

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF UTAH

DAVID ERIC HUNSAKER,

Plaintiff,

v.

CLINT FRIEL et al.,

Defendants.

**ORDER TO AMEND DEFICIENT
AMENDED COMPLAINT**

Case No. 2:10-CV-710 CW

District Judge Clark Waddoups

Plaintiff, David Eric Hunsaker, an inmate at San Pete County Correctional Facility, filed this *pro se* civil rights suit. See 42 U.S.C.S. § 1983 (2011). Plaintiff was allowed to proceed *in forma pauperis*. See 28 *id.* 1915. Reviewing the original complaint under § 1915(e), the Court determined that it was deficient. Plaintiff has now filed an amended complaint, which, upon evaluation, the Court has determined to be similarly deficient.

Deficiencies in Amended Complaint

Amended Complaint:

- (a) does not clearly identify each named defendant, as John Does must each be individually numbered and described in detail.
- (b) inappropriately alleges civil rights violations against prison administrator on a respondeat superior theory.
- (c) "addendum" does not identify potential defendants who allegedly violated Plaintiff's civil rights in February 2011.

- (d) possibly accuses other prison personnel of violating Plaintiff's civil rights, although they are not named as defendants. Plaintiff must clarify whether they are indeed defendants.
- (e) is not on a form § 1983 complaint.
- (f) has claims appearing to be based on conditions of current confinement; however, the complaint was apparently not submitted using the legal help Plaintiff is entitled to by his institution under the Constitution. See *Lewis v. Casey*, 518 U.S. 343, 356 (1996) (requiring prisoners be given "'adequate law libraries or adequate assistance from persons trained in the law' . . . to ensure that inmates . . . have a reasonably adequate opportunity to file nonfrivolous legal claims challenging their convictions or conditions of confinement") (quoting *Bounds v. Smith*, 430 U.S. 817, 828 (1977) (emphasis added)).

Repeated General Instructions to Plaintiff

Under Rule 8 of the Federal Rules of Civil Procedure a complaint is required to contain "(1) a short and plain statement of the grounds upon which the court's jurisdiction depends, . . . (2) a short and plain statement of the claim showing that the pleader is entitled to relief, and (3) a demand for judgment for the relief the pleader seeks." Fed. R. Civ. P. 8(a). The requirements of Rule 8(a) are intended to guarantee "that defendants enjoy fair notice of what the claims against them are and the grounds upon which they rest." *TV Commnc'ns Network, Inc. v. ESPN, Inc.*, 767 F. Supp. 1062, 1069 (D. Colo. 1991), *aff'd*, 964 F.2d 1022 (10th Cir. 1992).

Pro se litigants are not excused from compliance with the minimal pleading requirements of Rule 8. "This is so because a pro se plaintiff requires no special legal training to recount the facts surrounding his alleged injury, and he must provide such facts if the court is to determine whether he makes out a claim on which relief can be granted." *Hall v. Bellmon*, 935 F.2d 1106, 1009 (10th Cir. 1991). Moreover, "it is not the proper function of the Court to assume the role of advocate for a pro se litigant." *Id.* at 1110. Thus, the Court cannot "supply additional facts, [or] construct a legal theory for plaintiff that assumes facts that have not been pleaded." *Dunn v. White*, 880 F.2d 1188, 1197 (10th Cir. 1989).

Plaintiff should consider the following points before refiling his complaint. First, the revised complaint must stand entirely on its own and shall not refer to, or incorporate by reference, any portion of the original complaint or the motion to amend, filed August 18, 2010. See *Murray v. Archambo*, 132 F.3d 609, 612 (10th Cir. 1998) (stating amended complaint supercedes original). Second, the complaint must clearly state what each individual defendant did to violate Plaintiff's civil rights. See *Bennett v. Passic*, 545 F.2d 1260, 1262-63 (10th Cir. 1976) (stating personal participation of each named defendant is essential allegation in civil rights action). "To state a claim,

a complaint must 'make clear exactly *who* is alleged to have done *what* to *whom*.'" *Stone v. Albert*, No. 08-2222, slip op. at 4 (10th Cir. July 20, 2009) (unpublished) (emphasis in original) (quoting *Robbins v. Oklahoma*, 519 F.3d 1242, 1250 (10th Cir. 2008)). Third, Plaintiff cannot name someone as a defendant based solely on his or her supervisory position. See *Mitchell v. Maynard*, 80 F.3d 1433, 1441 (10th Cir. 1996) (stating supervisory status alone is insufficient to support liability under § 1983). And, fourth, "denial of a grievance, by itself without any connection to the violation of constitutional rights alleged by plaintiff, does not establish personal participation under § 1983." *Gallagher v. Shelton*, No. 09-3113, 2009 U.S. App. LEXIS 25787, at *11 (10th Cir. Nov. 24, 2009).

Finally, Plaintiff is warned that litigants who have had three *in forma pauperis* cases dismissed as frivolous or meritless will be restricted from filing future lawsuits without prepaying fees.

ORDER

IT IS HEREBY ORDERED that:

(1) Plaintiff shall have **THIRTY DAYS** from the date of this order to cure the deficiencies noted above;

(2) the Clerk's Office shall mail Plaintiff a copy of the Pro Se Litigant Guide; and,

(3) if Plaintiff fails to timely cure the above deficiencies according to the instructions here this action will be dismissed without further notice.

DATED this 20th day of June, 2011.

BY THE COURT:

A handwritten signature in blue ink, appearing to read "Clark Waddoups", written over a horizontal line.
