FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION

AMERICAN AIRLINES, INC.	§	
	§	
VS.	§	ACTION NO. 4:11-CV-244-Y
	§	(ODD-DOCKET LAW CLERK)
TRAVELPORT LIMITED, ET AL.	§	

ORDER GRANTING MOTION FOR PROTECTIVE ORDER

Pending before the Court is the Motion for Protective Order (doc. 406) filed by third-party Hewlett Packard Company ("HP") on September 5, 2012. In the motion, HP requests that it be protected from responding to a subpoena duces tecum served on it by defendant Travelport, Ltd. and Travelport, LP (collectively, "Travelport") on August 10, in part due to the fact that the parties had requested a stay of all proceedings in this case pending mediation. On September 6, the requested stay was granted, staying all claims herein until December 21, 2012. As a result, the Court concludes that the motion for protective order should be and hereby is GRANTED, in that HP need not produce documents responsive to Travelport's subpoena duces tecum until a mutually convenient date and time prior to January 18, 2013, in the offices of HP's attorney, Tim Gavin, Carrington, Coleman, Sloman & Blumenthal, L.L.P., 901 Main Street, Suite 5500, Dallas, Texas 75202, assuming a settlement is not reached during mediation.

Furthermore, assuming mediation is not successful, counsel for HP and Travelport should again confer at a mutually agreeable date and time between December 22 and January 4, 2013, in an attempt to

reach a resolution of HP's objections regarding protecting its proprietary information regarding the Jetstream project. Should they again be unable to reach an agreement, HP may file another motion for protective order prior to the January 18 production deadline.

SIGNED October 11, 2012.
