**ORDER ACCEPTING FINDINGS, CONCLUSIONS, AND  
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made findings, conclusions, and a recommendation (“FCR”) in this case. The District Judge has made a *de novo* review of those portions of the FCR to which objections were made and has reviewed all other portions of the FCR for plain error. The objections are overruled, and the court finds no plain error with respect to the remainder of the FCR. The court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate Judge and **GRANTS** the defendant Costco Wholesale Corporation’s first amended motion to enforce settlement (docket entry 46).

**SO ORDERED.**
