1

David Koresh and his Davidian Defendants are still alive and are roaming the Earth underneath the crust in tunnels creating havoc on the World

The cult has been Alive since 1993

ON NOV 11, 2007 Defendants plan to burn Janet Reno's home

Spring 2007 - Defendants burned down the Furniture Warehouse in Charleston, S.C that killed 9 fire fighters

July 10, 2007 - The Grandall mine collapsed because miners would not convert to Defendants Seventh Day Adventist Beliefs. At the Sago mine in West Virginia, McCoy was the only to live because he promised to join Koresh's cult.

I never promised anything - Now Defendants are after my Bones!

2

Defendants have been Brainwashing, harassing, torturing, kidnapping my wife since Feb 25th, 2003, they are digging tunnels to my cell at FCI Williamsburg and plan to suck me to hell. Defendants have a underground Elevator chamber which drops 12,000 miles below the earth to Hot Molten Rock, who ever dissents from their beliefs, they fry them under the Earth. They already took Natalie Holloway from Aruba, Jimmy Hoffa, children on milk cartons, and Walden. I'm next.

3

Defendants burned the BP Refinery in Texas City, ON Aug 29, 2005, Defendants cracked the levees in New Orleans for pay back to the Army Corps of Engineers
Defendants sent subliminal messaging to Brian Nichols in Atlanta to Kill Judge Barnes

~~TCO Temporary Restraining Order~~

Defendants want to surround me in pagan white sheets because I know they are Alive, This court needs to booby trap the earth to catch them, Flood the tunnels to flush them out, send C.A.P.D Swat teams to negotiate, Defendants are harboring Harriet Tubman and underground hackers and cyber criminals, This Plot must be stopped, I'm entitled to relief under the whistle blowing act. "Watch what you do, or I'll sue You"
