Subject: Discovery Objections

Ian,

Please let me know what you understand our agreement to be on the discovery objections or just provide amended responses, so I can know. My understanding is that, at this time, we only disagree over the objections to the Second Request for Production. It appears we will need to submit these objections to the Court for resolution, but I don't want to misrepresent your position nor do I want to fail to address something that I thought we resolved but didn't.

John, I understand from Ian that you have the documents Tiltware has agreed to produce. Please let me know what I need to do to get a copy of these. Thanks.

Sincerely,

John
