ORDER

On October 24, 2013, the court received the proposed findings and conclusions and the recommendation of the magistrate judge (hereinafter "FC&R") to whom the above-captioned action was referred. On November 8, 2013, the court received objections by plaintiff, Suzy McMillian, to the FC&R, and on November 25, 2013, the court received the response of the Commissioner of Social Security Administration to those objections. After having considered the pertinent parts of the record, the court has concluded that the recommendation of the magistrate judge that the court affirm the Commissioner's decision is correct, and that the proposed findings and conclusions of the magistrate judge should be, and are hereby, adopted. Therefore,

The court ORDERS that the decision of the Commissioner of Social Security that, based on the application for a period of disability and disability insurance benefits protectively filed
