**Abstract:** This collection of information is required by 35 U.S.C. sec. 101 et seq. and is administered through 37 CFR Part 1. During the pendency of a patent application or the period of enforceability of a patent, situations arise that require collection of information for the USPTO to further process the patent or application. This information can be used by the USPTO to continue the processing of the patent or application or to ensure that applicants are complying with the patent regulations. The USPTO is submitting this collection in support of a notice of proposed rulemaking. "Changes to information Disclosure profit
