Internet Cafe

Coming soon to the Cafe - a NEW Gift Shoppe, featuring Lisa Jean Designs Custom Jewelry! Be sure to check it out!

Just because you came to Zion National Park to escape the world, doesn't mean you have to lose touch with it. Here at the Pioneer Lodge we have the only Internet café in Springdale and Zion National Park area located in our lobby with two computers with high-speed Internet connections. We also offer wi-fi service which laptops can access. Our rates are \$2.50 for the first 25 minutes and 10 cents for every minute after that. Wireless access is free, if you purchase something from the coffee shop that has a \$2.99 value or higher. Printing is 10¢ per black and white page and 70¢ per color page.

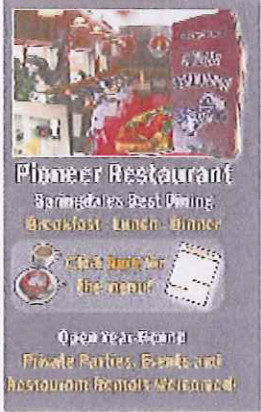

The Internet café adds to the ambience of the coffee shop that offers a full line of Seattle's best coffee, espresso, iced drinks, croissant sandwiches, and succulent pastries. You can enjoy your coffee, hot scone or cookie, and wireless surfing in our comfortable sitting area that also has magazines and newspapers for you to read. The sitting area near the fireplace is especially cozy. The fireplace logs are petrified wood logs.

The Pioneer Lodge coffee shop and Internet café is a great place to base your adventures in Zion National Park. We are located near the south entrance of the

national park on Zion Park Boulevard in Springdale. If needed, you can also purchase personal needs items in our convenience store.

New in the restaurant: Breakfast Buffet and Draft Beer!

Customer Testimonial:
My wife and I recently toured the Zion and Bryce Canyon area. We stayed at the Pioneer Lodge while in the area. I must take this opportunity to compliment you on the Lodge and Restaurant.

All of your staff were extremely courteous, knowledgeable, and a credit to the establishment. The food was very good, the service quick and friendly.

The decor is excellent, the room comfortable, and the price was a pleasant surprise.

We will be back to your area again next year, and we definitely will be staying at the Pioneer Lodge.
-Nick, NJ
