
IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF UTAH

GREG PAUL REVERE SANCHEZ

Petitioner,

v.

STATE OF UTAH,

Respondent.

**MEMORANDUM DECISION &
DISMISSAL ORDER**

Case No. 2:18-CV-70-DN

District Judge David Nuffer

Petitioner, Greg Paul Revere Sanchez, filed a *pro se* habeas-corpus petition. 28 U.S.C.S. § 2254 (2018). An Order dated August 9, 2018, determined that the petition was deficient for a few reasons. (Doc No. 58.) The order gave gave Petitioner directions for curing the deficiencies, directed the clerk to send him a "Pro Se Litigant Guide," with a blank-form habeas corpus petition, and ordered him to cure the deficiencies within thirty days. (*Id.*) Petitioner responded by filing motions to have all his documents returned to him. He noted, "I'm not complying with your thirty days."

IT IS ORDERED that--because of Petitioner's failure to comply with the Court's Order and to appropriately prosecute his case--the petition is **DISMISSED**. This action is **CLOSED**.

IT IS FURTHER ORDERED that Petitioner's motions to have his documents returned to him are **DENIED**. (Doc. Nos. 59 & 60.) The originals belong to the public record now.

Moreover, Petitioner has filed around fifty documents and it would strain the Court's resources to copy and return them all. As a one-time courtesy, however, the Clerk's Office shall copy the petition, (Doc. No. 4), and send the copy to Petitioner.

DATED this 18th day of October, 2018.

BY THE COURT:

A handwritten signature in blue ink, appearing to read "David Nuffer", is written over a horizontal line.
