Terry,

Thank you for letting me know. Could you please give me a call when you get a chance? As I said in my voicemail, I would like to talk through some issues about the experts with you as soon as possible.

Margret:

As I suspected, Kent had already left for the holiday when your original e-mail request came in and so I just heard back from him late last night, my time. He cannot do the week of the 4th due to another case and has some limits on the latter part of the week of the 11th due to yet another case. But he could do a deposition on Wednesday, January 13th. If this works for you, can you please let me know as soon as possible, so I can lock this in on his schedule.

Also, if we produce him for deposition in San Francisco, I assume you agree to produce your expert in DC, correct?
