

# 2020 Ballot Propositions

Dear Democratic Leaders,

We are proud to present the updated Texas Democrats Bill of Rights for 2020.

In December, the State Democratic Executive Committee voted on ballot propositions to place on the 2020 Democratic Primary Ballot. The propositions were drafted by staff, recommended by the Chair, and approved by the Resolutions Committee.

Last year's 2018 Texas Democrats Bill of Rights was wildly popular with our voters. It gave Texas Democrats a shared goal to fight for and we plan to build upon our progressive agenda that provides economic solutions, expands our rights as people, and charts the path forward for our state.

## A message from Texas Democratic Party Chair Gilberto Hinojosa

"Texas is the biggest battleground state and Texans have never shied away from big, bold ideas. A fair shot for all is what drove Democrats to build this great state and it is what drives us today. We fight because we believe that no matter who you are, what you look like, where you come from, or who you love, if you work hard in Texas, you can succeed.

"I am proud to share our 2020 Texas Democrats Bill of Rights with you. As we continue the march towards a state as great as its promise, we must remember that everything is on the line in 2020.

"When we defeat Donald Trump, take out John Cornyn, send more Democrats to the United States House of Representatives, take back the Texas House, and elect more Democrats across our state, we will improve the lives of millions of Texans. This is our moment. Victory is within our grasp. ¡Adelante!"

# Our Texas Democrats Bill of Rights

As Democrats, we must uplift the candidates who fight for our fundamental issues, and we must also advocate for the bold ideas that will pave the way for growth and prosperity in Texas. We're championing a Texas Bill of Rights because Texas families deserve to shape the future of our great state.

Our Texas Bill of Rights will be voted on by Texans in the Democratic Primary Election and will guide our party, our campaigns, and our movement in the 2020 election.
