**ORDER**

The United States Magistrate Judge made Findings, Conclusions and a Recommendation in this case. No objections were filed. The District Court reviewed the proposed Findings, Conclusions and Recommendation for plain error. Finding none, the Court ACCEPTS the Findings, Conclusions and Recommendation of the United States Magistrate Judge and determines that Plaintiff's claims against Defendant Officer Hendricks should proceed, but dismisses the rest of the defendants and claims with prejudice. The case should now be captioned with Officer Hendricks as a defendant. The Court hereby recommit this case to the Magistrate Judge for pre-trial management.

Signed this 9th day of March, 2017.
