

EXHIBIT N

FY 2006 Filings:

419,760 UPR

122,230 1 or more CON, CIP or RCE, 29.1%

(77,104 exactly 1, 18.4%)

45,126 2 or more CON, CIP or RCE, 10.8%

(26,564 exactly 2, 6.3%)

18,562 3 or more CON, CIP or RCE, 4.4%

(about 10,000 exactly 3, about 2.5%)

at least 4,005 4 or more RCE or 4 or more CON/CIP. In cases with 3 or more CON/CIP/RCE, 47% were either 3 or more CON/CIP or 3 or more RCE. Assuming this holds true for 4 or more, **about 8,000 4 or more CON/CIP/RCEs filed.**

2,615 exactly 3 CON/CIP

about 8000 4+ CON/CIP/RCE

about 10,000 filings would have required a petition or change in behavior in a 2 CON/1 RCE scenario (2.4%)

Claims: about the same for 05 and 06 data

about 36% of all applications have more than 1-6 independent claims and 20 total claims

about 25% of all applications have more than 1-5 independent claims and 25 total claims

about 16% of all applications have more than 1-6 independent claims and 30 total claims

about 11% of all applications have more than 1-6 independent claims and 40 total claims
