

Promissory Note
Term Loan

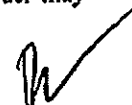

\$650,000.00

FOR VALUE RECEIVED, CAMELOT FILM GROUP, INC., a Nevada corporation qualified to do business in California with a place of business at 10 Universal City Plaza NBC/Universal Building, 20th Floor, Universal City, CA 91608 ("**Borrower**"), shall pay to the order of INCENTIVE CAPITAL, LLC, a Utah limited liability company with a place of business at 2755 E. Cottonwood Parkway, Suite 100, Salt Lake City, UT 84121, and its successors and assigns ("**Lender**"), the principal amount of Six Hundred Fifty Thousand and No/100 Dollars (\$650,000.00) plus interest from this date until paid. The principal amount together with accrued interest thereon shall be due and payable on January 31, 2011 ("**Maturity**"). Lender has advanced the initial principal amount of \$500,000 to Borrower. Within fourteen (14) days from the date that Borrower makes at least one "Distribution Payment" (defined below and in the Security Agreement, incorporated herein by this reference, to Lender as set forth herein and in the Security Agreement, Lender shall advance \$60,000 to Borrower ("**Additional Principal Amount**"); the remaining \$90,000 (the \$150,000 constituting the "**Operational Advance**") shall be disbursed to Borrower as follows: \$45,000 to Borrower on or before May 27, 2010, which shall be conditioned upon (a) Borrower's and Guarantors' performance of all other obligations under this Note and the related loan documents executed concurrently herewith (the "**Loan Documents**"); and (b) all representations and warranties by Borrower and the Guarantors in the Loan Documents being true and accurate; and \$45,000 to Borrower on or before June 27, 2010, which shall be conditioned upon (c) Lender's reasonable satisfaction with Borrower's efforts to exploit the Liberation Assets being purchased with the initial principal advance hereunder upon confirming that all of the representations and warranties of Borrower are accurate and upon receiving at least one other (a second) distribution payment on the 10% of gross (defined as the "Distribution Payments") set forth in the Security Agreement (incorporated herein by this reference). Any and all Distribution Payments to Lender must be accompanied by verifiable documentation supporting the calculation of the distribution amount. In other words, the Distribution Payment must actually be derived from 10% of the gross revenue generated from the exploitation of the Library as further set forth in this and the other contemporaneous documents executed herewith.

Interest. Borrower shall pay interest on all principal amounts advanced hereunder at the rate of one and one-half percent (1.50%) per month. All computations of interest shall be made on the basis of a 360-day year and paid for the actual number of days elapsed. Whether or not this Note is prepaid, Borrower shall pay Lender no less than six (6) months of interest – or nine percent (9%) – on the principal amount advanced hereunder.

Payments. Commencing May 27, 2010, and continuing on the 27th day of each consecutive month until Maturity, Borrower shall pay interest then accrued and unpaid on the outstanding balance of this Note. At Maturity or the earlier acceleration of this Note, Borrower shall pay the entire principal amount, plus all accrued and unpaid interest and fees due as set forth in the Loan Documents hereinafter defined. Borrower shall make all payments on this Note to Lender at its address stated above, or at such other place as the Lender or any other holder of this Note may designate. Borrower may make prepayments of principal at any time. For any payment due under this Note not made within ten (10) Business Days after its due date, Borrower shall pay a late fee equal to the greater of five percent (5%) of the amount of the payment not made or \$50.00. Lender shall apply all payments received on this Note to any unpaid late charges and prepayment premiums (if any), accrued and unpaid interest then due and owing, and the reduction of principal of this Note, in such order and in such amounts as Lender may

determine from time to time. The sum or sums shown on Lender's records shall be rebuttably presumptive of the correct unpaid balance of principal and interest on this Note. If any payment comes due on a day that is not a Business Day, Borrower may make the payment on the first Business Day following the payment date and pay the additional interest accrued to the date of payment. "Business Day" means a day of the year on which banks are not required or authorized by law to close in Salt Lake City, Utah.

Fees. As additional consideration for the extension of credit by Lender evidenced by this Note, Borrower shall pay Lender (a) a closing fee, and (b) an origination fee, each in the amount of Sixteen Thousand Two Hundred Fifty Dollars (\$16,250.00), for a total of Thirty Two Thousand Five Hundred Dollars (\$32,500.00), on or before the date of Maturity. The said closing fee and origination fee shall be included in the principal amount of this Note and shall be deemed a principal advance under the terms of this Note, and said fees shall bear interest under this Note as set forth herein above. As further consideration, \$20,000 in legal fees shall be withheld by Lender as follows: \$10,000 from the Additional Principal Amount; \$5,000 from the May 27, 2010 Operational Advance; and \$5,000 from the June 27, 2010 Operational Advance.

Default Rate. At Lender's election, without notice or demand, Borrower shall pay interest at the rate of three and one-half percent (3.50%) per month ("*Default Rate*") on the outstanding balance of this Note during the period that any Event of Default exists (as defined below), on past due interest on this Note, on all other amounts payable to Lender by Borrower in connection with this Note, and on any unsatisfied judgment on this Note. In no event, however, shall the interest rate on this Note exceed the highest rate permitted by law.

Warranties. The Borrower and each Guarantor hereunder represents and warrants to the Lender (which representations and warranties will survive the delivery of the Note) that:

1. Borrower and Guarantors are each corporations duly organized, validly existing and in good standing under the laws of the State of incorporation of each as set forth herein and has all requisite power and authority to own its property and to carry on its business as now being conducted, to execute and deliver this Note and all other instruments, agreements, and documents entered into from time to time, evidencing or securing this loan or any obligation of payment thereof or performance of Borrower's or Guarantors' obligations in connection with the transactions contemplated hereunder, each as amended (collectively referred to as "*Loan Documents*"), and to carry out the provisions and conditions of the Note and Loan Documents. Borrower is duly qualified to do business and is in good standing in every jurisdiction where the failure to so qualify would have a material adverse effect.

2. Borrower and Guarantors have full power, authority and legal right to incur the obligations provided for in, and to execute and deliver and to perform and observe the terms and provisions of this Note and the Loan Documents; each of them has been duly executed and delivered by Borrower and Guarantors and have been authorized by all required action; Borrower and Guarantors have obtained all requisite consents to the transactions contemplated thereby; and this Note and the Loan Documents constitute the legal, valid and binding obligations of Borrower and Guarantors enforceable against Borrower and Guarantors in accordance with their respective terms, except as the enforceability thereof may be limited by applicable bankruptcy, insolvency or other similar laws affecting creditors' rights generally.

3. Neither the execution and delivery of this Note and the Loan Documents, nor the compliance by Borrower and Guarantors with the terms and conditions of this Note and the Loan Documents, nor the

consummation of the transactions contemplated thereby, will conflict with or result in a breach of the Articles of Incorporation or Code of Regulations, as applicable, or other governing documents of Borrower or Guarantors, or any of the terms, conditions or provisions of any agreement or instrument or any charter or other corporate restriction or law, regulation, rule or order of any governmental body or agency to which Borrower or Guarantors are now a party or is subject, or imposition of a lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Borrower or Guarantors pursuant to the terms of any such agreement or instrument.

There exists no condition, event or act which constitutes, or after notice or lapse of time or both would constitute, an Event of Default.

6. The Borrower has furnished to the Lender financial assumptions which, in the opinion of Borrower, fairly and accurately reflect the financial assumptions for the operations of Borrower, and there has been no material adverse change in the Borrower's financial prospects since that date which would require revision of the same.

7. The Borrower represents and warrants that the international sales projections previously provided by Borrower in connection with the parties' initial term sheet shall not vary by more than 25% less than that represented therein on the estimated low value and short term sales potential 10% columns. A copy of the international sales projections is attached hereto as Exhibit A.

If Borrower shall default in the payment of principal or interest due and owing upon any other material obligation for borrowed money, beyond any period of grace provided with respect thereto or in the performance or observance of any other agreement, term or condition contained in any agreement under which such obligation is created, if the effect of such default is to allow the acceleration of the maturity of such indebtedness or to permit the holder thereof to cause such indebtedness to become due prior to its stated maturity and such default is not cured by Borrower.

7. A final judgment or order for the payment of a material amount of money shall be rendered against Borrower or any Obligor by a court of competent jurisdiction, that remains unpaid or unstayed and undischarged for a period (during which execution shall not be effectively stayed) of thirty (30) days after the date on which the right to appeal has expired.
