Civil Action H-19-2546

### Opinion on Partial Summary Judgment

As rendered on October 31, 2019, the extracontractual claims by Multicultural Education and Counseling Through the Arts, Inc., are dismissed with prejudice. (12)

This case is a dispute about the amount of damage caused by Hurricane Harvey to a 107-year-old building. Multicultural has not furnished any evidence that could establish that Philadelphia Indemnity Insurance Company unfairly appraised the damages or fraudulently disputes its claim.

Signed on November 1, 2019, at Houston, Texas.
