Pursuant to the Administrative Polices and Procedures for Electronic Filing in Civil and Criminal Cases, the following pleading has been filed. However, it is deficient in the area(s) checked below. Please correct the deficiency(ies), as noted below, and re-file document IMMEDIATELY. When re-filing document, other than a motion, please ensure you add 'corrected' to the docket text. If the document you are re-filing is a motion, select 'corrected' from the drop-down list.

If an erroneous filing results in failure to meet a deadline, you will need to seek relief, for any default, from the presiding judge.

(1) Other

Remarks: Document is entered as a MOTION however a motion was not included - an Amended Certificate of Service and Proposed Order are the only attachments. Please refile with the MOTION and proposed order included and ATTACH the proposed Substituted Documents in pleading format.
