

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION

AMERICAN AIRLINES, INC.

Plaintiff,

VS.

TRAVELPORT LIMITED, et al.

Defendants.

CIVIL ACTION NO. 4:11-CV-244-Y

**ORDER GRANTING SABRE DEFENDANTS' UNOPPOSED
MOTION TO PERMANENTLY SEAL**

Pending before the Court is the Sabre Defendants' Unopposed Motion to Permanently Seal. Based upon the motion, the pleadings, and the fact that it is unopposed, this Court will grant the motion.

Accordingly, it is hereby ORDERED that the records listed in Exhibit "A" to this Order shall not be unsealed upon expiration of the sixty (60) day period described in Local Rule 79.4. It is further ORDERED that the records identified in Exhibit "A" to this Order be, and hereby are permanently sealed.

IT IS FURTHER ORDERED, that notwithstanding the records identified in Exhibit "A" are permanently sealed, any party may possess, use, control, and disclose its own confidential documents or information listed in Exhibit "A". Possession and use of documents or information produced in discovery in this litigation that was designated "Confidential" or "Outside Attorneys' Eyes Only Information" under the Protective Orders of this Court remain subject to the terms, conditions and limitations of those Orders.

It is further ORDERED that if any party in possession of records sealed by this Order is served with a discovery request, subpoena or an order issued in other litigation or proceedings that would compel disclosure of records sealed by this Order, the party served with the discovery request, subpoena or order must:

- a. Notify in writing, as soon as reasonably practicable, the party whose confidential material is contained within the record sought (“Supplying Party”). Such notification shall include a copy of the discovery request, subpoena or order.
- b. Notify in writing, as soon as reasonably practicable, the party who caused the subpoena or order to issue in the other proceeding that some or all of the material covered by the discovery request, subpoena or order is subject to this Order. Such notification shall include a copy of this Order.

If the Supplying Party timely seeks a protective order, the party served with the discovery request, subpoena or order shall not produce any record sealed by this Order before a determination by the court from which the discovery request, subpoena or court order issued, unless the Supplying Party has given its permission to produce the sealed record. The Supplying Party shall bear the burden and expense of seeking protection in that court of its sealed material – and nothing in this Order should be construed as authorizing or encouraging a party to disobey a lawful directive from another court.
