ORDER

Pursuant to *Special Order No. 3-251*, this pro se prisoner case has been automatically referred for pre-trial management. On November 5, 2014, it was recommended that this action be dismissed for failure to prosecute or follow court orders because the petitioner had failed to file an *in forma pauperis* (IFP) application or pay the applicable filing fees within 30 days as ordered. (*See* doc. 6.) On November 24, 2014, the petitioner filed a completed IFP application and accompanying certificate of inmate trust account form. (*See* doc. 7.) Because the petitioner has now complied with the order of the Court, and the November 5, 2014 findings, conclusions, and recommendation have not yet been accepted, they are hereby **VACATED**.

SIGNED this 24th day of November, 2014.

 UNITED STATES MAGISTRATE JUDGE
