

**CIVIL ACTION NO. 4:10-CV-1103**

raised in the Complaint, as well as the fact that the Memorial Day holiday fell within Judge Edwards's time to answer or move in response to the Complaint, Judge Edwards seeks a fourteen-day extension of time—until June 23, 2010—to answer or move in response to McPeters's Complaint. Again, the requested extension is unopposed, as evidenced by the certificate of conference affixed to this motion. Judge Edwards does not file this motion for delay only. Rather, he files this motion so that justice may be done.

Judge Edwards requests the Court to grant this motion, and to order that he has an extension of time until June 23, 2010 to answer or move in response to McPeters's Complaint. Judge Edwards requests any other, further, or alternative relief to which he is entitled.

Respectfully submitted,
