ORDER

The United States Magistrate Judge did not abuse his discretion or commit an error of law or make a clearly erroneous fact finding in his November 15, 2017 findings, conclusions, and recommendation. Accordingly, the court overrules plaintiffs' November 28, 2017 objection and denies plaintiffs' October 3, 2017 motion for protective order without prejudice.

SO ORDERED.

December 27, 2017.

SIDNEY A. FITZWATER

UNITED STATES DISTRICT JUDGE
