Cause No. 09-11-11474-CV9th JUDICIAL DISTRICT COURT
MONTGOMERY COUNTY, TEXASBARBARA GLADDEN ADAMICK
District Clerk
MONTGOMERY COUNTY, TEXAS
By _____ Deputy

ORDER REGARDING E-FILE DESIGNATION AND LIVE DATE

As of January 1, 2000, all civil cases filed in the 9th District Court of Montgomery County will be electronically filed as described and governed by the Local Rules Regarding Electronic Filing. Consequently, the Court, sua sponte, hereby designates the cause number, _____, 09-11-11474-CV in the Ninth District Court of Montgomery County, Texas, as such an e-file case. Accordingly, the Court orders that in this cause the District Clerk implement fully the Local Rule Regarding Electronic Filing, approved by the Supreme Court on September 16, 1997. A copy of the Local Rule Regarding Electronic Filing can be obtained in the office of Judge Edwards or the Montgomery County District Clerk's Office.

What Must be Filed Electronically. No pleadings or party-generated documents may be filed in paper form, but must be filed electronically through the e-file system, unless a document meets one of the exceptions named below.

All answers must be filed electronically. Answers filed in paper form will not be accepted.

Documents That Need Not be Filed Electronically. Documents may still be filed conventionally if 1) a party has leave of Court to do so, 2) the document is the Original Petition or a Return of Service, or 3) the document is an exhibit, appendix, or "image" document exceeding 50 pages in length (see explanation below). Actions brought by the State of Texas or Child Protective Services as well as Adoption Actions are exempt from e-filing.

Exhibits. Original exhibits to documents filed electronically must be "scanned in" and filed electronically as well if the exhibits number less than fifty pages. If the exhibits total over fifty pages in length, they may be **marked clearly** as to which motion they pertain and filed with the District Clerk.

A party wishing to file voluminous exhibits conventionally should 1) electronically file a notice indicating that there are conventional "paper" exhibits on file in the District Clerk's Office, 2) file the exhibits in the District Clerk's Office, and 3) serve other parties with copies of the conventionally-filed exhibits as normally required by the Texas Rule of Civil Procedure.

Please note that according to the Local Rule for E-filing, any original signature page on affidavits, verifications, or other sworn documents that is not filed with the Clerk in paper form "shall be maintained and made available, upon reasonable notice and during business hours, to other counsel and to the court."

New Divorce and Annulment Cases That Are Resolved Within 90 Days. As of January 1, 2001, all original petition for divorce or annulment that are resolved within 90 days are not required to be filed electronically.

In addition, inventories and appraisal documents in all family law cases may no longer be electronically served with the Court, due to privacy concerns. Please exchange this information to opposing counsel, but without actually serving the Court via e-filing. However, you must serve the Court with a letter noticing that the exchange of documents was made and on what date.

How to File Electronically. For information on how to use electronic filing, parties are instructed to contact CourtLink Customer Service at 1-888-529-7587.

In short, parties will be presented with two options. They may either: 1) become a subscriber through the Internet to the e-file system or 2) bring their filings in the form of 3-1/2" IBM (or compatible) formatted disc to the public terminal located in the District Clerk's Office and upload the pleadings at no charge.

Although there is no fee involved in subscribing to the e-file system through the Internet, a minimal fee is assessed for each filing and service delivery made through the system. The e-filing system will "serve" all parties and the court through the Internet or via facsimile, so it will not be necessary for a party choosing to become a subscriber to serve other parties in paper form.

However, parties wishing to exercise their option to file through the public terminal must still serve copies on other parties *in paper form*, as is usually required by the Texas Rules of Civil Procedure.

Consequences of Failure to File in Accordance with this Order. The District Clerk shall not accept any pleadings in paper form, and shall not use imaging technology to convert documents from paper to electronic form for the parties. Any documents submitted in paper form will be rejected by the District Clerk without further notice to submitting counsel. *Documents so rejected will be regarded as "unfiled," even if the clerk, in error, file-stamps the incorrectly filed documents.*

If the electronic filing is not filed with the Court because of 1) an error in the transmission of the document to the Vendor which was unknown to the sending party, or 2) a failure to process the electronic filing when received by the Vendor, or 3) other technical problems experienced by the filer, the Court may upon satisfactory proof enter an order permitting the document to be filed nunc pro tunc to the date it was first attempted to be sent electronically.

The Court and LNFS shall cooperate in assisting one another to meet timetable and target schedules required under this Agreement. The Court shall provide timely access to information, shall promptly respond to requests for approvals, and shall make available knowledgeable personnel and

decision-makers in the Court for support as specified in the timetable in the Implementation Guidelines as well as for consultation and meetings needed to resolve open issues.

2.4 Schedule and Level of Effort. LNFS will use commercially reasonable efforts to perform the Services in accordance with any schedule set forth in the Implementation Guidelines, subject to the availability of knowledgeable and authorized Court personnel to LNFS as needed.

2.5 Changes. LNFS and the Court acknowledge and agree that it is impossible to identify in advance all aspects of a project of this magnitude and complexity and that the specifications set forth in the Implementation Guidelines and this Agreement may be modified during the Term of this Agreement. Any change in the Services will be subject to agreement of the parties, which agreement will not be unreasonably withheld. Either party may, from time to time, propose changes in the Services to be performed under the Implementation Guidelines (including, but not limited to, additions to the Services, the deletion of Services, changes in the schedule, order or priority of particular Services and changes in the items to be furnished by the Court). The Court will maintain the Original Documents filed with the Court through the File & Serve System internally with appropriate safeguards. If the Court is required by law or otherwise to provide a copy of any Court Documents or Information to any third party provider, it will require reasonable restrictions on

bulk copying or assist in seeking payment to LNFS equal to LNFS's then-effective fee schedule for copying and printing such Court Documents or Information.

Section 5. General Restrictions and Limitations

5.1 Access to the File & Serve System. Section 4.1 sets forth the entirety of the Court's right to access, use and otherwise deal with the File & Serve System. Without limiting the generality of the foregoing, the license granted in Section 4.1 does not include the right to, and the Court will not directly or indirectly, (a) enable any person or entity other than an Authorized User to access and use the Court Documents or Information; (b) enable any person or entity other than an Authorized User to receive, copy, store, search, upload, distribute and make available the Court Documents or Information available through the File & Serve System; (c) modify or create any derivative work based upon the File & Serve System; (d) grant any sublicense or other rights in or to the File & Serve System; (e) reverse engineer, disassemble or decompile all or any portion of the File & Serve System or attempt to discover or recreate the source code to any software that is part of the File & Serve System; (f) remove, obscure or alter any Proprietary Rights notice related to the File & Serve System; or (g) engage in or permit its employees or agents to engage in any Unauthorized Use.

5.2 Embedded Third Party Software Restrictions and Limitations. The license granted under Section 4.1 above as it relates to any Embedded Third Party Software is further subject to any restrictions and limitations specified in the terms and conditions displayed with or referenced in any such Embedded Third Party Software.

5.3 Equipment, Services and Facilities. Unless otherwise specified in the Implementation Guidelines, the Court is solely responsible for providing, installing and maintaining at its own expense all equipment, facilities and services necessary to access and use the File & Serve System, including, without limitation, all computer hardware and software, modems, printers, telephone service and Internet access. Without limiting the foregoing, the Court will provide and maintain a proper environment for uninterrupted access to and use of the File & Serve System and will provide all equipment, services and facilities described in the System Requirements. The Court also is solely responsible for providing all consumable supplies necessary to enable use of the File & Serve Services by the Court and any Authorized User.

5.4 Passwords. Each Authorized User will be issued or otherwise assigned a Court User Identification to access and use the File & Serve System. The Court is solely responsible for ensuring the security and maintaining the confidentiality of all Court User Identifications. The Court acknowledges that any action taken under a Court User Identification will be deemed to have been performed by the Court. The Court will immediately notify LNFS of any Unauthorized Use of any Court User Identification or any other breach of security known to it. In the event of any Unauthorized Use or breach of security, the Court will take all actions reasonably requested by LNFS to terminate such Unauthorized Use or breach of security. Use of any Court User Identification other than as provided in this Agreement will be considered a breach of this Agreement by the Court. When any Court users leave the employment of the Court or no longer need access, the Court is responsible for notifying LNFS using the remove user functionality on the File & Serve Services.

5.5 Modifications. LNFS may alter or modify the File & Serve System from time to time including portions thereof without notice. Such alterations and modifications, or both, may include, without limitation, addition or withdrawal of features, data, information, products, services, software or change in instructions. LNFS will provide the Court with reasonable advance notice of any substantial modification to the user interface for the File & Serve System.

Section 6. Fees

6.1 **Access Fees.** LNFS will make the File & Serve Services available to the Court and Authorized Users. The sole charge for such access shall be the Standard Fees set forth on Exhibits B.

6.2 **Filing and Other Court Fees.** If the Implementation Guidelines require ACH Service, LNFS will, on behalf of the Court and as an accommodation to the Court, collect all Filing Fees for Court Documents filed pursuant to this Agreement from users of the File & Serve System and will initiate payment of such Filing Fees to the Court in accordance with, and subject to in all respects, the ACH Process Terms and Conditions attached hereto as Exhibit C, the terms of which are incorporated herein by reference, within 24 hours (excluding weekends and holidays observed by LNFS, the Court or the U.S. Federal Reserve Bank) of acceptance by the Court's clerk of courts of the filing to which the fee relates.

LNFS shall not be responsible for payment of any Filing Fees owed to the Court by any users of the File & Serve System. Payment of any such fees shall be the sole responsibility of the user of the File & Serve System who submits the Court Documents to the File & Serve System for filing with the Court. If a user of the File & Serve System fails to pay the required Filing Fee for services rendered to such user pursuant to this Agreement, the Court will provide such assistance, as may reasonably be requested by LNFS, to enable LNFS to collect any amounts owed to it by such user for Filing Fees paid to the Court by LNFS on behalf of such user. The Court shall notify and instruct all users of the File & Serve System that users are to address all credit and refund requests related to Filing Fees directly to the Court. The Court shall, after confirming that such user paid such Filing Fee to LNFS, handle and distribute all such credit and refunds directly to the user. LNFS may terminate or suspend access rights for users of the File & Serve System who fail to pay all amounts owed to LNFS in a timely manner. LNFS will notify the Court of any non-paying users.

6.3 **Cost Recovery.** For file and serve transactions executed with the Court through the LNCL System during the term of this Agreement, LNCL will pay to the Court cost recovery fees as follows:

- i) LNCL will pay the Court a flat fee of \$1.00 per paid File-Only Transaction, which is defined as a discrete separately billable paid transaction for the filing of a Court Document;
- ii) LNCL will pay the Court a flat fee of \$1.00 per paid Serve-Only Transaction, which is defined as a discrete separately billable transaction for service of a Court Document to other case parties;
- iii) If the customer both Files and Serves in a single transaction, LNCL will pay the Court a flat fee of \$2.00 per such paid File and Serve Transaction, which is defined as a discrete separately billable transaction for the filing of a Court Document and service of such Court Document to other case parties;
- iv) Fees will not be paid to the Court for courtesy notification and any other transactions not specifically referenced in this Section 6.3; and
- v) LNCL will pay such fees to the Court quarterly, within 75 days of the close of each calendar quarter. Payments shall be made in U.S. dollars. Following each calendar quarter, LNCL shall provide the Court with a statement showing the number and types of transactions with the Court and the resulting cost recovery fees owed for the quarter.

Payments and statements shall be sent to the notice address and individual set forth at Section 13.4.

Section 7. Term and Termination

7.1 Term. The term of the license granted under Section 4.1 will commence as of the Effective Date and will continue, unless otherwise terminated in accordance with Section 7.2, for an initial term of two years. Thereafter, this Agreement shall automatically renew for successive additional two-year terms unless either party gives the other notice of termination at least ninety (90) days prior to the expiration of the then current term.

7.2 Termination. If either party commits a material breach or is in material default under this Agreement, then the other party may give such party written notice of the breach or default. If the breaching or defaulting party fails to cure the breach or default within thirty (30) days after receipt of such notice (or such later date as may be specified in such notice), then the Term will terminate without any further notice or action by the terminating party.

7.3 Effect of Termination. Upon termination of the Term, the license granted under Section 4.1 of this Agreement will terminate and the Court will immediately discontinue use of the File & Serve System. Sections 7, 8, 9, 10, 11, 12 and 13, together with all other provisions that may reasonably be interpreted as surviving termination, will survive any termination of the Term. For thirty (30) days after the effective date of any termination or expiration of this Agreement, the Court shall have the right to download from a file transfer protocol ("FTP") site designated by LNFS an electronic version of all publicly filed Court Documents and Database Information related to the Court which are available on the File & Serve System.

Section 8. Proprietary Rights

8.1 LNFS Proprietary Rights. The File & Serve System, File & Serve Services, LNFS Technology and LNFS Web Site (including the URL) constitute or otherwise involve valuable Proprietary Rights of LNFS. No title to or ownership of the File & Serve System, File & Serve Services, LNFS Technology or LNFS Web Site, or any Proprietary Rights associated therewith is transferred to the Court or any third party under this Agreement.

8.2 Protection of Proprietary Rights. The Court will not infringe or violate, and will take appropriate steps and precautions for the protection of, LNFS's Proprietary Rights. Without limiting the generality of the foregoing, the Court will (a) maintain access and use restrictions sufficient to prevent any Unauthorized Use; (b) not make the File & Serve System, File & Serve Services or LNFS Technology available to any third party without the prior written consent of LNFS; and (c) otherwise use its best efforts to prevent any Unauthorized Use.

8.3 Court Documents, Database Information. Subject in all respects to the rights granted to LNFS under this Agreement, the Court hereby retains all rights it possesses in and to the Original Documents and the Database Information. Neither the Court nor, to the Court's knowledge, any other party claims any copyright in any Court Documents or Database Information. Both LNFS and the Court shall have the right to provide copies of Court Documents filed through the File & Serve Services and Database Information retained in File & Serve Services to any person requesting such copies, provided that such Court Documents are not "Under Seal" by the Court, which rights shall survive the termination of this Agreement. For those portions of the Court Documents and Database Information which the Court places "Under Seal", the Court shall follow the procedures outlined in the Implementation Guidelines. If a Court Document is not correctly indicated as "Under Seal" by the Court, LNFS shall not be responsible for restricting access to such Court Document.

Section 9. Limited Warranty and Remedies

9.1 Information and Court Documents. The Court acknowledges that LNFS does not edit, and cannot verify, the completeness, propriety or accuracy of any Information available through the File & Serve System. LNFS has no control over the contents of any Court Document filed with the Court through the File & Serve System and will not be responsible for any claimed loss of privilege or other claimed injury due to disclosure of sealed, confidential or privileged information in any Court Document. **WITHOUT LIMITING THE FOREGOING, THE COURT FURTHER ACKNOWLEDGES THAT LNFS MAKES NO WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO ANY COURT DOCUMENTS FILED WITH THE COURT THROUGH THE FILE & SERVE SYSTEM.**

9.2 Performance Warranty. LNFS warrants to the Court that the File & Serve System will, when properly operated, be capable of performing the functions described in the User Documentation. If the File & Serve System fails to comply with the warranty set forth in this Section, LNFS will, at its expense, use commercially reasonable efforts to supply patches, workarounds or other corrections.

9.3 Exclusions. LNFS's warranties do not apply to any (a) use not in accordance with this Agreement or the User Documentation; (b) modification, damage, misuse or other action of the Court or any third party; or (c) use of the File & Serve System in combination with any other goods, services or items not provided by LNFS.

9.4 DISCLAIMER. THE WARRANTY AND REMEDIES SET FORTH IN THIS SECTION 9 ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES OF LNFS AND REMEDIES OF THE COURT, EITHER EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE, WITH RESPECT TO ANY ERROR, DEFECT, DEFICIENCY, MISDELIVERY, INFRINGEMENT OR NONCOMPLIANCE IN THE FILE & SERVE SYSTEM, FILE & SERVE SERVICES OR ANY SOFTWARE, SERVICES OR OTHER ITEMS PROVIDED BY OR ON BEHALF OF LNFS UNDER THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT AND ANY IMPLIED WARRANTY ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OF TRADE).

9.5 Embedded Third Party Software. Except as otherwise agreed upon by the parties in writing, the warranties, obligations and liabilities of LNFS and the Court's remedies with respect to any Embedded Third Party Software will be limited to whatever recourse may be available against the third party provider of such Embedded Third Party Software and are subject to such additional restrictions and other limitations as may be displayed in or referenced by such Embedded Third Party Software.

9.6 Remedies. As its sole remedy, if LNFS substantially fails to satisfy or perform its duties and obligations in this Agreement, the Court may exercise the following remedial actions. Substantial failure to satisfy or perform its duties and obligations shall be defined to mean significant insufficient, incorrect or improper performance, or inaction by LNFS relating to a material duty or obligation of LNFS under this Agreement.

A. Suspend LNFS's performance pending necessary corrective action as specified by the Court without LNFS's entitlement to adjustment in the performance schedule; and/or

B. Request the removal from work on the project of employees or agents of LNFS whom the Court justifies as being incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued employment on the contract the Court deems to be contrary to the public interest or not in the best interest of the Court; and/or

C. Terminate this Agreement subject to, and in accordance with, the requirements of Section 7.2.

Section 10. Limitations of Liability

10.1 **Specific Events.** The following is a non-exclusive list of events and occurrences for which LNFS disclaims any and all liability for any losses or damages incurred by any party as a result thereof:

- i) Problems relating to telephone lines or other transmission or receiving devices or equipment not entirely within LNFS's exclusive control;
- ii) Unavailability of telephone lines or other electronic transmission lines or equipment for connectivity to the Internet (including but not limited to any LNFS supplied telephone or electronic transmission lines in use) that results in the inability to reach LNFS for the purpose of document transmission or receipt;
- iii) Transmission errors and system failures, except transmission errors and system failures resulting from the gross negligence or willful misconduct of LNFS or its employees or agents;
- iv) Any alteration or destruction of material transmitted through the File & Serve Services;
- v) Alteration or destruction of information on the Court's computer service or elsewhere resulting from the transmission of computer "viruses," other damaging or destructive software or software components, or acts of computer hackers;
- vi) The speed, access, security, or delivery of documents via the Internet;
- vii) Any failure or interruption of the Internet or data or material transmitted thereon, whether caused by hackers or otherwise; and
- viii) Any actions of any third party who is not an employee or agent of LNFS.

10.2 **No Consequential Damages.** IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR ANY LOSS OF PROFIT, REVENUE, DATA, BUSINESS OR USE) EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

10.3 **Time Limitation on Asserting Claims.** No claim, regardless of form, which in any way arises out of or relates to this Agreement, the File & Serve System, or the use of, or inability to use the File & Serve Services or access the Court Documents or Information, may be made, nor action based upon such claim brought, by any party more than one year after the basis for asserting the claim is discovered or should have been discovered by the party desiring to assert it.

Section 11. Dispute Resolution.

Upon the occurrence of any dispute or disagreement between the parties hereto arising out of or relating to this Agreement, the parties shall engage in informal, good faith discussions in an attempt to resolve the dispute or disagreement. If the parties fail to resolve said dispute or disagreement, then the parties mutually agree to terminate this Agreement in accordance with Section 7 of this Agreement.

Section 12. Confidentiality.

12.1 LNFS and the Court agree that they will not, during the term of this Agreement and for two years thereafter with respect to all Confidential Information (as hereinafter defined), disclose, nor permit any of their employees or agents to disclose, to any other person or entity any Confidential Information received from the other. Either party shall have the right to disclose Confidential Information to related agencies for the State of Texas, or to its parent, or its parent's subsidiaries, and its and their employees and agents on a "need to know" basis only.

12.2 The term "Confidential Information" means (a) proprietary or trade secret information which is clearly labeled or designated as confidential by the disclosing party, (b) information regarding technical specifications (except for minimum hardware and software requirements which will be required of Authorized Users) utilized by LNFS to implement and maintain the File & Serve System, (c) the provisions of this Agreement (unless disclosure is otherwise required by law), (d) the names and addresses of the LNFS vendors, contacts and customers, and (e) any financial, revenue, usage or transaction information provided to the Court by LNFS in connection with this Agreement or the services provided by LNFS under this Agreement.

Section 13. Miscellaneous

13.1 **Modifications.** This Agreement may be changed by LNFS from time to time upon thirty (30) days advance notice (the "Notice of Change") to the Court. Upon receipt of any Notice of Change, if the Court does not agree to such change, the Court's sole remedy shall be to terminate the Agreement upon thirty (30) days advance notice (the "Termination Notice") served upon LNFS within thirty (30) days of the Court's receipt of the Notice of Change. Upon receipt of any Termination Notice pursuant to the terms of this Section 13.1, LNFS shall be permitted to revoke the subject Notice of Change by serving a Revocation Notice upon the Court within thirty (30) days of the date of its receipt of the Termination Notice, whereupon both the Notice of Change and the Termination Notice shall be of no force and effect. Notwithstanding the foregoing, any changes made pursuant to Section 2.5 shall not be subject to the provisions of this Section 13.1.

13.3 **Nonwaiver.** No waiver of any of the terms and conditions of this Agreement will be effective unless set forth in a writing signed by both parties. Waiver of any breach of any term or condition of this Agreement will not be deemed a waiver of any prior or subsequent breach.

Exhibit A
Implementation Guidelines

Below is an outline of the various types of recommendations and guidance that is provided to the Court by the LNFS Implementation Team in providing consultative services in all the following areas. The LNFS Implementation Manager and the Court will work together for a final recommendation of the very specific Implementation Plan, which, depending on the project may include an Implementation Schedule and Project Plan, System and Technical Requirements and Analysis, Workflow Analysis, and a Data Analysis of the Court's provided data. Additional documentation and workflow procedures may also be provided as the project proceeds.

Based on discussions with Court personnel, the following options may be suggested for consideration to implement electronic filing within the Court.

1. Case Identification

- The scope of case type and case classes will be determined and identified for the File & Serve solution for e-filing and e-service of documents.

2. Implementation Dates

Dates will be provided for the implementation of the e-filing program that will be agreed upon between the Court and LNFS. Additional dates will be determined for Court and law firm training and other steps necessary for the implementation and as further specified in the Implementation Schedule that will be attached to the Implementation Plan.

3. Technical and Hardware Overview

The minimum technical hardware recommendations for the Court's e-filing project will be documented. In summary, the following minimum system requirements are recommended for all Court users who will be accessing the File & Serve System to review and access documents:

- Access to an Internet browser
- Adobe Acrobat Viewer, version 6.0
- Networked Printer - at least one for each department
- Windows 2000/NT Work Station or Windows 98
- Scanner with automated document feeder for Clerk(s)

4. Onsite Document Storage & Archival

The Court may receive copies of documents electronically filed for purposes of onsite storage and archive via the data transfer process with LNFS. This feature will allow for information to move between the court's Case Management System and LNFS for more efficient data management. The Court Documents and Database Information is housed on servers located in Bellevue, Washington and Springfield, Ohio.

5. Collection of Court Fees

It is recommended that the Court utilize Automated Clearing House (ACH) transactions that allow for daily transfer of statutory fees paid up front directly to the Clerk's bank account. A LNFS invoice will be provided to attorneys monthly for all fees.

6. Data Transfer Options

Document download is just one data transfer mechanism. This will facilitate the process of transmitting documents from the File & Serve System to the Court's document management system. This process requires the Court to select what it wants to receive in the nightly data files and PDF documents by using a UI checklist of data elements that are available to receive. The Court will maintain their own translation tables to format the data for their CMS. The transmitted data is available in Excel XML and Access files. The Court may create a process to receive the data from an FTP site. LNFS does not push the data to the Court's system directly. A logon and password for the FTP site for the Court will be set up.

7. Law Firm Participation

Address the requirement of attorneys to electronically file within all case types noted in the Implementation Plan. Under this requirement the attorneys will be mandated to participate in the electronic submittal of documents through the File & Serve System as a subscriber.

8. Public Access Terminal

Determine whether Public Access Terminals (PAT) will be located within the Court for access to case information by all non-subscribers and/or Pro Se litigants involved in e-file cases. The PAT can also be used to access and research publicly e-filed documents.

9. Electronic Filing Court Order or Court Rules

Address the court/judicial order that will mandate complete participation by attorneys in electronic filing and service in all designated case class and case types listed under case identification.

10. Clerk Review

LNFS provides Clerks the ability to log into the File & Serve System to view and review all filed documents in queue for clerk review. The Clerk may review the electronically filed document(s) for correctness including review of the document(s) attached, fees assessed, etc.

11. Change Control

The File & Serve system is capable of providing Clerks and firm personnel the ability to update changes to a service list as needed. Necessary protocol for making such changes would be established and would include users submitting an online request for changes to service lists and case information within LNFS.

12. Training

Times and locations for training all clerk and court staff utilizing LNFS for access and/or filing will be provided. The LNFS Implementation Manager and LNFS staff will also provide times and locations for training to all firms participating in designated e-filing cases.

13. Workflow Recommendations

The LNFS Implementation Team may provide recommendations for changes to the Court's existing workflow in order to provide the most efficient implementation and use of the File & Serve system.

Court Filing Fee Collection Process

A SUMMARY OF THE ACH PROCESS

When a law firm electronically files a document through LNFS, court clerks will review the filing and decide whether to *accept or reject* each document and *approve* the filing fee amount due. If there are any edits performed during the clerk review process to court fees, an adjustment shall be made to the court transaction and automatically noted in an email to the filer and authorizing attorney. Once an e-filed document is accepted, the Direct Payment Process begins.

LNFS will electronically transfer court filing fees to your court's bank account for accepted documents and approved filing fees for all e-file documents through the U.S. Federal Reserve Bank's Automated ClearingHouse (ACH) payment system (Direct Payment).

- *The Direct Payment Process is designed to automate the collection and processing of the court filing fees.¹*
- *The courts can reconcile their accounting records to the e-file system via reports summarizing transactions by court, by day.*
- *Because the authorized fees will be transferred to your bank electronically, court clerks will not receive cash or checks related to filings, however proper reconciliation of the cash account by the appropriate personnel is necessary.*
- *The law firm can also reconcile their accounting records to the e-file system via reports summarizing transactions by law firm, by day (see below).*

Upon *acceptance* of the document by the court clerk and *approval* of the filing fee, LNFS performs the following:

Each business day at approximately 2:00 AM Central Time, the Court Fees associated with documents *accepted, with approved filing fees* between 2:01 AM Central Time of the prior business day and 2:00 AM Central Time of the current business day will be batched by LNFS for Direct Payment Processing. This transaction will be initiated as soon as practicable that day (generally 8:00 AM Central Time).

¹For an overview of the ACH payment system, see <http://www.newyorkfed.org/aboutthefed/fedpoint/fed31.html>

Thursday	Wednesday 2:01 a.m. — Thursday 2:00 a.m.
Friday	Thursday 2:01 a.m. — Friday 2:00 a.m.

At approximately 8:00 AM Central Time that business day, LNFS will execute an ACH Credit to the Court. Generally, it takes 48 hours from the time the ACH Credit is initiated to clear the Federal Reserve System and post to the court's bank account. This timing is in the total control of the federal and state banking systems.

The actual time for ACH credits to clear the U.S. Federal Reserve Bank and post to the Court's bank is dependent upon the federal and state banking laws and the rules and processes of the banks involved in the ACH transactions, generally 48 hours.

ACH CREDIT AUTHORIZATION

All Courts where LNFS collects Court Fees will be asked to complete documentation authorizing LNFS to ACH Credit, i.e. "Direct Payment" the Court's fees into their bank account based on the amounts *authorized* by the court's clerk. When a clerk completes clerk review, each document will have an associated fee. The clerk has the ability to assign fees for each document. Once the fees are selected and approved, a total will be calculated and associated as the filing fee for the document, and Direct Payment transaction will be initiated at the next scheduled time.

RECONCILIATION OF ACH PAYMENTS AND REPORTING

In order to assist the court in reconciling financial information at the end of the business day, the clerks will be able to generate reports that summarize the transactions accepted by the court clerks. These reports will include information such as: the case name, the authorizing status, the accepted/rejected status, filing type and summary, filing parties, filing id, filing fee and the date the Direct Payment was initiated from LNFS. By utilizing these reports and a summary of the cash received (obtained from the court's bank), a court can reconcile their cash receipts and determine their accounts receivable on a daily basis

Exhibit C
ACH Process Terms & Conditions

Court Filing Fee Collection Process
A Guide for Judiciary Personnel

Please note that although LNFS will initiate the Direct Payment to the courts on a consistent basis, the posting of these deposits to the court's account will vary within 48 hours of the initiation, and the court should take the necessary steps to properly reconcile their accounting records to the e-file system via reports summarizing transactions. Additionally, LNFS does not have the authorization to ACH Debit (withdrawal amounts) from the Court's account, therefore once an authorized transaction is completed any refunds or credit requests must be handled and processed by the Court.

THE LAW FIRM PERSPECTIVE

LNFS collects court filing fees from law firms on a monthly basis by invoice.

AMENDMENTS

LNFS reserves the right to amend these ACH Process Terms and Conditions from time to time, which amendment(s) shall be effective when a copy of such amendment(s) are served upon the Court.

Rule 201. Depositions in Foreign Jurisdictions for Use in Texas Proceedings; Depositions in Texas for Use in Foreign Proceedings

Comments—1999

1. Rule 201.1 sets forth procedures for obtaining deposition testimony of a witness in another state or foreign jurisdiction for use in Texas court proceedings. It does not, however, address whether any of the procedures listed are, in fact, permitted or recognized by the law of the state or foreign jurisdiction where the witness is located. A party must first determine what procedures are permitted by the jurisdiction where the witness is located before using this rule.

2. Section 20.001 of the Civil Practice and Remedies Code provides a nonexclusive list of persons who are qualified to take a written deposition in Texas and who may take depositions (oral or written) in another state or outside the United States.

3. Rule 201.2 is based on Section 20.002 of the Civil Practice and Remedies Code.

Historical Notes

Former rule 201 was repealed by order effective January 1, 1999. For subject matter of former rule 201, see, now, rules 176.6, 199.

201.1. Depositions in Foreign Jurisdictions for Use in Texas Proceedings

(a) *Generally.* A party may take a deposition on oral examination or written questions of any person or entity located in another state or a foreign country for use in proceedings in this State. The deposition may be taken by:

- (1) notice;
- (2) letter rogatory, letter of request, or other such device;
- (3) agreement of the parties; or
- (4) court order.

(b) *By Notice.* A party may take the deposition by notice in accordance with these rules as if the deposition were taken in this State, except that the deposition officer may be a person authorized to administer oaths in the place where the deposition is taken.

(c) *By Letter Rogatory.* On motion by a party, the court in which an action is pending must issue a letter rogatory on terms that are just and appropriate, regardless of whether any other manner of obtaining

the deposition is impractical or inconvenient. The letter must:

(1) be addressed to the appropriate authority in the jurisdiction in which the deposition is to be taken;

(2) request and authorize that authority to summon the witness before the authority at a time and place stated in the letter for examination on oral or written questions; and

(3) request and authorize that authority to cause the witness's testimony to be reduced to writing and returned, together with any items marked as exhibits, to the party requesting the letter rogatory.

(d) *By Letter of Request or Other Such Device.* On motion by a party, the court in which an action is pending, or the clerk of that court, must issue a letter of request or other such device in accordance with an applicable treaty or international convention on terms that are just and appropriate. The letter or other device must be issued regardless of whether any other manner of obtaining the deposition is impractical or inconvenient. The letter or other device must:

(1) be in the form prescribed by the treaty or convention under which it is issued, as presented by the movant to the court or clerk; and

(2) must state the time, place, and manner of the examination of the witness.

(e) *Objections to Form of Letter Rogatory, Letter of Request, or Other Such Device.* In issuing a letter rogatory, letter of request, or other such device, the court must set a time for objecting to the form of the device. A party must make any objection to the form of the device in writing and serve it on all other parties by the time set by the court, or the objection is waived.

(f) *Admissibility of Evidence.* Evidence obtained in response to a letter rogatory, letter of request, or other such device is not inadmissible merely because it is not a verbatim transcript, or the testimony was not taken under oath, or for any similar departure from the requirements for depositions taken within this State under these rules.

(g) *Deposition by Electronic Means.* A deposition in another jurisdiction may be taken by telephone, videoconference, teleconference, or other electronic means under the provisions of Rule 199.¹

201.2. Depositions in Texas for Use in Proceedings in Foreign Jurisdictions

If a court of record of any other state or foreign jurisdiction issues a mandate, writ, or commission that requires a witness's oral or written deposition testimony in this State, the witness may be compelled to appear and testify in the same manner and by the same process used for taking testimony in a proceeding pending in this State.

Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

Rule 202. Depositions Before Suit or to Investigate Claims

Comments—1999

Comments to 1999 change:

1. This rule applies to all discovery before suit covered by former rules governing depositions to perpetuate testimony and bills of discovery.

2. A deposition taken under this rule may be used in a subsequent suit as permitted by the rules of evidence, except that a court may restrict or prohibit its use to prevent taking unfair advantage of a witness or others. The bill of discovery procedure, which Rule 202 incorporates, is equitable in nature, and a court must not permit it to be used inequitably.

Historical Notes

Former rule 202 was repealed by order effective January 1, 1999. For subject matter of former rule 202, see, now, rules 199.1, 203.6.

202.1. Generally

A person may petition the court for an order authorizing the taking of a deposition on oral examination or written questions either:

(a) to perpetuate or obtain the person's own testimony or that of any other person for use in an anticipated suit; or

(b) to investigate a potential claim or suit.

Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

Historical Notes

The order of Nov. 9, 1998 provides that the rule applies to proceedings filed on or after Jan. 1, 1999, but a court may use the rules for guidance in previously filed proceedings.

202.2. Petition

The petition must:

(a) be verified;

(b) be filed in a proper court of any county:

(1) where venue of the anticipated suit may lie, if suit is anticipated; or

(2) where the witness resides, if no suit is yet anticipated;

(c) be in the name of the petitioner;

(1) that the petitioner anticipates the institution of a suit in which the petitioner may be a party; or

(2) that the petitioner seeks to investigate a potential claim by or against petitioner;

(e) state the subject matter of the anticipated action, if any, and the petitioner's interest therein;

(f) if suit is anticipated, either:

(1) state the names of the persons petitioner expects to have interests adverse to petitioner's in the anticipated suit, and the addresses and telephone numbers for such persons; or

(2) state that the names, addresses, and telephone numbers of persons petitioner expects to have interests adverse to petitioner's in the anticipated suit cannot be ascertained through diligent inquiry, and describe those persons;

(g) state the names, addresses and telephone numbers of the persons to be deposed, the substance of the testimony that the petitioner expects to elicit from each, and the petitioner's reasons for desiring to obtain the testimony of each; and

(h) request an order authorizing the petitioner to take the depositions of the persons named in the petition.

Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

Historical Notes

The order of Nov. 9, 1998 provides that the rule applies to proceedings filed on or after Jan. 1, 1999, but a court may use the rules for guidance in previously filed proceedings.

202.3. Notice and Service

(a) *Personal Service on Witnesses and Persons Named.* At least 15 days before the date of the hearing on the petition, the petitioner must serve the petition and a notice of the hearing—in accordance with Rule 21a—on all persons petitioner seeks to depose and, if suit is anticipated, on all persons petitioner expects to have interests adverse to petitioner's in the anticipated suit.

(b) *Service by Publication on Persons Not Named.*

(1) *Manner.* Unnamed persons described in the petition whom the petitioner expects to have interests adverse to petitioner's in the anticipated suit, if any, may be served by publication with the petition and notice of the hearing. The notice must state the place for the hearing and the time it will be held, which must be more than 14 days after the first publication of the notice. The petition and notice must be published once each week for two consecutive weeks in the newspaper of broadest circulation in the county in which the petition is filed, or if no such newspaper exists, in the newspa-

per of broadest circulation in the nearest county where a newspaper is published.

(2) *Objection to Depositions Taken on Notice by Publication.* Any interested party may move, in the proceeding or by bill of review, to suppress any deposition, in whole or in part, taken on notice by publication, and may also attack or oppose the deposition by any other means available.

(c) *Service in Probate Cases.* A petition to take a deposition in anticipation of an application for probate of a will, and notice of the hearing on the petition, may be served by posting as prescribed by Section 33(f)(2) of the Probate Code. The notice and petition must be directed to all parties interested in the testator's estate and must comply with the requirements of Section 33(c) of the Probate Code insofar as they may be applicable.

(d) *Modification by Order.* As justice or necessity may require, the court may shorten or lengthen the notice periods under this rule and may extend the notice period to permit service on any expected adverse party.

Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

Historical Notes

The order of Nov. 9, 1998 provides that the rule applies to proceedings filed on or after Jan. 1, 1999, but a court may use the rules for guidance in previously filed proceedings.

202.4. Order

(a) *Required Findings.* The court must order a deposition to be taken if, but only if, it finds that:

(1) allowing the petitioner to take the requested deposition may prevent a failure or delay of justice in an anticipated suit: or

(2) the likely benefit of allowing the petitioner to take the requested deposition to investigate a potential claim outweighs the burden or expense of the procedure.

(b) *Contents.* The order must state whether a deposition will be taken on oral examination or written questions. The order may also state the time and place at which a deposition will be taken. If the order does not state the time and place at which a deposition will be taken, the petitioner must notice the deposition as required by Rules 199¹ or 200.² The order must contain any protections the court finds necessary or appropriate to protect the witness or any person who may be affected by the procedure.

Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

¹ Vernon's Ann. Rules Civ. Proc., rule 199.1 et seq.

² Vernon's Ann. Rules Civ. Proc., rule 200.1 et seq.

Historical Notes

The order of Nov. 9, 1998 provides that the rule applies to proceedings filed on or after Jan. 1, 1999, but a court may use the rules for guidance in previously filed proceedings.

202.5. Manner of Taking and Use

Except as otherwise provided in this rule, depositions authorized by this rule are governed by the rules applicable to depositions of nonparties in a pending suit. The scope of discovery in depositions authorized by this rule is the same as if the anticipated suit or potential claim had been filed. A court may restrict or prohibit the use of a deposition taken under this rule in a subsequent suit to protect a person who was not served with notice of the deposition from any unfair prejudice or to prevent abuse of this rule. Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

Rule 203. Signing, Certification and Use of Oral and Written Depositions**Historical Notes**

203.1. Signature and Changes

(a) *Deposition Transcript to be Provided to Witness.* The deposition officer must provide the original deposition transcript to the witness for examination and signature. If the witness is represented by an attorney at the deposition, the deposition officer must provide the transcript to the attorney instead of the witness.

(b) *Changes by Witness; Signature.* The witness may change responses as reflected in the deposition transcript by indicating the desired changes, in writing, on a separate sheet of paper, together with a statement of the reasons for making the changes. No erasures or obliterations of any kind may be made to the original deposition transcript. The witness must then sign the transcript under oath and return it to the deposition officer. If the witness does not return the transcript to the deposition officer within 20 days of the date the transcript was provided to the witness or the witness's attorney, the witness may be deemed to have waived the right to make the changes.

(c) *Exceptions.* The requirements of presentation and signature under this subdivision do not apply:

- (1) if the witness and all parties waive the signature requirement;
- (2) to depositions on written questions; or
- (3) to nonstenographic recordings of oral depositions.

Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

203.2. Certification

The deposition officer must file with the court, serve on all parties, and attach as part of the deposition transcript or nonstenographic recording of an oral deposition a certificate duly sworn by the officer stating:

(a) that the witness was duly sworn by the officer and that the transcript or nonstenographic recording of the oral deposition is a true record of the testimony given by the witness;

(b) that the deposition transcript, if any, was submitted to the witness or to the attorney for the witness for examination and signature, the date on which the transcript was submitted, whether the witness returned the transcript, and if so, the date on which it was returned.

(c) that changes, if any, made by the witness are attached to the deposition transcript;

(d) that the deposition officer delivered the deposition transcript or nonstenographic recording of an oral deposition in accordance with Rule 203.3;

(e) the amount of time used by each party at the deposition;

(f) the amount of the deposition officer's charges for preparing the original deposition transcript, which the clerk of the court must tax as costs; and

(g) that a copy of the certificate was served on all parties and the date of service.

Added Aug. 5, 1998 and Nov. 9, 1998, eff. Jan. 1, 1999.

203.3. Delivery

(a) *Endorsement; To Whom Delivered.* The deposition officer must endorse the title of the action and "Deposition of (name of witness)" on the original deposition transcript (or a copy, if the original was not returned) or the original nonstenographic recording of an oral deposition, and must return:

(1) the transcript to the party who asked the first question appearing in the transcript, or

(2) the recording to the party who requested it.

(b) *Notice.* The deposition officer must serve notice of delivery on all other parties.

(c) *Inspection and Copying; Copies.* The party receiving the original deposition transcript or nonstenographic recording must make it available upon

RESPONDENT'S MOTION FOR LEAVE TO SUPPLEMENT THE RECORD

COMES NOW, BARBARA GLADDEN ADAMICK, DISTRICT CLERK OF MONTGOMERY COUNTY, TEXAS, named as the Respondent in this action, and files this Motion for Leave to Supplement the Record. In support thereof, Respondent would show as follows:

Introduction and Procedural History

1. Petitioner Karen McPeters.
2. Respondent is Barbara Gladden Adamick, District Clerk of Montgomery County, Texas.
3. Petitioner brought this petition under Tex. R. Civ. P. 202 requesting the Court authorizing her taking the deposition duces tecum of the Respondent in order to investigate potential claims.
4. On March 26, 2010, Judge Bob Wortham, sitting as the Presiding Judge of the 9th District Court, denied Petitioner's request to take Respondent's deposition. An oral hearing was held on the petition and was attended by Petitioner's counsel and Ray Johnson, representing Respondent.

Motion to Supplement

5. Respondent Adamick moves the court to supplement the record of the March 26, 2010, oral hearing to include Exhibit A, a certified copy of the "Order Regarding E-File Designation and Live Date" entered in this case.

6. At the oral hearing on the petition, the court inquired as to whether such an order had been entered. Counsel for Respondent was unaware at that time if such an order had been entered. Upon further investigation and examination of the District Clerk's record, the order was located. Thus, Respondent moves for leave to supplement the record of the March 26, 2010, oral hearing to include the certified copy of the order.

PRAYER

For these reasons, Respondent Barbara Gladden Adamick, District Clerk of Montgomery County, Texas, asks the Court for leave to supplement the record of the March 26, 2010, oral hearing with the certified copy of the "Order Regarding E-File Designation and Live Date" filed in this case.

ORDER REGARDING E-FILE DESIGNATION AND LIVE DATE

As of January 1, 2000, all civil cases filed in the 9th District Court of Montgomery County will be electronically filed as described and governed by the Local Rules Regarding Electronic Filing. Consequently, the Court, sua sponte, hereby designates the cause number, _____, 09-11-11474 in the Ninth District Court of Montgomery County, Texas, as such an e-file case. Accordingly, the Court orders that in this cause the District Clerk implement fully the Local Rule Regarding Electronic Filing, approved by the Supreme Court on September 16, 1997. A copy of the Local Rule Regarding Electronic Filing can be obtained in the office of Judge Edwards or the Montgomery County District Clerk's Office.

What Must be Filed Electronically. No pleadings or party-generated documents may be filed in paper form, but must be filed electronically through the e-file system, unless a document meets one of the exceptions named below.

All answers must be filed electronically. Answers filed in paper form will not be accepted.

Documents That Need Not be Filed Electronically. Documents may still be filed conventionally if 1) a party has leave of Court to do so, 2) the document is the Original Petition or a Return of Service, or 3) the document is an exhibit, appendix, or "image" document exceeding 50 pages in length (see explanation below). Actions brought by the State of Texas or Child Protective Services as well as Adoption Actions are exempt from e-filing.

Exhibits. Original exhibits to documents filed electronically must be "scanned in" and filed electronically as well if the *exhibits* number less than fifty pages. If the exhibits total over fifty pages in length, they may be marked clearly as to which motion they pertain and filed with the District Clerk.

A party wishing to file voluminous exhibits conventionally should 1) electronically file a notice indicating that there are conventional "paper" exhibits on file in the District Clerk's Office, 2) file the exhibits in the District Clerk's Office, and 3) serve other parties with copies of the conventionally-filed exhibits as normally required by the Texas Rule of Civil Procedure.

Please note that according to the Local Rule for E-filing, any original signature page on affidavits, verifications, or other sworn documents that is not filed with the Clerk in paper form "shall be maintained and made available, upon reasonable notice and during business hours, to other counsel and to the court."

"Certified as to certification on signature page"

EXHIBIT "G"

New Divorce and Annulment Cases That Are Resolved Within 90 Days. As of January 1, 2001, all original petition for divorce or annulment that are resolved within 90 days are not required to be filed electronically.

In addition, inventories and appraisal documents in all family law cases may no longer be electronically served with the Court, due to privacy concerns. Please exchange this information to opposing counsel, but without actually serving the Court via e-filing. However, you must serve the Court with a letter noticing that the exchange of documents was made and on what date.

How to File Electronically. For information on how to use electronic filing, parties are instructed to contact CourtLink Customer Service at 1-888-529-7587.

In short, parties will be presented with two options. They may either: 1) become a subscriber through the Internet to the e-file system or 2) bring their filings in the form of 3-1/2" IBM (or compatible) formatted disc to the public terminal located in the District Clerk's Office and upload the pleadings at no charge.

Although there is no fee involved in subscribing to the e-file system through the Internet, a minimal fee is assessed for each filing and service delivery made through the system. The e-filing system will "serve" all parties and the court through the Internet or via facsimile, so it will not be necessary for a party choosing to become a subscriber to serve other parties in paper form.

However, parties wishing to exercise their option to file through the public terminal must still serve copies on other parties *in paper form*, as is usually required by the Texas Rules of Civil Procedure.

Consequences of Failure to File in Accordance with this Order. The District Clerk shall not accept any pleadings in paper form, and shall not use imaging technology to convert documents from paper to electronic form for the parties. Any documents submitted in paper form will be rejected by the District Clerk without further notice to submitting counsel. *Documents so rejected will be regarded as "unfiled," even if the clerk, in error, file-stamps the incorrectly filed documents.*

If the electronic filing is not filed with the Court because of 1) an error in the transmission of the document to the Vendor which was unknown to the sending party, or 2) a failure to process the electronic filing when received by the Vendor, or 3) other technical problems experienced by the filer, the Court may upon satisfactory proof enter an order permitting the document to be filed nunc pro tunc to the date it was first attempted to be sent electronically.

If there are any questions regarding e-filing, please contact the following:
