CIVIL ACTION NO. 4:11-CV-244-Y

AFFIDAVIT OF DONALD BROADFIELD JR.

STATE OF TEXAS

COUNTY OF TARRANT

§

SS:

On this day personally appeared Donald Broadfield Jr., who first being duly sworn, stated upon oath as follows:

1. My name is Donald Broadfield Jr. I am over the age of 18 years, of sound mind, have never been convicted of a felony, and am fully competent to make this affidavit. I have personal knowledge of the facts stated herein, and they are true and correct. I am an adult resident of Texas.

2. I am an attorney in good standing and licensed to practice law in the District of Columbia. I have been employed as an attorney at American Airlines, Inc. (“American”) for over eight (8) years. Currently, my title is Senior Attorney –IP/Data/Internet. In my position, I am generally knowledgeable about the documents and confidential information in the filings that American proposes to have sealed, and the competitive business planning information, confidential pricing, confidential financial information, confidential negotiating

information, and confidential commercial terms and contracts that are contained in these documents. I am authorized on behalf of American to testify about the matters set forth herein.

3. I submit this supplemental affidavit in support of American's Motion to Seal Fillings Permanently and Brief in Support (the "Motion"), pursuant to which American seeks to seal permanently the American information in documents listed on Exhibit 1. These documents contain information that is extremely sensitive to American. As shown more fully below, these documents contain, among other things, American's business strategies, contracts with various parties, information relating to new and unreleased products, and customer information. These documents are not available to the public, and the disclosure of such documents would unfairly advantage American's competitors and handicap American's ability to compete.

4. The documents American has moved to seal include the following:

a. **Documents detailing American's trade secret, confidential, and proprietary business strategies.**

Documents in this category include the following docket numbers on Exhibit 1: 172, 175, 182-185, 190, 206, 218, 223-225, 231, 236, 258, 326-327, 384, 389, 391, 433-434, and 456. These documents include detailed descriptions of American's business and operational strategies. Allowing public access to these documents would put American at a severe competitive disadvantage because its rivals would gain an unfair insight into American's business and its future plans. Such documents contain information on American's trade secrets and other intellectual property from which American derives independent economic value from not being generally known and American has made reasonable efforts to maintain the secrecy of such information.

b. **Documents containing information regarding new or planned products and technology that American is developing but has not yet disclosed.**

Documents in this category include the following docket numbers on Exhibit 1: 190 and 225. Documents in this category contain information regarding American's products and technology that

American is developing but has not yet made public. Such information is extremely valuable to American and American has taken great lengths to keep such information secret. Any disclosure of this information could be used by American's competitors to understand American's currently-undisclosed technology and products and would threaten American's competitive position.

c. **Documents disclosing the terms and conditions of commercial relationships between American and other parties (Sabre, Travelport, Orbitz and/or third-parties).**

Documents in this category include the following docket numbers on Exhibit 1: 52, 57, 66, 70, 98-99, 124, 139, 148, 159, 203, 222, 283-284, 288, 308, 319, and 378. These documents include American's agreements with third parties as well as confidential information contained in those contracts and negotiations. These contracts contain confidential terms, including pricing terms, negotiated between American and those third-parties. The terms of all of these contracts are highly confidential and such information is not generally known outside American. Disclosure of this information could be used by American's competitors to understand American's negotiating positions and confidential business strategies, would jeopardize American's relationship with those third-parties, and would threaten American's competitive position.

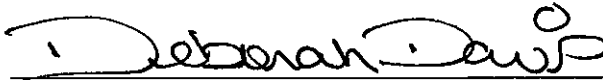

5. I declare under penalty of perjury under the laws of the State of Texas and the United States of America that the foregoing is true and correct.

Executed on October 1, 2013 at Fort Worth, Texas.
