you if a lawsuit is being considered or has been filed which you may want to be a party to. The more reports filed on a company or individual, the more likely it is that the authorities and attorneys will want to take action.

**Media Attention**

Quite often the media is interested in the reports you filed and ask us to assist in their investigations giving you the publicity needed to help your cause. File your Report now! In the event your Ripoff Report is of interest to the media, we will put you in contact with them.

Ripoff Report works with almost every state Attorney General's office, U.S. Postal Inspectors office, the Justice Department, Homeland Security, FBI, FTC and local and state authorities, including those in Canada, UK, Australia, and other government agencies around the world. We also supply story ideas along with victim information to every network and most local affiliates, and to every major TV News Magazine including Dateline, 20/20, 48 Hours, 60 Minutes, Inside Edition, W2 Canada, CNN, along with most major news papers including, NY Times, Wall Street Journal, Forbes, Money, Inc. and hundreds of others.

**Helping you, the reported business or individual!**

My company has been reported! How do I respond?

If you are a business with one or more reports filed against you, you can make it right. If handled correctly, Ripoff Report(s) filed against you can actually help improve your credibility and reputation. We offer you the opportunity to file a REBUTTAL to any report. (See the RESPOND rebuttal box at the end of the specific Ripoff Report you wish to comment on). Every company receives complaints, but how they handle those complaints separates good business from bad business.

Businesses that want to make a real difference should read about the very successful, groundbreaking and innovative program that both businesses and consumers are raving about. This program is a way businesses can turn negatives into a positive. Ripoff Report Corporate Advocacy Business Remediation and Customer Satisfaction Program is a program that benefits the consumer, assuring them of complete satisfaction and confidence when doing business with a member business. For more information, visit our Corporate Advocacy section.

**Employee Insider / ex-employee information**

If you are an employee or ex-employee with privileged or insider information about a reported company or individual, please click on the REBUTTAL box at the end of the Ripoff Report to post your comments. This sort of information is often very helpful to an investigation.

**Whistleblowers**

Employees who want to expose corruption should file a Ripoff Report. Any employees who do so should be protected by Federal Whistleblower Laws, and Ripoff Report treats all victims as a confidential source. Remember, we are a publication, just like a major newspaper, and we will never voluntarily reveal your identity. Instead we will protect our sources under the First Amendment of the U.S. Constitution.

**DOING BUSINESS WITH THE COMPANY OR INDIVIDUAL REPORTED**

Consumers just because a company or individual is reported on Ripoff Report does not necessarily mean you should not do business with them. By reading the experiences of other consumers, you will now be able to make more educated decisions, because now you know what to watch for.

**USE YOUR REPORT TO GET WHAT IS COMING TO YOU**

Faxing your Ripoff Report to the company or individual you have just reported can serve as a very valuable negotiating tool. Include in your negotiation that you have the ability to UPDATE your Report and reflect their good business practices by explaining that their eagerness to satisfy the complaint and make things right will be seen by the entire world. Also, explain that failure to respond/react to the situation will also be seen.

**YOU MUST NOT call them threatening to file a report if they do not comply with your demands, as this may be construed as blackmail! You must first file a Ripoff Report, then fax them a copy, offering them a chance to rectify the wrong that they did to you. Explain that then, and only then, you will UPDATE your Ripoff Report in a positive way, if deserved.**

**Organizing class action lawsuits**

Victims & lawyers who want to sue companies or individuals reported victims & attorneys who are interested in pursuing litigation against a particular company reported on this website must contact us directly. It is inappropriate to solicit business using this website other than through prior arrangement. This is largely because we need to ensure the best we can, that our readers are not being taken advantage of again.

If you are interested in filing a class action lawsuit based on Reports you've seen posted, and you want to identify a class representative, we can help by e-mailing those victims that gave permission and asking them to contact you. In this way, we protect victim identities while allowing them to make the decision as to whether to participate or not.

Additionally, if you would like to know whether any new reports are being posted AS THEY GET POSTED, such as during the early stages of an investigation, you may be interested in our upcoming Ripoff Alerts program. We'll update you shortly on how you can participate in these valuable programs.

We are anxious and willing to join forces with victims and attorneys to stand up for the rights of consumers and help them get justice. Both victims and attorneys should send their e-mails to: ClassAction@RipoffReport.com

It's important to file on Ripoff Report because we're important to government and media agencies. Many government sites (and the BBB) are in place to collect information from you, the consumer, but in many cases, those reports never become available for others to see. Listing your complaint on many government sites is usually no better than filing with the Better Business Bureau (BBB), because they just go into a database where only privileged eyes can see them. In fact, utilizing such sites may be a waste of time, as you rarely hear back on what's being done, if anything, about your complaint.

By failing to make this information available publicly, it makes it harder for consumers to get educated about exactly what scams they should watch for. In addition, when these agencies fail to make these individual complaints public, consumers are robbed of the opportunity to know how bad a company or individual really is, and why.

On the other hand, many government agencies come to the Ripoff Report for information. We have assisted, and continue to assist, many government agencies, including local and state police departments, the FBI, FTC and Attorney General offices from around the country.

Since all the Reports are out in the open, consumers, journalists, attorneys and investigators from all types of agencies can research existing problems and anticipate potential problems. We provide immediate access to all kinds of fraud and scams, all out in the open, all unified and all for FREE.

Unfortunately, many agencies will not take action on a potential rip-off unless there are substantial numbers of people or substantial sums of money involved. Sadly, it often takes public embarrassment to motivate such agencies into action. Your reports, however, help to change this. Reporting your experiences on Ripoff Report is the next best thing to getting your story on TV or in a newspaper. In fact, many national TV networks and several local TV stations from all around the country come to the Ripoff Report for information. They do this because they know other agencies are not as reliable or as cooperative a source as the Ripoff Report. News stations know that they will get information from us that is unobtainable elsewhere.

By filing a Ripoff Report, you might be contacted by one of us to notify you to make contact with a law firm that has shown interest in your case. We get requests every week for class action lawsuits, bringing victims together with lawyers willing to sue the company after reading your Ripoff Report.

**Get a company or individual listed on Top Rip-off Links**  
If there are more than five (5) Reports filed from different consumers on a company or individual then you can request they be added to the list. Ripoff Report will verify that the Reports are filed by different people. Send request to Editors@RipoffReport.com.

Two trade shows were involved. One was in McAllen Texas on January 31 & February 1, 2001. The following was in Harlingen Texas on February 6 & 7, 2001. The total cost after discount to the broker was \$940.00 and he paid \$290.50 down with the contract. At set up time, he gave the excuse that his briefcase had been stolen along with his check book and all credit cards. At that time, we had no reason to question this. Now however, we realize that this was probably just an excuse to avoid paying for the balance on the contract. He promised payment in 2 weeks.

Booths were furnished to Ameriplan USA & Mr. Marconi in both shows and their sales materials were distributed through their exhibits in both shows. Considerable expense is involved in the production and marketing of the Expos and each exhibitor pays his share by the charge for the exhibit space. Approximately 8,000 to 10,000 people attended the two expos.

Six months later, we cannot even reach Mr. Marconi. We have a balance of \$640.00 which remains unpaid. Email to Ameriplan USA does not even get a response.

The address shown is P O Box 815 Harlingen, Texas 78550. Telephone is 956-496-4995 and fax number is 972-702-0337. As we dealt with Mr. Marconi, we do not have address or phone numbers for Ameriplan USA although I do have the Email address.

Please let me know if any additional information is needed.

Thanks  
Jerry Walker

RE: www.rippooffreport.com/reports/rippooff5361.htm

Gentlemen:

This law office represents AmeriPlan Corporation. The report regarding AmeriPlan USA alleging uncollected debt has been referred for review and reply. The allegations that AmeriPlan is liable for an unpaid advertising bill are denied.. Any collection efforts will be vigorously opposed. AmeriPlan does not and has never participated in any trade shows, much less in McAllen or Harlingen Texas. There exists no contact between Ameriplan Corporation and Jerry Walker regarding such trade shows. You are invited to provide a contract which has been signed by an authorized officer of AmeriPlan. You can not do this because none exists.

Walker was dealing with Miguel F. Marconi, who is an independent contractor. As such, Marconi has no authority to make contracts on behalf of Ameriplan. In fact Marconi's business card specifically states INDEPENDENT BROKER. Walker you were on actual notice of Marconi's independent contractor status. It appears from Walker's own statement, that Walker was duped by Marconi's story about the 'stolen briefcase' and was taken into the confidence of Marconi. It is unfortunate that Walker did not obtain payment in full from Marconi. The negligence of Walker does not make Ameriplan in any way responsible for the contract between Walker and Marconi. Marconi worked for commissions and his use of the trade show space was solely for his benefit. Marconi was cancelled by Ameriplan in July 2001. Marconi's last known address was

18352 Dallas Parkway, Ste 136 dept 445, Dallas, TX 75287, phone 959-496-4995.

The continued display of the statements of Walker are without basis in fact. It is strongly recommended that such be deleted and a correct statement of the facts be posted. To do otherwise will result in potential liability for both Walker and ripoffreports.

A response if requested.

## **EDitor's Comments to the above legal mumbo jumbo**

Dear Cecil,

We will be glad to post your letter to the Rip-off Report regarding your client. BUT, do not ever threaten us again with your usual lawyer lying crap that you can hold us responsible. WE do not post Rip-off Reports as a rule, unless we do an investigation on such. You know dam well this is Rip-off Report on your client, Ameriplan, that owes the money was not authored by us.

Not all lawyers are bad, but many of them, like you, are creeps and liars, and you mentioning holding us responsible when you know dam well the case law out there already. You are a freaking liar lawyer!

You threatening the victim is a bunch of bull as well. The victim told their story. What part of it is not the truth? OK, so you pointed out they are an independent agent, what else do you have to offer? Your client should still pay up! The Ameriplan independent agent was there and the space was not paid for. Your client should just do the right thing and take care of the matter with the victim with a full payment and an extra 15% for his aggravation!. Imagine if they did that how good it would look for them? Maybe they should consult with their PR department?

Your vigorous efforts should be to go after the person who was the agent for your client. Your typical game playing of 'independent contractor status' is a way for you to wiggle your way out of not having any liability. But, it was OK for your client to reap the benefit from the independent rep, and the free space at the show promoting Ameriplan. How many new customers did your 'independent contractor' pick up at the show that day for your client Ameriplan. Personally, I do not believe the agent is not working for Ameriplan any more. Just a hunch.

The way I see it, the Rip-off Report that is filed now on your client Ameriplan will certainly let other unsuspecting individuals know in the future, there is no recourse for trade show promoters when dealing with an independent agent from Ameriplan USA, that the trade show promoter is on their own if they get screwed by the independent Ameriplan agent.

I would now suggest to the victim that they fax a copy of this entire Rip-off Report to all other trade show promoters around the country. Any attempt to stop the victim from doing so will result in an even more vigorous exercising of our first and 14th amendment rights.

Your BS letter will be posted just after midnight pacific time.

### Consumer Comment

### Thank you Rip Off Report

I was considering becoming a broker for Ameriplan. Now that I see how much they care about their reputation in the marketplace I am reconsidering. Ameriplan probably could have defused this situation for the same money as they have spent on a lawyer. Then again they did not purchase a very bright lawyer. I think Ameriplan will become a star of the Rip Off Report.
