

EXHIBIT A**Weeco Procedures
(from Plaintiff's Trial Exhibit No. 8)**

1. WI's Proposed Procedures for Degassing Acetic Acid Tank #3753 (1/24/01)
2. WI's Standard Procedure for Degassing Sour Naphtha Tank (5/22/01)
3. WI's Proposed Procedure for Degassing Butane/Butene Sphere (5/26/01)
4. WI's Procedure for Degassing Butadiene Sphere (8/16/01)
5. WI's Proposed Procedure for Degassing Isopentane Spheroid (8/20/01)
6. WI's Procedure for Degassing Isopentane Spheroid (Revised) (1/8/02)
7. Weeco International's (WI's) Standard Procedure Degassing of Internal Floating Roof Tank During Refill Under N2 Blanket (7/18/02)
8. WI's Standard Procedure – Engine Units (7/24/02)
9. WI's Standard Procedure – Engine Units (9/16/02)
10. WI's Standard Procedure – Engine Units (10/21/02)
11. Standard Procedure for VOC Control With Engine Units During Tank Washing or Sludge Removal (1/17/03)
12. Standard Procedure for VOC Control with Engine Units During Tank Washing or Sludge Removal with N2 Purge (2/5/03)
13. Standard Procedure for VOC Control with Engine Units During Tank Washing or Sludge Removal with N2 Purge (2/18/03)
14. Weeco International's (WI's) Standard VOC Control Procedure During Filling a Barge with a Product Containing HAP (3/30/05)
15. Standard Procedure for VOC Control with N2 Purge (5/23/03)
16. Calculation of Total Volume of Extracted Tank Vapor (7/30/03)
17. WI's Standard Procedure – Engine Units (6/11/03)
18. WI's Standard Procedure – Engine Units (7/24/03)
19. WI's Procedure for Degassing ConocoPhillips TK #106 (8/7/03)
20. WI's Standard Procedure – Engine Units (8/24/03)
21. WI's Procedure for Degassing ConocoPhillips TK#113 (9/4/03)
22. WI's Procedure for Degassing ConocoPhillips TK#5001 (9/5/03)
23. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Refill (11/13/03)
24. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Refill (11/17/03)
25. WI's Proposed Standard Procedure for Degassing C4 Sphere (11/17/03)
26. WI's Standard Procedure – Pipeline Degassing (12/29/03)
27. WI's Procedure for Degassing MDP Vessel (1/22/04)
28. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Pump-out and Tank Cleaning (2/16/04)
29. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Stripping and Cleaning (2/19/04)
30. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Pump-out and Degassing (2/20/04)

31. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Change and Refill (4/7/04)
32. WI's Standard Tank Degassing Procedure Under N2 Blanket (4/14/04)
33. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Refill (4/24/04)
34. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Refill (5/17/04)
35. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Refill Under N2 Blanket (5/27/04)
36. WI's Standard Procedure for Degassing a Sphere with a Slightly Positive Pressure (6/9/04)
37. WI's Standard Procedure – Engine Units, NCAC (6/10/04)
38. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Pump-out and Refloating of the Floating Roof (6/16/04)
39. WI's Standard Procedure – Lanxess BD Safe Out (7/23/04)
40. Weeco International's (WI's) Standard Procedure Degassing of Internal Floating Roof Tank During N2 Stripping (9/10/04)
41. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Pump-out and Degassing (9/20/04)
42. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Pump-out and Degassing (10/14/04)
43. WI's Standard Procedure – Engine Units (1/1/05)
44. Standard Procedure for VOC Emissions Control of Barges During Product Refill (1/5/05)
45. WI's Standard Procedure – Incinerator Backup (1/5/05)
46. Weeco International's (WI's) Standard Procedure Degassing of Internal Floating Roof Tank Containing HAP with N2 Blanket (1/7/05)
47. WI's Proposed Standard Procedure for Degassing A Header/Pipeline Filled with Hydrocarbon Vapors (2/9/05)
48. Weeco International's (WI's) Standard Procedure Degassing While Cleaning of Vessel with N2 Stripping (2/16/05)
49. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Stripping and Cleaning (2/19/05)
50. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Change and Refill (3/8/05)
51. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Refill (3/16/05)
52. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Refill (3/26/05)
53. Weeco International's (WI's) Standard Procedure Degassing of a Vessel Containing HAP with N2 Blanket (3/26/05)
54. WI's Proposed Standard Procedure for Degassing C4 Sphere (4/18/05)
55. WI's Proposed Standard Procedure for Degassing LPG Sphere (4/18/05)
56. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Change and Refill (5/18/05)
57. WI's Standard Procedure for Safe Out (6/9/05)

58. Weeco International's (WI's) Standard Procedure Degassing of Internal Floating Roof Tank During Refill Under N2 Blanket (6/24/05)
59. WI's Standard Procedure for Degassing Sour Naphtha Tank (7/13/05)
60. WI's Standard Procedure for Degassing Asphalt Tank Containing H2S (7/13/05)
61. Weeco International's (WI's) Standard VOC Control Procedure During Filling a Tank Car with a Product Containing HAP (9/12/05)
62. WI's Standard Procedure – Engine Units (10/7/05)
63. Weeco International's (WI's) Standard Procedure Degassing of Cone Roof Tank During Refill Under N2 Blanket (1/5/06)
64. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Pump-out and Refloating of the Floating Roof (1/5/06)
65. Weeco International's (WI's) Standard Procedure Degassing of Internal Floating Roof Tank During Refill Under N2 Blanket (1/5/06)
66. Standard Procedure for VOC Emissions Control of Barges During Product Refill (1/6/06)
67. Standard Procedure for VOC Emissions Control of External Floating Roof Tank During Product Pump-out and Refloating of the Floating Roof (2/3/06)
68. WI's Proposed Standard Procedure for Degassing a Header/Pipeline Filled with Hydrocarbon Vapors (2/28/06)
69. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Pump-out and Degassing (4/10/06)
70. WI's Standard Procedure – Engine Units (9/1/06)
71. WI's Proposed Standard Procedure for Degassing a Fixed Roof Vessel (9/6/06)
72. Weeco International's (WI's) Standard Procedure Degassing of Internal Floating Roof Tank During Refill Under N2 Blanket (10/5/06)
73. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Refill (10/11/06)
74. Standard Procedure for VOC Emissions Control of Internal Floating Roof Tank During Product Refill (12/1/06)
